The Trio ACO HMO Network

With Trio HMO, you can create your own community of care by choosing local doctors and hospitals within a medical group that can regularly communicate on your unique needs for all specialties and levels of care.

Trio HMO is powered by our accountable care organizations (ACOs), a network of doctors and hospitals that share responsibility for providing coordinated care to you and your family. This ensures all aspects of your care are more connected and efficient – keeping your premiums as low as possible in the process.

Like our other HMO plans, with Trio you have a primary care physician (PCP). Your PCP can coordinate your care, treat common illnesses and injuries, and provide a referral if you need to see a specialist. Trio HMO comes with many other convenient and affordable ways to access care such as NurseHelp 24/7SM, Teladoc, and coverage when you travel within the country and abroad through the BlueCard[®] Program.

You're not just a number

As a Trio member, you get personalized support with Shield Concierge, a CalPERS-dedicated team of health advocates, registered nurses, pharmacists, and social workers who can help you find a doctor, coordinate care, transfer prescriptions, understand plan benefits, and much more.

Call Shield Concierge at **(800) 334-5847**, seven days a week from 7 a.m. to 8 p.m.
