

get a clearer look at your vision benefits

To help explain your vision benefits to your provider, just cut out the Vision Plan Information Card, and keep it with you.

This card is not required to access care. It's just another way we're making it easier for you to use your healthcare coverage!

Vision plan information card

Here's how to obtain vision services:

1. Select a network provider by visiting the *Find a Provider* section of blueshieldca.com.
2. Make an appointment directly with the provider you select.
3. Present this card at your appointment.

Blue Shield vision plans are underwritten by Blue Shield of California or Blue Shield of California Life & Health Insurance Company, and are administered by MESVision. Groups and members should refer to their Evidence of Coverage or Certificate of Insurance to identify which Blue Shield company underwrites their vision coverage.

This vision plan information card is to assist you in using your vision coverage. This card is not required to access care, and is not a verification of eligibility. The vision provider will verify your eligibility by calling the number listed below.
