A. Introduction

Thank you for choosing Blue Shield of California Promise Health Plan. This Provider Directory lists clinics, doctors, hospitals, pharmacies, and other types of providers that are part of Blue Shield of California Promise Health Plan.

When you join Blue Shield of California Promise Health Plan, it is important you choose a primary care physician (PCP) for each member. If you do not choose one, Blue Shield Promise will choose one for you. Your PCP will be the doctor you will go to for preventive care and when you become ill. Your PCP will send you to a specialist physician or other specialist provider when needed. The PCP is there to attend to your healthcare needs and work with members to keep them healthy.

Changing your PCP

You may change your PCP at any time by calling Blue Shield Promise Customer Care toll-free at **(800) 605-2556** [TTY: **711**]. Changes will not be effective until the first of the following month. You can also visit our website at **blueshieldca.com/promise/medical**.

As a member of Blue Shield of California Promise Health Plan, you will receive a member ID card like the one pictured on this page. You will need to show this ID card each time you see your doctor, get your prescriptions (medications), use the emergency room, or see your eye doctor. Keep this card with you at all times. When you get your ID card, please make sure that it is correct. If not, call Blue Shield Promise Customer Care at **(800) 605-2556**.

Do not throw your Medi-Cal (BIC) card away. You will need to use your Medi-Cal (BIC) card to see your Medi-Cal dentist and to get other healthcare services that are not covered by Blue Shield of California Promise Health Plan.
