HEALTH EDUCATION AND HEALTH PROMOTION

Health education and health promotion services provided by Blue Shield include the Better Living Member Newsletter.

INTRODUCTION TO BLUE SHIELD PREFERRED SENIOR

This Plan is designed to reduce the cost of health care to you, the Subscriber. In order to reduce your costs, much greater responsibility is placed on you for managing the provision of benefits by Blue Shield under this Plan.

To receive maximum benefits under this Plan, Services must be received from a Preferred Senior Provider and such Services must be concurrently payable by Medicare, unless otherwise specifically stated in this Agreement.

Failure to meet these requirements may result in your incurring a substantial financial liability and Services may not be covered.

PART 1: CONDITIONS OF COVERAGE AND PAYMENT OF DUES

A. ENROLLMENT

- 1. ELIGIBLE APPLICANT --** An eligible applicant shall be (a) an individual residing in the Service Area; (b) 67 years of age or over; (c) not residing or confined in a Hospital, Skilled Nursing Facility, rest home, convalescent home, convalescent hospital, sanatorium, or similar institution (not applicable to applicant transferring directly from any other Blue Shield plan); and (d) enrolled under both Parts A and B of Medicare.
- 2. ENROLLMENT OF A SUBSCRIBER --** An eligible applicant becomes a Subscriber under this Agreement upon notification by Blue Shield that applicant's properly completed application for enrollment has been approved by Blue Shield.
- 3. EFFECTIVE DATE OF BENEFITS --** A Subscriber is entitled to the benefits of this Agreement on the first day of the month following the date the Subscriber's properly completed application is received by Blue Shield.

Regardless of the Subscriber's coverage under any prior Blue Shield Plan, an applicant for enrollment under this Agreement shall be enrolled only for the benefits of this Agreement. No Subscriber under this Agreement shall simultaneously hold coverage under any other Blue Shield Plan.

B. DURATION OF THE AGREEMENT

This Agreement shall be renewed every three (3) months so long as dues are prepaid. Renewal is subject to Blue Shield's right to amend this Agreement. Any proposed increase in dues or decrease in benefits to this Agreement will be effective after a period of at least sixty (60) days notice to the Subscriber's address of record with Blue Shield.

C. TERMINATION/CANCELLATION, REINSTATEMENT AND SUSPENSION OF THE AGREEMENT

No Subscriber shall be terminated individually by Blue Shield for any cause other than as provided in this section I.B.

This Agreement may be terminated, cancelled, or rescinded as follows:

1. Termination by the Subscriber

A Subscriber desiring to terminate this Agreement shall give Blue Shield 30-days written notice.

2. Rescission by Blue Shield

By signing the enrollment application, you represented that all responses contained in your application for coverage were true, complete and accurate, to the best of your knowledge, and you were advised regarding the consequences of intentionally submitting materially false or incomplete information to Blue Shield in your application for coverage, which included rescission of this Agreement.

For underwritten plans (not guaranteed acceptance) - To determine whether or not you would be offered enrollment through this Agreement, Blue Shield reviewed your medical history based upon the information you provided in your enrollment application, including the health history portion of your enrollment application and any supplemental information that Blue Shield determined was necessary to evaluate your medical history and status. This process is called underwriting.

Blue Shield has the right to rescind this Agreement if the information contained in the application or otherwise provided to Blue Shield by you or anyone acting on your behalf in connection with the application was intentionally and materially inaccurate or incomplete. This Agreement also may be rescinded if you or anyone acting on your behalf failed to disclose to Blue Shield any new or changed facts arising after the application was submitted but before this Agreement was issued, when those facts pertained to matters inquired about in the application. However, after 24 months following the issuance of the Agreement, Blue Shield of California will not rescind the Agreement for any reason.

If after enrollment, Blue Shield investigates your application information, we will not rescind this Agreement without first notifying you of the investigation and offering you an opportunity to respond.

If this Agreement is rescinded, it means that the Agreement is voided retroactive to its inception as if it never existed. This means that you will lose coverage back to the original Effective Date. If the Agreement is properly rescinded, Blue Shield will refund any dues payments you made, but, to the extent permitted by applicable law, may reduce that refund by the amount of any medical expenses that Blue Shield paid under the Agreement or is otherwise obligated to pay. In addition, Blue Shield may, to the extent permitted by California law, be entitled

to recoup from you all amounts paid by Blue Shield under the Agreement.

If this Agreement is rescinded, Blue Shield will provide a 30 day advance written notice that will: (a) explain the basis of the decision and your appeal rights, including your right to request assistance from the California Department of Managed Health Care; (b) clarify that, in the case of a two-party agreement, the Subscriber or Dependent whose application information was not false or incomplete is entitled to new coverage without medical underwriting and will explain how that individual may obtain this coverage; and (c) explain that the monthly Dues for that individual will be determined based on that individual's age.

3. Termination by Blue Shield if Subscriber No Longer Enrolled in Medicare

This Agreement shall terminate on the date the Subscriber is no longer enrolled under Parts A and B or Medicare. Blue Shield shall refund the prepaid dues, if any, that Blue Shield determines will not have been earned as of the termination date. Blue Shield reserves the right to subtract from any such dues refund any amounts paid by Blue Shield for benefits paid or payable by Blue Shield prior to the termination date.

4. Cancellation of the Agreement for Nonpayment of Dues

Blue Shield may cancel this Agreement for failure to pay the required Dues. If the Agreement is being cancelled because you failed to pay the required Dues when owed, then coverage will end 30 days after the date for which the Dues are due. You will be liable for all Dues accrued while this Agreement continues in force including those accrued during this 30 day grace period.

Within five (5) business days of canceling or not renewing the Agreement, Blue Shield will mail you a Notice Confirming Termination of

Coverage, which will inform you of the following:

- a. That the Agreement has been cancelled, and the reasons for cancellation;
- b. The specific date and time when coverage for you ended.

5. Reinstatement of the Agreement after Cancellation

If the Agreement is cancelled for nonpayment of dues, Blue Shield will permit reinstatement of the Agreement or coverage twice during any twelve-month period, without a change in dues and without consideration of your medical condition, if the amounts owed are paid within 15 days of the date the Notice of Confirming Termination of Coverage is mailed to you. If your request for reinstatement and payment of all outstanding amounts is not received within the required 15 days, or if the Agreement is cancelled for nonpayment of dues more than twice during the preceding twelve-month period, then Blue Shield is not required to reinstate your coverage, and you will need to reapply for coverage.

6. Extension of Coverage for Total Disability

If the Subscriber is Totally Disabled at the time this coverage terminates under this Agreement, Blue Shield shall extend the benefits of the Agreement for covered Services provided in connection with the treatment of the Sickness or Accidental Injury responsible for such Total Disability until the first to occur of the following:

7. Suspension of Coverage

- a) Entitlement to Medi-Cal

If a Subscriber becomes entitled to Medi-Cal, the benefits of this Agreement will be suspended for up to 24 months. The Subscriber must make a request for suspension of coverage within 90 days of Medi-Cal entitlement. Blue Shield shall return to the Subscriber the amount of prepaid dues for the period after the date of suspension, if any, minus any monies paid by Blue Shield for claims during that period. If the Subscriber loses entitlement to Medi-Cal, the benefits of this Agreement will be automatically reinstated as of the date of the loss of entitlement, provided the Subscriber gives notice to Blue Shield within 90 days of that date and pays any dues amount attributable to the retroactive period.

- b) Total Disability While Covered Under Group Health Plan

- i) is Totally Disabled as defined herein and entitled to Medicare Benefits by reason of that disability;
- ii) is covered under a group health plan as defined in section 42 U.S.C. 1395y(b)(1)(A)(v); and,
- iii) submits a request to Blue Shield for such suspension.

After all of the above criteria have been satisfied, benefits and dues of this Agreement for the Subscriber will be suspended for any period that may be provided by federal law.

For Subscribers who have suspended their benefits under this Agreement as specified above, and who subsequently lose coverage under their group health plan, the benefits and dues of this Agreement will be reinstated only when:

- i) the Subscriber notifies Blue Shield within 90 days of the date of the loss of group coverage; and,
- ii) the Subscriber pays any dues attributable to the retroactive period, effective as of the date of loss of group coverage.

The effective date of the reinstatement will be the date of the loss of group coverage. Blue Shield shall:

- i) provide coverage substantially equivalent to coverage in effect before the date of suspension;

PART XII: GENERAL PROVISIONS

A. IDENTIFICATION CARDS

A Preferred Senior Identification (ID) Card will be issued by Blue Shield to the Subscriber for presentation to providers in order that they may bill Blue Shield directly.

B. GRIEVANCE PROCESS

Blue Shield has established a grievance procedure for receiving, resolving and tracking Subscribers' grievances with Blue Shield of California.

CUSTOMER SERVICE

A Subscriber who has a question about Services, providers, benefits, how to use this plan, or concerns regarding the quality of care or access to care that you have experienced, you may call Blue Shield's Customer Service Department at the telephone number indicated on your Identification Card.

The hearing impaired may contact Blue Shield's Customer Service Department through Blue Shield's toll-free TTY number, 1-800-241-1823.

Customer Service can answer many questions over the telephone.

Note: Blue Shield has established a procedure for our Subscribers to request an expedited decision.

The Subscriber, physician, or representative of the Subscriber may request an expedited decision when the routine decision making process might seriously jeopardize the life or health of a Subscriber. Blue Shield shall make a decision and notify the Subscriber and physician within 72 hours following the receipt of the request. An expedited decision may involve admissions, continued stay or other healthcare Services. If you would like additional information regarding the expedited decision process, or if you believe your particular situation qualifies for an expedited decision, please contact our Customer Service Department.

Blue Shield may refer inquiries or grievance to a local medical society, hospital utilization review committee, peer review committee of the California Medical Association or a medical specialty society, or other appropriate peer review committee for an opinion to assist in the resolution of these matters.

The Subscriber, a designated representative, or a provider on behalf of the Subscriber, may contact the Customer Service Department by telephone, letter, or online to request a review of an initial determination concerning a claim or Service. Subscribers may contact Blue Shield at the telephone number as noted in this Agreement. If the telephone inquiry to Customer Service does not resolve the question or issue to the

Subscriber's satisfaction, the Subscriber may request a grievance at that time, which the Customer Service Representative will initiate on the Subscriber's behalf.

The Subscriber, a designated representative, or a provider on behalf of the Subscriber, may also initiate a grievance by submitting a letter or a completed "Grievance Form". The Subscriber may request this Form from Customer Service. The completed form should be submitted to Customer Service Appeals and Grievance, P. O. Box 5588, El Dorado Hills, CA 95762-0011. The Subscriber may also submit the grievance online by visiting our web site at <http://www.blueshieldca.com>.

Blue Shield will acknowledge receipt of a grievance within five (5) calendar days. Grievances are resolved within thirty (30) days.

The Grievance system allows Subscribers to file grievances for at least 180 days following any incident or action that is the subject of the Subscriber's dissatisfaction. Grievances are resolved within 30 days. See the previous Customer Service section for information on the expedited decision process.

EXTERNAL INDEPENDENT MEDICAL REVIEW

The following Independent Medical Review process does not apply to Services that are not covered by Blue Shield because of a coverage determination made by Medicare.

If your grievance involves a claim or Services for which coverage was denied by Blue Shield in whole or in part on the grounds that the service is not medically necessary or is experimental/investigational (including the external review available under the Friedman-Kowles Experimental Treatment Act of 1996), you may choose to make a request to the Department of Managed Health Care to have the matter submitted to an independent agency for external review in accordance with California law. You normally must first submit a grievance to Blue Shield and wait for at least 30 days before

you request external review; however, if your matter would qualify for an expedited decision as described above or involves a determination that the requested service is experimental/investigational, you may immediately request an external review following receipt of notice of denial. You may initiate this review by completing an application for external review, a copy of which can be obtained by contacting Customer Service. The Department of Managed Health Care will review the application and, if the request qualifies for external review, will select an external review agency and have your records submitted to a qualified specialist for an independent determination of whether the care is medically necessary. You may choose to submit additional records to the external review agency for review. There is no cost to you for this external review. You and your physician will receive copies of the opinions of the external review agency. The decision of the external review agency is binding on Blue Shield; if the external reviewer determines that the service is medically necessary, Blue Shield will promptly arrange for the service to be provided or the claim in dispute to be paid. This external review process is in addition to any other procedures or remedies available to you and is completely voluntary on your part; you are not obligated to request external review. However, failure to participate in external review may cause you to give up any statutory right to pursue legal action against Blue Shield regarding the disputed service. For more information regarding the external review process, or to request an application form, please contact Customer Service.

C. CALIFORNIA DEPARTMENT OF MANAGED HEALTH CARE

The California Department of Managed Health Care is responsible for regulating health care service plans. If you have a grievance against your health plan, you should first telephone your health plan at the telephone number indicated on your Identification Card and use your health plan's grievance process before contacting the Department. Utilizing this grievance procedure does not prohibit any potential legal rights or

remedies that may be available to you. If you need help with a grievance involving an emergency, a grievance that has not been satisfactorily resolved by your health plan, or a grievance that has remained unresolved for more than 30 days, you may call the Department for assistance. You may also be eligible for an Independent Medical Review (IMR). If you are eligible for IMR, the IMR process will provide an impartial review of medical decisions made by a health plan related to the medical necessity of a proposed service or treatment, coverage decisions for treatments that are experimental or investigational in nature and payment disputes for emergency or urgent medical Services. The Department also has a toll-free telephone number (1-888-HMO-2219) and a TDD line (1-877-688-9891) for the hearing and speech impaired. The Department's Internet Web site (<http://www.hmohelp.ca.gov>) has complaint forms, IMR application forms and instructions online.

In the event that Blue Shield should cancel or refuse to renew your enrollment and you feel that such action was due to reasons of health or utilization of benefits, you may request a review by the Department of Managed Health Care Director.

D. REDUCTIONS – THIRD PARTY LIABILITY

If the Subscriber is injured or becomes ill due to the act or omission of another person (a "third party"), Blue Shield shall, with respect to Services required as a result of that injury, provide the benefits of this Agreement and have an equitable right to restitution, reimbursement or other available remedy to recover the amounts Blue Shield paid for Services provided to the Subscriber on a fee-for-service basis from any recovery (defined below) obtained by or on behalf of the Member, from or on behalf of the third party responsible for the injury or illness or from uninsured/underinsured motorist coverage.

2. Agree to fully cooperate with Blue Shield to execute any forms or documents needed enable Blue Shield to enforce its right to restitution, reimbursement or other available remedies ; and,

5. Periodically respond to information requests regarding the claim against the third party, and notify Blue Shield, in writing, within ten (10) days after any Recovery has been obtained.

A Subscriber's failure to comply with 1 through 5, above, shall not in any way act as a waiver, release, or relinquishment of the rights of Blue Shield.
