

Blue Shield of California Rx90 Retail Network

California Pharmacy Directory

Effective as of January 1, 2022

## Introduction

The pharmacies in this directory participate in the Blue Shield of California Rx90 Retail Pharmacy Network. If your Blue Shield plan has the Rx90 Retail Pharmacy Network, you can obtain up to a 90-day supply of maintenance medications from these participating pharmacies. Maintenance medications are those prescribed to treat a chronic or long-term medical condition such as asthma, diabetes, high blood pressure, or high cholesterol, and are taken on an ongoing, regular basis to maintain health. You will be responsible for the 90-day supply cost share, which is three times the 30-day retail pharmacy copayment.

## How to read the directory

Network pharmacies are listed in the directory in alphabetical order by county then by city. The directory includes the pharmacy name, street address, and telephone number.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This directory is effective as of the date listed on the front cover.

If you have additional questions about this pharmacy directory or your prescription benefits, please call the customer service number on your Blue Shield member ID card.
