Section 1 - Introduction

This directory provides a list of Blue Shield 65 Plus (HMO) network providers.

To get detailed information about your health care coverage, please see your *Evidence of Coverage*.

You will have to choose one of our network providers listed in this directory to be your **Primary Care Physician (PCP)**. Generally, you must get your health care services from your PCP. When you choose your PCP, you are also choosing the hospital(s) and specialty network affiliated with the physician group.

The network providers listed in this directory have agreed to provide you with your health care and/or dental services. You may go to any of our network providers listed in this directory, however, some services may require a referral. Other providers are available in our network.

If you receive a bill from any non-network provider for covered services such as emergency or urgently needed services or out-of-area renal dialysis services, please do not pay it. Instead, please send it to us at the following address and we will pay the covered amount, minus any applicable copayment/coinsurance amount(s):

Blue Shield 65 Plus (HMO)
Medicare Member Services
P.O. Box 927

Woodland Hills, CA 91365

If you need care in an emergency, get medical help as quickly as possible. Call 911 for help or go to the nearest emergency room. You do not need to get permission first from your physician or other network provider.

A medical emergency is when you believe that you have medical symptoms that require immediate medical attention to prevent loss of life, loss of a limb, or loss of function of a limb. The medical symptoms may be an illness, injury, severe pain, or a medical condition that is quickly getting much worse.

Make sure that Blue Shield knows about your emergency because your physician will need to be involved in following up on your emergency care.

You or someone else should call to tell your physician about your emergency care as soon as possible, preferably within 48 hours. The number to call is located on your plan ID card.

If you need medical help immediately but your health is not in serious danger, the help you need is called "urgently needed services". If you are in your plan's service area please call your PCP or, if your physician's office is closed, go to any urgent care facility listed in this directory or affiliated with your physician group.

If you are outside the plan service area, first call your PCP whenever possible. If you are treated for a condition that meets the definition of urgently

needed services while you are outside the plan service area, we prefer that you return to the service area to get follow-up care through your PCP. However, we will cover follow-up care that you get from non-network providers outside the plan service area as long as the care you are getting still meets the definition of "urgently needed services."

You must use network providers except in emergency or urgent care situations or for out-of-area renal dialysis or other services. If you obtain routine care from out-of-network providers, neither Medicare nor Blue Shield will be responsible for the costs.

What is the service area for Blue Shield 65 Plus (HMO)?

The "county" or "counties" and parts of counties/zip codes in our service area are listed below.

San Diego County

How do you find Blue Shield 65 Plus (HMO) providers in your area?

You can go to blueshieldca.com/find-a-doctor and enter your zip code for a list of providers nearest your home.

If using this directory, select the physician group you're interested in, and then scan the providers to find the city or zip that is closest to your home.

Only those physician groups that have an affiliated hospital within the specified area indicated on the front cover of this directory are shown in this directory.

If you have questions about Blue Shield 65 Plus (HMO) or require assistance in selecting a PCP, please call our Member Service Department at (800) 776-4466, 8 a.m. to 8 p.m., seven days a week, from October 1 through March 31, and 8 a.m. to 8 p.m., weekdays (8 a.m. to 5 p.m., Saturday and Sunday), from April 1 through September 30. TTY users should call 711. You can also visit blueshieldca.com/medicare.

Section 2 – List of Network Providers

- Network PCPs, specialists, hospitals, clinics and urgent care centers are listed by physician group.
- The hospital or hospitals affiliated with the physician group are listed at the beginning of the physician group section in this directory.

Some hospitals participate in an independent quality program.

Hospitals identified with the symbol  participate in the **Leapfrog Group**, an independent California program that works to implement three key practices that have been shown to improve patient safety. Leapfrog hospitals 1) do computer checks on prescriptions to avoid drug interactions; 2) have a full-time physician specialist on staff in all intensive care units; and 3) perform high-risk surgical procedures, such as heart surgery, only when certain quality criteria are met.

- Urgent Care facilities affiliated with your physician group are listed under Urgent Care Centers. You may use these Urgent Care Facilities or any other Urgent Care facility in your plan service area if you need urgent medical care when your PCP's office is closed.
- Within the physician group listing, PCPs are listed alphabetically under one of the following categories:

Family Practice, General Practice, Internal Medicine, and OB/GYN.

- PCPs who are not accepting new patients are noted with an asterisk (*). You may choose a PCP in this category only if you are currently a patient of that physician or changing to a new physician group and that physician is also part of the new physician group.
- Affiliated specialists are listed by specialty and then by last name under each physician group.
- If you decide to enroll in the optional supplemental dental HMO plan, you can find a list of network dentists in this directory. For more information about choosing a network dentist, you can go to the beginning of that section in this directory. See the Table of Contents to find the page where this section begins. (Note: This plan is not available to members in San Luis Obispo and Santa Barbara counties.)
- Skilled nursing facilities are listed after the dentists. See the Table of Contents to find the page where this section begins.
- Plan pharmacies are not listed in this directory. You may request a list of these facilities by calling our Member Services department or by going to **blueshieldca.com/med_pharmacy**.

Sección 1: Introducción

Este directorio proporciona una lista de los proveedores de la red de Blue Shield 65 Plus (HMO).

Para obtener información detallada sobre su cobertura de atención de la salud, consulte su *Evidencia de cobertura*.

Tendrá que elegir a uno de nuestros proveedores de la red incluidos en este directorio para que sea su médico de atención primaria (PCP, por sus siglas en inglés). Se utilizará la sigla "PCP" en todo este directorio. Por lo general, debe recibir sus servicios de atención de la salud por medio de su PCP. Cuando elige a su PCP, también elige los hospitales y la red de especialistas afiliados al grupo médico.

Los "proveedores de la red" que se incluyen en este directorio han acordado brindarle servicios de atención de la salud o servicios dentales. Usted puede acudir a cualquier proveedor de la red que esté incluido en este directorio; no obstante, es posible que necesite una derivación para obtener algunos servicios. Si ha acudido con anterioridad a un determinado proveedor de la red, no es necesario que siga acudiendo a ese mismo proveedor. En algunos casos, puede recibir servicios cubiertos por parte de proveedores no pertenecientes a la red. En nuestra red se encuentran disponibles otros médicos y proveedores.

Si recibe una factura de cualquier proveedor no perteneciente a la red por servicios cubiertos, como servicios de emergencia o urgentemente necesarios o servicios de diálisis renal fuera del área, no la pague. Envíenos la factura a la siguiente dirección y nosotros pagaremos la cantidad cubierta, menos las cantidades de copago o coseguro que correspondan:

Blue Shield 65 Plus (HMO)
Medicare Member Services
P.O. Box 927
Woodland Hills, CA 91365

Si necesita atención en un caso de emergencia, obtenga asistencia médica lo más pronto posible. Llame al 911 para recibir ayuda o acuda a la sala de emergencias más cercana. No necesita obtener primero el permiso de su médico o de otro proveedor de la red.

Una emergencia médica se presenta cuando usted considera que tiene síntomas médicos que requieren atención médica inmediata para prevenir la muerte, la pérdida de una extremidad o la invalidez de una extremidad. Es posible que los síntomas médicos incluyan una enfermedad, una lesión, dolor intenso o una afección médica que empeora rápidamente.

Asegúrese de que se informe a Blue Shield acerca de su emergencia, ya que será necesario que su médico haga un seguimiento de su atención de emergencia.

Usted u otra persona deben

llamar a su médico para notificarle acerca de su atención de emergencia cuanto antes; en lo posible, en un plazo de 48 horas. El número al que debe llamar se encuentra en su tarjeta de identificación del plan.

Si necesita asistencia médica inmediata, pero su salud no está en grave peligro, dicha asistencia se denomina "servicios urgentemente necesarios". Si se encuentra en el área de servicio de su plan, llame a su PCP. Si el consultorio de su médico está cerrado, acuda a cualquier centro de atención urgente que esté incluido en este directorio o que esté afiliado a su grupo médico.

Si se encuentra fuera del área de servicio del plan, siempre que sea posible, llame primero a su PCP. Si sufre una afección que requiere servicios urgentemente necesarios y recibe tratamiento mientras está fuera del área de servicio del plan, preferimos que regrese al área de servicio para que su PCP le brinde atención de seguimiento. No obstante, cubriremos la atención de seguimiento que reciba de los proveedores no pertenecientes a la red que estén fuera del área de servicio del plan, siempre y cuando la atención recibida siga cumpliendo con la definición de "servicios urgentemente necesarios".

Usted debe acudir a proveedores del plan, excepto en los casos en que requiera atención urgente o de emergencia, o cuando necesite servicios de diálisis u otros servicios fuera del área. Si

obtiene atención de rutina de un proveedor no perteneciente a la red, ni Medicare ni Blue Shield serán responsables de los costos.

Sección 2: Lista de proveedores de la red

- Los PCP, los especialistas, los hospitales, las clínicas y los centros de atención urgente de la red se muestran por grupo médico.
- Los hospitales afiliados al grupo médico se incluyen al comienzo de la sección que corresponde a los grupos médicos en este directorio.

Algunos hospitales participan en un programa de calidad independiente. Los hospitales identificados con el símbolo  participan en el programa de California **Leapfrog Group**, un programa independiente que busca implementar tres prácticas esenciales que se ha demostrado que mejoran la seguridad del paciente. Los hospitales que participan en el programa Leapfrog: 1) controlan las recetas por computadora para evitar la interacción entre medicamentos, 2) cuentan con un médico especialista de tiempo completo en el personal de todas las unidades de cuidado intensivo y 3) llevan a cabo procedimientos quirúrgicos de alto riesgo, como cirugías cardíacas, solo cuando se cumple con ciertos criterios de calidad.

- Los centros de atención urgente afiliados a su grupo médico se incluyen en la sección "Centros de atención urgente". Puede utilizar estos u otros centros

de atención urgente en el área de servicio de su plan si necesita atención médica urgente cuando el consultorio de su PCP esté cerrado.

- Los PCP que no aceptan nuevos pacientes se indican con un asterisco (*). Puede elegir a un PCP de esta categoría solamente si es paciente actual de dicho médico o si se cambia a un nuevo grupo médico del cual el médico mencionado también forma parte.
- Los especialistas afiliados se muestran dentro de cada grupo médico ordenados por especialidad y, luego, por apellido.
- Si decide inscribirse en el plan dental HMO opcional complementario, podrá encontrar una lista de dentistas de la red en este directorio. Dentists

If you decide to enroll in the optional supplemental dental HMO plan, you will need to select a network dentist.

If you would like to inquire about the status of a listed dental provider, or if you would like to change your dentist, you can call your plan's dental benefits administrator at (888) 679-8928 [TTY (800) 855-2881], 8 a.m. to 5 p.m., weekdays, excluding holidays.

Out-of-area emergency dental care

If you are outside your plan service area and require emergency dental care, you may obtain treatment from any licensed dentist. You will need to submit a claim to us for reimbursement. Please contact us at the number on your plan ID card if you receive services from an out-of-area dentist.

Reimbursement for out-of-area emergency dental care

To obtain reimbursement, submit your request for reimbursement, payment receipt, and description of services rendered in writing to:

Blue Shield of California
P.O. Box 272590
Chico, CA 95927-2590

Generally, bills for services must be submitted to Blue Shield 65 Plus within one year of the service date.

For more information about the optional supplemental dental HMO plan, please read the plan's *Evidence of Coverage*.

Dentistas

Si decide inscribirse en el plan dental HMO opcional complementario, deberá elegir a un dentista de la red.

Si desea obtener información sobre el estado de un proveedor dental incluido en la lista, o si quiere cambiar de dentista, comuníquese con el administrador de beneficios dentales de su plan llamando al (888) 679-8928 [TTY (800) 855-2881], de 8:00 a. m. a 5:00 p. m., de lunes a viernes, excepto los feriados.

Atención dental de emergencia fuera del área de servicio

Si está fuera del área de servicio de su plan y necesita atención dental de emergencia, puede recibir tratamiento de cualquier dentista autorizado. Deberá presentarnos una reclamación para solicitar un reembolso. Si recibe servicios por parte de un dentista fuera del área, comuníquese con nosotros al número que se encuentra en su tarjeta de identificación del plan.

Reembolso por atención dental de emergencia fuera del área

Para obtener un reembolso, envíe por escrito su solicitud de reembolso, el recibo de pago y una descripción de los servicios recibidos a la siguiente dirección:

* Indicates not accepting new patients at time of printing.

* Indica que no se aceptan nuevos pacientes al momento de la impresión de este material.

Blue Shield of California
P.O. Box 272590
Chico, CA 95927-2590

Por lo general, las facturas de los servicios deben presentarse ante Blue Shield 65 Plus en un plazo de un año desde la fecha en que se recibió el servicio.
