# Blue Shield of California network guide for small business

## Use this guide to understand and compare our provider networks.

When it comes to finding the right plan for your employees, you need to make sure that the plan you choose provides your employees with comprehensive care in a convenient location. That's why it is important to understand Blue Shield's various provider networks.

## Our HMO networks

### Blue Shield of California currently has three HMO networks for small group plans

The HMO plans offer a choice of size of provider network so that you can pick the option that suits your company best:

- Access+ HMO® is Blue Shield's largest HMO network.
- Local Access+ HMO is a subset network of Blue Shield's Access+ HMO Network.
- Trio ACO HMO (accountable care organization, most narrow network) is available in 24 counties and gives members access to a subset of Independent Practice Associations (IPAs), medical groups and affiliated physicians from our Access+ HMO network.

### Access+ and Local Access+ HMO plan networks

Our Access+ HMO plan offers groups the largest HMO network in our portfolio. Local Access+ HMO plans offer all the same benefits of our Access+ HMO plans within a select (smaller) network, at a lower rate.

Depending on where your business is located, the Local Access+ HMO may have lower rates than comparable Access+ HMO plans.

### Trio ACO HMO Network

An ACO is a network of doctors and hospitals that work directly with payers to share responsibility for providing coordinated care to patients, working together to limit unnecessary spending.

The Trio HMO options often are more affordable than the Local Access+ HMO plan options. With coverage in 24 counties, the Trio HMO plans currently offered in Blue Shield's Off Exchange Package offer a more integrated and coordinated care model at a lower rate than our other HMO plans. For a comparison of the Access+, Local Access+ and Trio HMO networks, see pages 5 to 13.

---

**Small business customers may now offer both Access+ HMO plans and Trio HMO plans!**

---

# Blue Shield's plan packages

Small businesses may choose to purchase their health plans from one of Blue Shield's plan packages. Small businesses may also purchase Blue Shield health plans from Covered California for Small Business.

The network providers available to small business customers differ based on where you and your employees live, the type of plan purchased and the plan package you choose.

## Understanding Blue Shield's HMO plan packages

---

### Blue Shield of California Off Exchange HMO Package for Small Business:

---

The Blue Shield of California Off Exchange Package for Small Business has 37 plans, 18 of which are HMO plans. These HMO plans include six different plan designs, each available using the three network options: Access+ HMO, Local Access+ HMO and Trio ACO HMO.

- Platinum HMO 0/25 OffEx
- Platinum HMO 0/20 OffEx
- Platinum HMO 0/30 OffEx
- Gold HMO 500/35 OffEx
- Gold HMO 1700/35 OffEx
- Silver HMO 1750/55 OffEx

Employers may choose HMO plans from both the Access+ HMO and Trio ACO HMO networks to offer their employees. However, Local Access+ HMO plans cannot be offered alongside either Access+ HMO or Trio HMO plans.

Employees must reside or work within the network service area to select a plan on that network. Please refer to pages 14 to 16 of this guide for a listing of ZIP codes covered by each of the three networks.

### Blue Shield of California Mirror HMO Package for Small Business:

---

Plans in this package are those offered through Covered California for Small Business.\*

- Platinum 90 HMO 0/15 Network 1 Mirror
- Gold 80 HMO 0/30 Network 1 Mirror
- Silver 70 HMO 2000/45 Network 1 Mirror

To see all the health plans in both packages, visit [blueshieldca.com/employer](https://blueshieldca.com/employer).

\* The Blue Shield of California Mirror Package for Small Business has seven plans, three of which are HMO plans with a choice of the Trio ACO HMO Network.

# How do they work?

**Q. I'm interested in purchasing an HMO plan from Blue Shield's "Off Exchange" package. What are my network options?**

A. Based on the physical location of the employer's place of business, your group may be eligible to choose from three HMO network plans: The Access+ HMO, the Local Access+ HMO and the Trio HMO. If your business is located in the Local Access+ HMO service area, you have the option of choosing any of the Local Access+ HMO plans or any of the Access+ HMO plans; however, you may not purchase these plans side by side. Customers may choose both Trio HMO plans and Access+ HMO plans as long as the business is located in the Trio HMO network service area. See pages 5-13 to compare the Local Access+ HMO network with the Access+ HMO network medical groups and IPAs.

**Q. I'm interested in purchasing an HMO plan from Covered California for Small Business or Blue Shield's "Mirror" package. What are my network options?**

A. Small businesses in the Trio HMO plan service area purchase HMO plans with the Trio ACO HMO Network.
