I: CONDITIONS OF COVERAGE AND PAYMENT OF DUES

A. ENROLLMENT

1. ENROLLMENT OF A SUBSCRIBER —

An eligible Applicant becomes a Subscriber under this Agreement upon notification by Blue Shield that his or her properly completed application for enrollment has been approved by Blue Shield.

2. ENROLLMENT OF A SUBSCRIBER AND SUBSCRIBER’S SPOUSE/DOMESTIC PARTNER IN A TWO-PARTY AGREEMENT

An individual and his or her spouse or Domestic Partner who meets the definition of Dependent as defined in this section, may apply for coverage together under a two-party Agreement (Subscriber and Dependent). Each Applicant must be individually eligible to apply for a Medicare Supplement Plan in order to be approved for coverage, and must be 65 years of age or older.

If accepted for coverage under a two-party Agreement, the older Applicant will be designated as the Subscriber and the second Applicant will be designated as the Dependent. A two-party Agreement is issued by and between Blue Shield and the Subscriber; however, the Dependent is entitled to the benefits and provisions of this Agreement. The term, “Subscriber,” shall be read to include the term, “Dependent,” throughout this Agreement, except as follows: the preamble, Sections I.B, I.C, III., VI.A, and VI.F.

a. Two-Party Rate (Dues)

The two-party rate (dues) will be based on the age of the Subscriber, as of the effective date of the two-party Agreement.

b. Termination of a Two-Party Agreement

In addition to Section I.B., a two-party Agreement will terminate upon any of the following events:

- ◆ The enrolled spouse or Domestic Partner no longer meets the definition of Dependent.
- ◆ The Dependent terminates coverage under this Medicare Supplement Plan. In such instance, the Subscriber may continue coverage under this Medicare Supplement Plan under a single Agreement.
- ◆ The Subscriber terminates coverage under this Medicare Supplement plan. In such instance, the Dependent spouse or Domestic Partner may transfer this Medicare Supplement plan coverage to a Subscriber only Agreement.

c. Definitions Applicable to a Two-Party Agreement

- 1) **Dependent** - A Subscriber’s legally married spouse (who is not legally separated from the Subscriber) or Domestic Partner who has been enrolled by Blue Shield in a two-party Agreement and has maintained coverage in accordance with this Agreement.
- 2) **Domestic Partner** - An individual who is personally related to the Subscriber by a domestic partnership that meets the following requirements:
 - a) Both partners are 65 years of age or older and of the same or different sex;
 - b) The partners share an intimate and committed relationship of mutual caring and the same principal residence;
 - c) The partners are not currently married and not so closely related by blood that legal marriage or registered domestic partnership would otherwise be prohibited;

- d) Both partners were mentally competent to consent to a contract when their domestic partnership began.

2. EFFECTIVE DATE OF BENEFITS — A Subscriber is entitled to the benefits of this Agreement upon the effective date of coverage. The effective date will be assigned by Blue Shield and is the later of the following dates: 1) on the first day of the month following the date a properly completed application is received, and if underwriting is required when approved, by Blue Shield or 2) on the date established by Blue Shield if confirmation of a disenrollment from a Medicare Advantage plan or other health plan or policy is required before coverage can begin under this Agreement.

3. NO OTHER COVERAGE — A Subscriber is only entitled to the benefits of this Agreement, regardless of coverage under any prior Blue Shield plan. No Subscriber under this Agreement shall simultaneously hold coverage under any other Blue Shield plan.

B. TERMINATION/CANCELLATION, REINSTATEMENT, AND SUSPENSION OF THE AGREEMENT

No Subscriber shall be terminated individually by Blue Shield for any cause other than as provided in this section I.B.

This Agreement may be terminated, cancelled, or rescinded as follows:

1. Termination by the Subscriber

A Subscriber desiring to terminate this Agreement shall give Blue Shield 30-days written notice.

2. Rescission by Blue Shield

By signing the enrollment application, you represented that all responses contained in your application for coverage were true, complete and accurate, to the best of your

knowledge, and you were advised regarding the consequences of intentionally submitting materially false or incomplete information to Blue Shield in your application for coverage, which included rescission of this Agreement.

For underwritten plans (not guaranteed acceptance) - To determine whether or not you would be offered enrollment through this Agreement, Blue Shield reviewed your medical history based upon the information you provided in your enrollment application, including the health history portion of your enrollment application and any supplemental information that Blue Shield determined was necessary to evaluate your medical history and status. This process is called underwriting.

Blue Shield has the right to rescind this Agreement if the information contained in the application or otherwise provided to Blue Shield by you or anyone acting on your behalf in connection with the application was intentionally and materially inaccurate or incomplete. This Agreement also may be rescinded if you or anyone acting on your behalf failed to disclose to Blue Shield any new or changed facts arising after the application was submitted but before this Agreement was issued, when those facts pertained to matters inquired about in the application. However, after 24 months following the issuance of the Agreement, Blue Shield of California will not rescind the Agreement for any reason.

If after enrollment, Blue Shield investigates your application information, we will not rescind this Agreement without first notifying you of the investigation and offering you an opportunity to respond.

If this Agreement is rescinded, it means that the Agreement is voided retroactive to its inception as if it never existed. This means that you will lose coverage back to the original Effective Date. If the Agreement is properly rescinded, Blue Shield will refund any dues payments you made, but, to the extent permitted by applicable law, may reduce that refund by the amount of any medical expenses that

Blue Shield paid under the Agreement or is otherwise obligated to pay. In addition, Blue Shield may, to the extent permitted by California law, be entitled to recoup from you all amounts paid by Blue Shield under the Agreement.

If this Agreement is rescinded, Blue Shield will provide a 30 day advance written notice that will: (a) explain the basis of the decision and your appeal rights, including your right to request assistance from the California Department of Managed Health Care; (b) clarify that, in the case of a two-party agreement, the Subscriber or Dependent whose application information was not false or incomplete is entitled to new coverage without medical underwriting and will explain how that individual may obtain this coverage; and (c) explain that the monthly Dues for that individual will be determined based on that individual's age.

3. Termination by Blue Shield if Subscriber No Longer Enrolled in Medicare

This Agreement shall terminate on the date the Subscriber is no longer enrolled under Parts A and B or Medicare. Blue Shield shall refund the prepaid dues, if any, that Blue Shield determines will not have been earned as of the termination date. Blue Shield reserves the right to subtract from any such dues refund any amounts paid by Blue Shield for benefits paid or payable by Blue Shield prior to the termination date.

4. Cancellation of the Agreement for Non-payment of Dues

Blue Shield may cancel this Agreement for failure to pay the required Dues. If the Agreement is being cancelled because you failed to pay the required Dues when owed, then coverage will end 30 days after the date for which the Dues are due. You will be liable for all Dues accrued while this Agreement continues in force including those accrued during this 30 day grace period.

Within five (5) business days of canceling or not renewing the Agreement, Blue Shield will mail you a Notice Confirming Termination of Coverage, which will inform you of the following:

- a. That the Agreement has been cancelled, and the reasons for cancellation;
- b. The specific date and time when coverage for you ended.

5. Reinstatement of the Agreement after Cancellation

If the Agreement is cancelled for nonpayment of dues, Blue Shield will permit reinstatement of the Agreement or coverage twice during any twelve-month period, without a change in dues and without consideration of your medical condition, if the amounts owed are paid within 15 days of the date the Notice of Confirming Termination of Coverage is mailed to you. If your request for reinstatement and payment of all outstanding amounts is not received within the required 15 days, or if the Agreement is cancelled for nonpayment of dues more than twice during the preceding twelve-month period, then Blue Shield is not required to reinstate your coverage, and you will need to reapply for coverage.

6. Extension of Coverage for Total Disability

If the Subscriber is Totally Disabled at the time this coverage terminates under this Agreement, Blue Shield shall extend the benefits of the Agreement for covered Services provided in connection with the treatment of the Sickness or Accidental Injury responsible for such Total Disability until the first to occur of the following:

- a. the end of the period of Total Disability;
- b. the date on which the Subscriber's applicable maximum benefits are reached; or
- c. a period equivalent in duration to the contract benefit period of three (3) months subject to the following:

- (i) written proof of Total Disability is received by Blue Shield within ninety (90) days of the date on which coverage was terminated; and
- (ii) only a person licensed to practice medicine and surgery as a Doctor of Medicine (M.D.) or a Doctor of Osteopathic Medicine (D.O.) may certify Total Disability.

If the Subscriber obtains any other Medicare supplement plan or other health plan coverage without limitation as to the Totally Disabled condition during the period he is receiving benefits under this extension of benefits provision, the benefits of the Agreement will terminate when benefits are payable under such other plan.

7. Suspension of Coverage

a) Entitlement to Medi-Cal

If a Subscriber becomes entitled to Medi-Cal, the benefits of this Agreement will be suspended for up to 24 months. The Subscriber must make a request for suspension of coverage within 90 days of Medi-Cal entitlement. Blue Shield shall return to the Subscriber the amount of prepaid dues for the period after the date of suspension, if any, minus any monies paid by Blue Shield for claims during that period. If the Subscriber loses entitlement to Medi-Cal, the benefits of this Agreement will be automatically reinstated as of the date of the loss of entitlement, provided the Subscriber gives notice to Blue Shield within 90 days of that date and pays any dues amount attributable to the retroactive period.

b) Total Disability While Covered Under Group Health Plan

Blue Shield shall suspend the benefits and dues of this Agreement for a Subscriber when that Subscriber:

- i) is Totally Disabled as defined herein and entitled to Medicare Benefits by reason of that disability;
- ii) is covered under a group health plan as defined in section 42 U.S.C. 1395y(b)(1)(A)(v); and
- iii) submits a request to Blue Shield for such suspension.

After all of the above criteria have been satisfied, benefits and dues of this Agreement for the Subscriber will be suspended for any period that may be provided by federal law.

For Subscribers who have suspended their benefits under this Agreement as specified above, and who subsequently lose coverage under their group health plan, the benefits and dues of this Agreement will be reinstated only when:

- i) the Subscriber notifies Blue Shield within 90 days of the date of the loss of group coverage; and
- ii) the Subscriber pays any dues attributable to the retroactive period, effective as of the date of loss of group coverage.

The effective date of the reinstatement will be the date of the loss of group coverage. Blue Shield shall:

- i) provide coverage substantially equivalent to coverage in effect before the date of suspension;
- ii) provide dues classification terms no less favorable than those which would have been applied had coverage not been suspended; and
- iii) not impose any waiting period with respect to treatment of preexisting conditions.

C. PAYMENT OF DUES

Benefits designed to cover cost-sharing amounts under Medicare will be changed automatically to coincide with any changes in the applicable Medicare-determined Deductible and coinsurance amounts. Dues may be modified to correspond with such changes.

Any Services, including room and board, provided to the Subscriber by any federal or state governmental agency, or by any municipality, county, or other political subdivision, except that benefits provided under Chapters 7 and 8 of Part 3, Division 9 of the California Welfare and Institution Code (commonly known as Medi-Cal) or Subchapter 19 (commencing with Section 1396) of Chapter 7 of Title 42 of the United States Code are not subject to this paragraph.
3. Benefits to which the Subscriber is entitled under any workers' compensation or employers' liability law, provided however that Blue Shield's rights under this paragraph will be limited to the establishment of a lien upon such other benefits up to the amount paid by Blue Shield for the treatment of the Sickness or Accidental Injury which was the basis of the Subscriber's claim for benefits under such workers' compensation or employers' liability law.
4. Benefits provided to the Subscriber for Services under any group insurance contract or health service plan agreement through any employer, labor union, corporation, or association, or under any individual policy or health service plan agreement.

C. MEDICAL NECESSITY

Unless otherwise stated in this Agreement, the benefits of this Agreement are provided only for Services which are medically necessary.

1. Services which are medically necessary include only those which have been established

as safe and effective, are furnished in accordance with generally accepted professional standards to treat Sickness, Accidental Injury, or medical condition, and which, as determined by Blue Shield, are:

- a) consistent with Blue Shield medical policy; and
 - b) consistent with the symptoms or diagnosis; and
 - c) not furnished primarily for the convenience of the patient, the attending Physician, or other provider; and
 - d) furnished at the most appropriate level which can be provided safely and effectively to the patient.
2. Hospital Inpatient Services which are medically necessary include only those Services which satisfy the above requirements, require the acute bed-patient (overnight) setting, and could not have been provided in a Physician's office, the Outpatient department of a Hospital, or another lesser facility without adversely affecting the patient's condition or the quality of medical care rendered. Inpatient Services which are not medically necessary include hospitalization:
 - a) for diagnostic studies that could have been provided on an Outpatient basis;
 - b) for medical observation or evaluation;
 - c) for personal comfort.
 3. Blue Shield reserves the right, at its option, to waive this provision.

D. CLAIMS REVIEW

Blue Shield reserves the right to review all claims to determine whether any exclusions or limitations apply.

E. UTILIZATION REVIEW

NOTE: The Utilization Review process does not apply to Services that are not covered by Blue Shield because of a coverage determination made by Medicare.

State law requires that health plans disclose to Subscribers and health plan providers the process used to authorize or deny health care services under the plan. Blue Shield has completed documentation of this process ("Utilization Review"), as required under Section 1363.5 of the California Health and Safety Code. To request a copy of the document describing this Utilization Review process, call the Customer Service Department at the telephone number indicated on your Identification Card.

VI: GENERAL PROVISIONS

A. IDENTIFICATION CARDS

An Identification (ID) Card will be issued by Blue Shield to the Subscriber for presentation to Physicians and to Hospitals in order that they may bill Blue Shield directly.

B. GRIEVANCE PROCESS

Blue Shield of California has established a grievance procedure for receiving, resolving, and tracking Subscribers' grievances with Blue Shield.

CUSTOMER SERVICE

A Subscriber who has a question about services, providers, benefits, how to use this plan, or concerns regarding the quality of care or access to care that he has experienced, may call Blue Shield's Customer Service Department at the telephone number indicated on your Identification Card.

The hearing impaired may contact Blue Shield's Customer Service Department through Blue Shield's toll-free TTY number, 1-800-241-1823.

Customer Service can answer many questions over the telephone.

Note: Blue Shield has established a procedure for our Subscribers to request an expedited decision.

The Subscriber, physician, or representative of the Subscriber may request an expedited decision when the routine decision making process might seriously jeopardize the life or health of a Subscriber, or when the Subscriber is experiencing severe pain. Blue Shield shall make a decision and notify the Subscriber and physician within 72 hours following the receipt of the request. An expedited decision may involve admissions, continued stay, or other healthcare Services. If you would like additional information regarding the expedited decision process, or if you believe your particular situation qualifies for an expedited decision, please contact our Customer Service Department.

Blue Shield may refer inquiries or grievances to a local medical society, hospital utilization review committee, peer review committee of the California Medical Association or a medical specialty society, or other appropriate peer review committee for an opinion to assist in the resolution of these matters.

The Subscriber, a designated representative, or a provider on behalf of the Subscriber, may contact the Customer Service Department by telephone, letter, or online to request a review of an initial determination concerning a claim or Service. Subscribers may contact Blue Shield at the telephone number noted in this Agreement. If the telephone inquiry to Customer Service does not resolve the question or issue to the Subscriber's satisfaction, the Subscriber may request a grievance at that time, which the Customer Service Representative will initiate on the Subscriber's behalf.

The Subscriber, a designated representative, or a provider on behalf of the Subscriber, may also initiate a grievance by submitting a letter or a completed "Grievance Form". The Subscriber may request this Form from Customer Service. The completed form should be submitted to Customer

Service Appeals and Grievance, P. O. Box 5588, El Dorado Hills, CA 95762-0011. The Subscriber may also submit the grievance online by visiting our web site at <http://www.blueshieldca.com>.

Blue Shield will acknowledge receipt of a grievance within five (5) calendar days. The grievance system allows Subscribers to file grievances for at least 180 days following any incident or action that is the subject of the Subscriber's dissatisfaction. Grievances are normally resolved within 30 days. See the previous Customer Service section for information on the expedited decision process.

EXTERNAL INDEPENDENT MEDICAL REVIEW

NOTE: The following Independent Medical Review process does not apply to Services that are not covered by Blue Shield because of a coverage determination made by Medicare.

If your grievance involves a claim or services for which coverage was denied by Blue Shield in whole or in part on the grounds that the service is not medically necessary or is experimental/investigational (including the external review available under the Friedman-Kowles Experimental Treatment Act of 1996), you may choose to make a request to the Department of Managed Health Care to have the matter submitted to an independent agency for external review in accordance with California law. You normally must first submit a grievance to Blue Shield and wait for at least 30 days before you request external review; however, if your matter would qualify for an expedited decision as described above or involves a determination that the requested service is experimental/investigational, you may immediately request an external review following receipt of notice of denial. You may initiate this review by completing an application for external review, a copy of which can be obtained by contacting Customer Service. The Department of Managed Health Care will review the application and, if the request qualifies for external review, will select an external review agency and have your records submitted to a qualified specialist for an independent determination of whether the care is medically necessary. You may choose to sub-

mit additional records to the external review agency for review. There is no cost to you for this external review. You and your physician will receive copies of the opinions of the external review agency. The decision of the external review agency is binding on Blue Shield; if the external reviewer determines that the service is medically necessary, Blue Shield will promptly arrange for the service to be provided or the claim in dispute to be paid. This external review process is in addition to any other procedures or remedies available to you and is completely voluntary on your part; you are not obligated to request external review. However, failure to participate in external review may cause you to give up any statutory right to pursue legal action against Blue Shield regarding the disputed service. For more information regarding the external review process, or to request an application form, please contact Customer Service.

C. DEPARTMENT OF MANAGED HEALTH CARE REVIEW

The California Department of Managed Health Care is responsible for regulating health care service plans. If you have a grievance against your health plan, you should first telephone your health plan at the telephone number indicated on your Identification Card and use your health plan's grievance process before contacting the Department. Utilizing this grievance procedure does not prohibit any potential legal rights or remedies that may be available to you. If you need help with a grievance involving an emergency, a grievance that has not been satisfactorily resolved by your health plan, or a grievance that has remained unresolved for more than 30 days, you may call the Department for assistance. You may also be eligible for an Independent Medical Review (IMR). If you are eligible for IMR, the IMR process will provide an impartial review of medical decisions made by a health plan related to the medical necessity of a proposed service or treatment, coverage decisions for treatments that are experimental or investigational in nature, and payment disputes for emergency or urgent medical services. The Department also has a toll-free telephone number (1-888-HMO-2219) and a TDD line (1-877-688-9891) for the hearing and speech impaired. The

Department's Internet Web site (<http://www.hmoHELP.ca.gov>) has complaint forms, IMR application forms, and instructions online.

In the event that Blue Shield should cancel or refuse to renew your enrollment and you feel that such action was due to reasons of health or utilization of benefits, you may request a review by the Department of Managed Health Care Director.

D. REDUCTIONS – THIRD PARTY LIABILITY

If the Subscriber is injured or becomes ill due to the act or omission of another person (a "third party"), Blue Shield shall, with respect to Services required as a result of that injury, provide the benefits of this Agreement and have an equitable right to restitution, reimbursement or other available remedy to recover the amounts Blue Shield paid for Services provided to the Subscriber on a fee-for-service basis from any recovery (defined below) obtained by or on behalf of the Member, from or on behalf of the third party responsible for the injury or illness or from uninsured/underinsured motorist coverage.

Blue Shield's right to restitution, reimbursement or other available remedy is against any recovery the Member receives as a result of the injury or illness, including any amount awarded to or received by way of court judgment, arbitration award, settlement or any other judgment, from any third party or third party insurer, or from uninsured or underinsured motorist coverage, related to the illness or injury (the "Recovery"), without regard to whether the Member has been "made whole" by the Recovery. Blue Shield's right to restitution, reimbursement or other available remedy is with respect to that portion of the total Recovery that is due Blue Shield for the Benefits it paid in connection with such injury or illness, calculated in accordance with California Civil Code section 3040.

The Subscriber is required to:

1. Notify Blue Shield in writing of any actual or potential claim or legal action which such

Subscriber expects to bring or has brought against the third party arising from the alleged acts or omissions causing the injury or illness, not later than 30 days after submitting or filing a claim or legal action against the third party; and,

2. Agree to fully cooperate with Blue Shield to execute any forms or documents needed to enable Blue Shield to enforce its right to restitution, reimbursement or other available remedies; and,
3. Agree in writing to reimburse Blue Shield for Benefits paid by Blue Shield from any Recovery when the Recovery is obtained from or on behalf of the third party or the insurer of the third party, or from uninsured or underinsured motorist coverage; and,
4. Provide Blue Shield with a lien, in the amount of Benefits actually paid. The lien may be filed with the third party, the third party's agent or attorney, or the court, unless otherwise prohibited by law; and,
5. Periodically respond to information requests regarding the claim against the third party, and notify Blue Shield, in writing, within ten (10) days after any Recovery has been obtained.

A Subscriber's failure to comply with 1 through 5, above, shall not in any way act as a waiver, release, or relinquishment of the rights of Blue Shield.

E. INDEPENDENT CONTRACTORS

Providers are neither agents nor employees of the plan but are independent contractors. In no instance shall Blue Shield be liable for the negligence, wrongful acts, or omissions of any person receiving or providing services, including any physician, hospital, or other provider or their employees.

F. ENDORSEMENTS

Endorsements may be issued from time to time subject to the notice provisions of the section enti-

tled Duration of the Agreement, Renewals, and Rate Changes (on the front page). Nothing contained in any endorsement shall affect this Agreement, except as expressly provided in the endorsement.

G. NOTIFICATIONS

Any notices required by this Agreement may be delivered by United States mail, postage prepaid. Notices to the Subscriber may be mailed to the address appearing on the records of Blue Shield. Notice to Blue Shield may be mailed to Blue Shield of California, P.O. Box 272540, Chico, California, 95927-2540.

Wherever this Agreement provides for a date of commencement or termination of any part or all of the coverage herein, such commencement or termination shall be effective as of 12:01 a.m., Pacific Time of the commencement date and as of 11:59 p.m. Pacific Time of the termination date.

I. STATUTORY REQUIREMENTS

This Agreement is subject to the requirements of Chapter 2.2 of Division 2 of the California Health and Safety Code and Title 28 of the California Code of Regulations. Any provision required to be in this Agreement by reason of such laws shall be binding upon Blue Shield whether or not such provision is actually included in this Agreement. In addition, this Agreement is subject to applicable state and federal statutes and regulations. Any provision required to be in this Agreement by reason of such state and federal statutes shall bind the Subscriber and Blue Shield whether or not such provision is actually included in this Agreement.

J. LEGAL PROCESS

K. ENTIRE AGREEMENT: CHANGES

This Agreement, including the appendices and any endorsements, is the entire agreement between parties. Any statement made by a Subscriber shall, in the absence of fraud, be deemed a representation and not a warranty. No change in this Agreement shall be valid unless approved by an executive officer of Blue Shield and unless a written endorsement is issued. No representative has the authority to change this Agreement or to waive any of its provisions.

L. GRACE PERIOD

After payment of the first Dues, the Subscriber is entitled to a grace period of 30 days for the payment of any Dues due. During this grace period, the Agreement will remain in force. However, the Subscriber will be liable for payment of Dues accruing during the period the Agreement continues in force.

M. PLAN INTERPRETATION

Blue Shield shall have the power and discretionary authority to construe and interpret the provisions of this Agreement, to determine the benefits of this Agreement, and to determine eligibility to receive benefits under this Agreement. Blue Shield shall exercise this authority for the benefit of all Subscribers entitled to receive benefits under this Agreement.

N. NOTICE

The Subscriber hereby expressly acknowledges its understanding that this Agreement constitutes a contract solely between the Subscriber and Blue Shield of California (hereafter referred to as "Blue Shield"), which is an independent corporation operating under a license from the Blue Cross and Blue Shield Association ("Association"), an Association of independent Blue Cross and Blue Shield plans, permitting Blue Shield to use the Blue Shield Service Mark in the State of California and that Blue Shield is not contracting as the agent of the Association.

The Subscriber further acknowledges and agrees that it has not entered into this Agreement based upon representations by any person other than Blue Shield and that neither the Association nor any person, entity, or organization affiliated with the Association, shall be held accountable or liable to the Subscriber for any of Blue Shield's obligations to the Subscriber created under this Agreement. This paragraph shall not create any additional obligations whatsoever on the part of Blue Shield, other than those obligations created under other provisions of this Agreement.
