Section 1 - Introduction

This directory provides a list of Blue Shield Inspire network providers.

To get detailed information about your health care coverage, please see your *Evidence of Coverage (EOC)*.

You will have to choose one of our network providers listed in this directory to be your **Primary Care Physician (PCP)**. Generally, you must get your health care services from your PCP. When you choose your PCP, you are also choosing the hospital(s) and specialty network affiliated with the physician group.

The network providers listed in this directory have agreed to provide you with your health care and/or dental services. You may go to any of our network providers listed in this directory, however, some services may require a referral. For more information about referrals, please read the plan's *Evidence of Coverage (EOC)* for details. Other providers are available in our network.

If you receive a bill from any non-network provider for covered services such as emergency or urgently needed services or out-of-area renal dialysis services, please do not pay it. Instead, please send it to us at the following address and we will pay the covered amount, minus any applicable

copayment/coinsurance amount(s):

Blue Shield of California
Medicare Customer Care
P.O. Box 927
Woodland Hills, CA 91365

You can also call Customer Care for assistance at **(800) 776-4466**, 8 a.m. to 8 p.m., seven days a week. TTY users should call **711**.

If you need care in an emergency, get medical help as quickly as possible. Call 911 for help or go to the nearest emergency room. You do not need to get permission first from your physician or other network provider.

A medical emergency is when you believe that you have medical symptoms that require immediate medical attention to prevent loss of life, loss of a limb, or loss of function of a limb. The medical symptoms may be an illness, injury, severe pain, or a medical condition that is quickly getting much worse.

Make sure that Blue Shield knows about your emergency because your physician will need to be involved in following up on your emergency care.

You or someone else should call to tell your physician about your emergency care as soon as possible, preferably within 48 hours. The number to call is located on your plan ID card.

If you need medical help immediately but your health is

not in serious danger, the help you need is called "urgently needed services". If you are in your plan's service area please call your PCP or, if your physician's office is closed, go to any urgent care facility listed in this directory or affiliated with your physician group.

If you are outside the plan service area, first call your PCP whenever possible. If you are treated for a condition that meets the definition of urgently needed services while you are outside the plan service area, we prefer that you return to the service area to get follow-up care through your PCP. However, we will cover follow-up care that you get from non-network providers outside the plan service area as long as the care you are receiving meets the definition of "urgently needed services."

You must use network providers except in emergency or urgent care situations or for out-of-area renal dialysis or other services. If you obtain routine care from out-of-network providers, neither Medicare nor Blue Shield will be responsible for the costs.

What is the service area for Blue Shield Inspire?

Our service area is listed below.

**Alameda County (All Zips),
San Mateo County (All Zips)**

How do you find Blue Shield Inspire providers that serve your area?

You can go to blueshieldca.com/fad and enter your zip code for a list of providers nearest to your home.

If using this directory, select the physician group you're interested in, and then scan the providers to find the city or zip code that is closest to your home.

Only those physician groups that have an affiliated hospital within the specified area indicated on the front cover of this directory are shown in this directory.

If you have questions about Blue Shield Inspire or require assistance in selecting a PCP, please call Customer Care at **(800) 776-4466**, 8 a.m. to 8 p.m., seven days a week. TTY users should call 711. You can also visit blueshieldca.com/medicare.

Section 2 – List of Network Providers

- Network PCPs, specialists, hospitals, clinics and urgent care centers are listed by physician group.
- The hospital or hospitals affiliated with the physician group are listed at the beginning of the physician group section in this directory.

Some hospitals participate in an independent quality program. Hospitals identified with the symbol @ participate in the **Leapfrog Group**, an independent California program that works to implement three key practices that have been shown to improve patient safety. Leapfrog hospitals 1) do computer checks on prescriptions to avoid drug interactions; 2) have a full-time physician specialist on staff in all intensive care units; and 3) perform high-risk surgical procedures, such as heart surgery, only when certain quality criteria are met.

- Urgent Care facilities affiliated with your physician group are listed under Urgent Care Centers. You may use these Urgent Care Facilities or any other Urgent Care facility in your plan service area if you need urgent medical care when your PCP's office is closed.
- Within the physician group listing, PCPs are listed

alphabetically under one of the following categories: *Family Practice, General Practice, Internal Medicine, and OB/GYN.*

- PCPs who are not accepting new patients are noted with an asterisk (*). You may choose a PCP in this category only if you are currently a patient of that physician or changing to a new physician group where that physician is also a part of.
- Affiliated specialists are listed by specialty and then by last name under each physician group.
- If you decide to enroll in the Optional Supplemental Dental HMO plan, you can find a list of network dentists online. For more information about choosing a network dentist, go to the beginning of the dental directory. (Note: This plan is not available to members in San Luis Obispo and Santa Barbara counties.)
- Plan pharmacies are not listed in this directory. You may request a list of these facilities by calling Customer Care or by going to blueshieldca.com/medpharmacy2023.

Sección 1: Introducción

Este directorio brinda una lista de los proveedores de la red de Blue Shield Inspire.

Para obtener información detallada sobre su cobertura de atención de la salud, consulte su *Evidencia de cobertura (EOC, por sus siglas en inglés)*.

Tendrá que elegir a uno de nuestros proveedores de la red incluidos en este directorio para que sea su médico de atención primaria (PCP, por sus siglas en inglés). Por lo general, debe recibir sus servicios de atención de la salud por medio de su PCP. Cuando elige a su PCP, también elige los hospitales y la red de especialistas afiliados al grupo médico.

Los proveedores de la red que se incluyen en este directorio han acordado brindarle servicios de atención de la salud o servicios dentales. Usted puede ir a cualquier proveedor de la red que esté incluido en este directorio; no obstante, es posible que necesite una referencia para obtener algunos servicios. Para ver más detalles sobre las referencias, consulte la *Evidencia de cobertura (EOC)* del plan. En nuestra red hay disponibles otros proveedores.

Si recibe una factura de cualquier proveedor no perteneciente a la red por servicios cubiertos, como servicios de emergencia o

urgentemente necesarios o servicios de diálisis fuera del área, no la pague. Envíenos la factura a la siguiente dirección y nosotros pagaremos la cantidad cubierta, menos las cantidades de copago o coseguro que correspondan:

Blue Shield of California
Medicare Customer Care
P.O. Box 927
Woodland Hills, CA 91365

Para obtener ayuda, también puede comunicarse con Atención al Cliente llamando al **(800)776-4466**, de 8:00 a.m. a 8:00 p.m., cualquier día de la semana. Los usuarios del sistema TTY deben llamar al **711**.

Si necesita atención en un caso de emergencia,

obtenga ayuda médica lo más pronto posible. Llame al 911 para recibir ayuda o vaya a la sala de emergencias más cercana. No necesita obtener primero el permiso de su médico o de otro proveedor de la red.

Hay una emergencia médica cuando usted considera que tiene síntomas médicos que requieren atención médica inmediata para prevenir la muerte, la pérdida de una extremidad o la invalidez de una extremidad. Los síntomas médicos pueden incluir una enfermedad, una lesión, dolor intenso o un problema médico que empeora rápidamente.

Asegúrese de que se informe a Blue Shield acerca de su emergencia, ya que será necesario que su médico

haga un seguimiento de su atención de emergencia.

Usted u otra persona deben llamar a su médico para avisarle acerca de su atención de emergencia cuanto antes; en lo posible, dentro de las 48 horas. El número al que debe llamar está en su tarjeta de identificación del plan.

Si necesita ayuda médica inmediata, pero su salud no está en grave peligro,

esa ayuda se llama "servicios urgentemente necesarios". Si está en el área de servicio de su plan, llame a su PCP. Si el consultorio de su médico está cerrado, vaya a cualquier centro de atención urgente que esté incluido en este directorio o que esté afiliado a su grupo médico.

Si está fuera del área de servicio del plan, siempre que sea posible llame primero a su PCP. Si tiene un problema de salud que requiere servicios urgentemente necesarios y recibe tratamiento mientras está fuera del área de servicio del plan, preferimos que vuelva al área de servicio para que su PCP le brinde atención de seguimiento. No obstante, cubriremos la atención de seguimiento que reciba de los proveedores no pertenecientes a la red fuera del área de servicio del plan, siempre y cuando la atención recibida cumpla con la definición de "servicios urgentemente necesarios".

Usted debe ir a proveedores de la red, excepto en los casos en que requiera atención urgente o de

emergencia, o cuando necesite servicios de diálisis u otros servicios fuera del área. Si obtiene atención de rutina de un proveedor no perteneciente a la red, ni Medicare ni Blue Shield serán responsables de los costos.

sistema TTY deben llamar al 711. O bien, visite blueshieldca.com/medicare.

Sección 2: Lista de proveedores de la red

- Los PCP, los especialistas, los hospitales, las clínicas y los centros de atención urgente de la red se muestran por grupo médico.
- Los hospitales afiliados al grupo médico se incluyen al comienzo de la sección que corresponde a los grupos médicos en este directorio.

Algunos hospitales participan en un programa de calidad independiente. Los hospitales identificados con el símbolo ⓘ participan en el programa de California **Leapfrog Group**, un programa independiente que busca implementar tres prácticas esenciales que se ha demostrado que mejoran la seguridad del paciente. Los hospitales que participan en el programa Leapfrog: 1) controlan las recetas por computadora para evitar la interacción entre medicamentos, 2) cuentan con un médico especialista de tiempo completo en el personal de todas las unidades de cuidado intensivo y 3) hacen procedimientos quirúrgicos de alto riesgo, como cirugías de corazón, solo cuando se cumple con ciertos criterios de calidad.

- Los centros de atención urgente afiliados a su grupo médico se incluyen en la sección "Centros de atención urgente". Puede usar estos u otros centros de atención

urgente en el área de servicio de su plan si necesita atención médica urgente cuando el consultorio de su PCP esté cerrado.

- En la lista de grupos médicos, los PCP aparecen ordenados alfabéticamente en una de las siguientes categorías: *medicina familiar, medicina general, medicina interna y obstetricia/ginecología (OB/GYN, por sus siglas en inglés)*.

- Los PCP que no aceptan nuevos pacientes se indican con un asterisco (*). Puede elegir a un PCP de esta categoría solamente si es paciente actual de ese médico o si se cambia a un nuevo grupo médico del cual dicho médico también forma parte.

- Los especialistas afiliados se muestran dentro de cada grupo médico ordenados por especialidad y, después, por apellido.

- Si decide inscribirse en el plan dental HMO opcional suplementario, puede encontrar una lista de dentistas de la red en línea. Para obtener más información sobre cómo elegir a un dentista de la red, consulte el directorio dental.
