

IMPORTANT INFORMATION REGARDING

Medicare Part B Test Strips Preferred Products

Abbott Diabetes is the preferred manufacturer for blood glucose monitors and test strips for Blue Shield TotalDual Plan (HMO D-SNP), Blue Shield Inspire (HMO D-SNP), Blue Shield AdvantageOptimum Plan (HMO), Blue Shield AdvantageOptimum Plan 1 (HMO), Blue Shield AdvantageOptimum Plan 2 (HMO), and Blue Shield Coordinated Choice Plan (HMO).

FreeStyle® test strips (made by Abbott Diabetes) will not require prior authorization when obtained from a network pharmacy. You or your doctor will be required to submit a request via the Blue Shield pharmacy prior authorization process for test strips that are **not** FreeStyle.

If you are currently not using Freestyle test strips but would like to switch:

1. **Talk with your doctor** to find out if FreeStyle test strips will work for you. You can also visit **ChooseFreeStyle.com** to learn more, or contact Abbott Diabetes Care Customer Care at **(800) 224-8892**.
2. **Obtain a prescription** from your doctor for FreeStyle test strips. Please remember, you will also need a new prescription for a FreeStyle blood glucose monitor to use with your FreeStyle test strips. To obtain a FreeStyle blood glucose monitor at no cost, please visit **ChooseFreeStyle.com** or call Abbott at **(866) 224-8892** and mention the code **FQ27QVK8**. **Please note:** Abbott Diabetes Care may limit the number of monitors you may obtain within a 3-year period.
3. **Fill your prescription before you run out of your current test strips.** This will give you time to learn how to use your new FreeStyle blood glucose monitor while you still have your current supplies on hand. Also, your new FreeStyle blood glucose monitor will require compatible FreeStyle test strips. Your old strips will not work with your new blood glucose monitor. If you have questions on how to use your new FreeStyle blood glucose monitor and test strips, contact Abbott Diabetes Care Customer Care at **(800) 224-8892**.
4. **In some cases,** your doctor might think you need to continue using your current blood glucose monitor and test strips. You or your doctor can submit a request via the Blue Shield pharmacy prior authorization process.

If you have any additional questions, you can Blue Shield Customer Care at (800) 776-4466 (TTY: 711), 8 a.m. to 8 p.m., seven days a week, from October 1 through March 31, and 8 a.m. to 8 p.m., weekdays (8 a.m. to 5 p.m. Saturday and Sunday) from April 1 through September 30. We are ready to help you.
