Section 1 – Introduction

This directory provides a list of Blue Shield of California's network providers. To get detailed information about your health care coverage, please see your Evidence of Coverage.

Your dental coverage is provided by Delta Dental, a contracted dental carrier for Blue Shield of California. The dental plan you are enrolled in is Delta Dental. You have to choose one of the network providers in the Delta Dental network to be your Contract Dentist. You must get your dental coverage from your Contract Dentist. If you require treatment from a specialist, your Contract Dentist will handle the referral for you. Please contact Delta Dental if you have any questions at (866) 247-2486 (TTY: 711). Hours of operations, 8 a.m. to 8 p.m., seven days a week, from October 1 through March 31, and 8 a.m. to 8 p.m., weekdays from April 1 through September 30.

Contact Blue Shield of California Customer Care at (888) 802-4423 (TTY: 711) 8 a.m. to 8 p.m., seven days a week. TTY users should call 711.

The network providers listed in this directory have agreed to provide you with dental services. You may go to any of our network providers listed in this directory; however, some services may require a referral.

Services that include routine dental that are not performed by an in-network provider and are not covered under emergency care must be pre-authorized by Blue Shield of California.

Delta Dental covers you for out-of-network dental emergencies only, up to $100 of dental expenses per emergency.

How to get covered services when you have an emergency?

If emergency services are needed, you should contact your Contract provider whenever possible. Benefits for emergency services by providers other than your assigned Contract provider are limited to palliative relief when you:

1. have made a reasonable attempt to contact the Contract provider and the Contract provider is unavailable or you cannot be seen within 24 hours of making contact; or
2. have made a reasonable attempt to contact Blue Shield of California prior to receiving emergency services, or it is reasonable for you to access emergency services without prior contact with Blue Shield of California; or
3. reasonably believe that your condition makes it medically inappropriate to travel to the contract provider to receive emergency services.

Delta Dental
Benefits for emergency services not provided by the Contract Dentist are limited to a maximum of $100 per emergency, less any applicable copayment. If the maximum is exceeded, or the above conditions are not met, you are responsible for any charges for services by a provider other than your Contract Dentist.

You may use your out-of-area emergency benefit (limited to $100 per emergency, subject to standard plan limitations and exclusions; copayments may apply). The $100 per emergency, less any copayment if applicable, is regardless of whether the member is in the country or out of the country. If you are out of the country and an emergency occurs, seek treatment immediately. You can see any licensed dentist anywhere in the world for emergency dental services.

Pay the dentist for the services rendered at that time. Be sure to ask for a detailed billing statement that includes treatment provided, tooth number, date of service, the cost of the service and a receipt indicating that you paid the provider. If possible, have the billing statement translated into English. This helps us to process your claim in a timely manner. The currency is converted by Delta Dental.

Sección 1: Introducción

Este directorio brinda una lista de los proveedores de la red de Blue Shield of California. Para obtener información detallada sobre su cobertura de atención de la salud, consulte su Evidencia de Cobertura *(EOC, por sus siglas en inglés)*.

Delta Dental, una aseguradora dental contratada de Blue Shield of California, le brinda su cobertura dental. El plan dental en el que está inscrito es Delta Dental. Tiene que elegir uno de los proveedores de la red que esté en la red de Delta Dental para que sea su dentista contratado. Tiene que recibir su cobertura dental de su dentista contratado. Si necesita tratamiento de un especialista, su dentista contratado se ocupará de la referencia. Si tiene alguna pregunta, llame a Delta Dental al (866) 247-2486 (TTY: 711). El horario de atención es de 8:00 a. m. a 8:00 p. m., cualquier día de la semana, desde el 1 de octubre hasta el 31 de marzo, y de 8:00 a. m. a 8:00 p. m., de lunes a viernes, desde el 1 de abril hasta el 30 de septiembre.

Comuníquese con Atención al Cliente de Blue Shield of California llamando al (888) 802-4423 (TTY: 711), de 8:00 a. m. a 8:00 p. m., cualquier día de la semana.

Los proveedores de la red que se incluyen en este directorio han acordado brindarle servicios dentales. Usted puede ir a cualquier proveedor de nuestra red que esté incluido en este directorio; pero es posible que necesite una referencia para obtener algunos servicios.

Se necesita autorización previa de Blue Shield of California para los servicios que incluyen atención dental de rutina que no son brindados por un proveedor de la red y que no están cubiertos por la atención de emergencia.

Delta Dental cubre solamente las emergencias dentales fuera de la red, hasta $100 de gastos dentales por emergencia.

¿Cómo recibir servicios cubiertos cuando tiene una emergencia?

Si necesita servicios de emergencia, tiene que comunicarse con su proveedor contratado siempre que sea posible. Los beneficios para servicios de emergencia brindados por un proveedor que no sea su proveedor contratado asignado están limitados al alivio de los síntomas cuando usted:

1. haya intentado de manera razonable comunicarse con el proveedor contratado y ese proveedor no está disponible o no puede atenderlo dentro de las 24 horas de haberse comunicado;
2. haya intentado de manera razonable comunicarse con Blue Shield of California antes de recibir servicios de emergencia, o cuando crea que es razonable recibir servicios de emergencia sin comunicarse antes con Blue Shield of California; o
3. crea de manera razonable que su problema hace que sea médicamente inadecuado viajar hasta el consultorio del proveedor contratado para recibir servicios de emergencia.

Delta Dental

Los beneficios para servicios de emergencia que no sean brindados por el dentista contratado están limitados a un máximo de $100 por emergencia, menos cualquier copago que corresponda. Si se supera esa cantidad máxima o no se cumple con las condiciones mencionadas arriba, usted es responsable de cualquier cargo por los servicios brindados por un proveedor que no sea su dentista contratado.

Puede usar su beneficio para emergencias fuera del área de servicio (limitado a $100 por emergencia, sujeto a limitaciones y exclusiones del plan estándar; es posible que se apliquen copagos). La cantidad de $100 por emergencia, menos cualquier copago que corresponda, es independiente de si el miembro está dentro o fuera del país. Si no está en el país y tiene una emergencia, busque tratamiento de inmediato. Puede ir a cualquier dentista autorizado en cualquier parte del mundo para recibir servicios dentales de emergencia.

Páguele al dentista los servicios que le haya brindado en ese momento. No se olvide de pedir una factura detallada que incluya el tratamiento brindado, el número de diente, la fecha de servicio, el costo del servicio y un recibo que indique que le pagó al proveedor. Si es posible, haga traducir la factura al inglés. Eso nos ayuda a procesar su reclamación puntualmente. Delta Dental convierte la moneda.

Section 1 – Introduction

This directory provides a list of Blue Shield of California's network providers. To get detailed information about your health care coverage, please see your Evidence of Coverage.

Your dental coverage is provided by Delta Dental, a contracted dental carrier for Blue Shield of California. The dental plan you are enrolled in is Delta Dental. You have to choose one of the network providers in the Delta Dental network to be your Contract Dentist. You must get your dental coverage from your Contract Dentist. If you require treatment from a specialist, your Contract Dentist will handle the referral for you. Please contact Delta Dental if you have any questions at (866) 247-2486 (TTY: 711). Hours of operations, 8 a.m. to 8 p.m., seven days a week, from October 1 through March 31, and 8 a.m. to 8 p.m., weekdays from April 1 through September 30.

Contact Blue Shield of California Customer Care at (888) 802-4423 (TTY: 711) 8 a.m. to 8 p.m., seven days a week. TTY users should call 711.

The network providers listed in this directory have agreed to provide you with dental services. You may go to any of our network providers listed in this directory; however, some services may require a referral.

Services that include routine dental that are not performed by an in-network provider and are not covered under emergency care must be pre-authorized by Blue Shield of California.

Delta Dental covers you for out-of-network dental emergencies only, up to $100 of dental expenses per emergency.

How to get covered services when you have an emergency?

If emergency services are needed, you should contact your Contract provider whenever possible. Benefits for emergency services by providers other than your assigned Contract provider are limited to palliative relief when you:

1. have made a reasonable attempt to contact the Contract provider and the Contract provider is unavailable or you cannot be seen within 24 hours of making contact; or
2. have made a reasonable attempt to contact Blue Shield of California prior to receiving emergency services, or it is reasonable for you to access emergency services without prior contact with Blue Shield of California; or
3. reasonably believe that your condition makes it medically inappropriate to travel to the contract provider to receive emergency services.

Delta Dental
Benefits for emergency services not provided by the Contract Dentist are limited to a maximum of $100 per emergency, less any applicable copayment. If the maximum is exceeded, or the above conditions are not met, you are responsible for any charges for services by a provider other than your Contract Dentist.

You may use your out-of-area emergency benefit (limited to $100 per emergency, subject to standard plan limitations and exclusions; copayments may apply). The $100 per emergency, less any copayment if applicable, is regardless of whether the member is in the country or out of the country. If you are out of the country and an emergency occurs, seek treatment immediately. You can see any licensed dentist anywhere in the world for emergency dental services.

Pay the dentist for the services rendered at that time. Be sure to ask for a detailed billing statement that includes treatment provided, tooth number, date of service, the cost of the service and a receipt indicating that you paid the provider. If possible, have the billing statement translated into English. This helps us to process your claim in a timely manner. The currency is converted by Delta Dental.

Sección 1: Introducción

Este directorio brinda una lista de los proveedores de la red de Blue Shield of California. Para obtener información detallada sobre su cobertura de atención de la salud, consulte su Evidencia de Cobertura *(EOC, por sus siglas en inglés)*.

Delta Dental, una aseguradora dental contratada de Blue Shield of California, le brinda su cobertura dental. El plan dental en el que está inscrito es Delta Dental. Tiene que elegir uno de los proveedores de la red que esté en la red de Delta Dental para que sea su dentista contratado. Tiene que recibir su cobertura dental de su dentista contratado. Si necesita tratamiento de un especialista, su dentista contratado se ocupará de la referencia. Si tiene alguna pregunta, llame a Delta Dental al (866) 247-2486 (TTY: 711). El horario de atención es de 8:00 a. m. a 8:00 p. m., cualquier día de la semana, desde el 1 de octubre hasta el 31 de marzo, y de 8:00 a. m. a 8:00 p. m., de lunes a viernes, desde el 1 de abril hasta el 30 de septiembre.

Comuníquese con Atención al Cliente de Blue Shield of California llamando al (888) 802-4423 (TTY: 711), de 8:00 a. m. a 8:00 p. m., cualquier día de la semana.

Los proveedores de la red que se incluyen en este directorio han acordado brindarle servicios dentales. Usted puede ir a cualquier proveedor de nuestra red que esté incluido en este directorio; pero es posible que necesite una referencia para obtener algunos servicios.

Se necesita autorización previa de Blue Shield of California para los servicios que incluyen atención dental de rutina que no son brindados por un proveedor de la red y que no están cubiertos por la atención de emergencia.

Delta Dental cubre solamente las emergencias dentales fuera de la red, hasta $100 de gastos dentales por emergencia.

¿Cómo recibir servicios cubiertos cuando tiene una emergencia?

Si necesita servicios de emergencia, tiene que comunicarse con su proveedor contratado siempre que sea posible. Los beneficios para servicios de emergencia brindados por un proveedor que no sea su proveedor contratado asignado están limitados al alivio de los síntomas cuando usted:

1. haya intentado de manera razonable comunicarse con el proveedor contratado y ese proveedor no está disponible o no puede atenderlo dentro de las 24 horas de haberse comunicado;
2. haya intentado de manera razonable comunicarse con Blue Shield of California antes de recibir servicios de emergencia, o cuando crea que es razonable recibir servicios de emergencia sin comunicarse antes con Blue Shield of California; o
3. crea de manera razonable que su problema hace que sea médicamente inadecuado viajar hasta el consultorio del proveedor contratado para recibir servicios de emergencia.

Delta Dental

Los beneficios para servicios de emergencia que no sean brindados por el dentista contratado están limitados a un máximo de $100 por emergencia, menos cualquier copago que corresponda. Si se supera esa cantidad máxima o no se cumple con las condiciones mencionadas arriba, usted es responsable de cualquier cargo por los servicios brindados por un proveedor que no sea su dentista contratado.

Puede usar su beneficio para emergencias fuera del área de servicio (limitado a $100 por emergencia, sujeto a limitaciones y exclusiones del plan estándar; es posible que se apliquen copagos). La cantidad de $100 por emergencia, menos cualquier copago que corresponda, es independiente de si el miembro está dentro o fuera del país. Si no está en el país y tiene una emergencia, busque tratamiento de inmediato. Puede ir a cualquier dentista autorizado en cualquier parte del mundo para recibir servicios dentales de emergencia.

Páguele al dentista los servicios que le haya brindado en ese momento. No se olvide de pedir una factura detallada que incluya el tratamiento brindado, el número de diente, la fecha de servicio, el costo del servicio y un recibo que indique que le pagó al proveedor. Si es posible, haga traducir la factura al inglés. Eso nos ayuda a procesar su reclamación puntualmente. Delta Dental convierte la moneda.
