## Section 1 – Introduction

This directory provides a list of Blue Shield 65 Plus, Blue Shield 65 Plus Choice Plan, Blue Shield Trio Medicare, Blue Shield Inspire, Blue Shield Vital and Blue Shield Medicare network providers. To get detailed information about your health care coverage, please see your Evidence of Coverage (EOC).

The network providers listed in this directory have agreed to provide you with your vision services. You may go to any of our network providers listed in this directory. Other providers are available in our network.

If you choose a network provider, you don't need prior authorization (approval in advance) from your Primary Care Physician. Contact the provider directly and present your plan ID card at the time of service.

You may see non-network providers for covered services —this includes providers outside of the plan service area. Seeing a non-network provider outside the plan service area may cost you more. See your Evidence of Coverage (EOC) for more details on the costs. If you choose a non-network provider, you or your provider will need to complete and submit a reimbursement form, which you can request by calling our Member Services department.

Your vision care is administered by a contracted vision plan administrator, and your services are provided by eyecare professionals in the provider network.
