GENERAL

1. What is Trio HMO?

With Trio HMO, you get access to a quality network of local doctors, hospitals, and other providers at an affordable price. The Trio HMO keeps your costs down because Blue Shield partners with an accountable care organization (ACO).

An ACO is a group of doctors, hospitals, and other health care providers that share information about your care and coordinate it to give you better treatment and reduce your costs. With Trio HMO, you have low copays, no deductibles, and almost no claim forms.

To enroll in the HMO Gold Trio Plan (\$25 copay), you and your eligible dependents must enroll in the same plan and must also live or work within the Trio HMO service area. To see if you are within the Trio service area, visit blueshieldca.com/triocheck.

When you enroll in the Trio plan, you'll need to select a primary care physician (PCP) for yourself and your covered dependents from the Trio ACO HMO Network. Your PCP coordinates all your care and refers you to specialists and hospitals within their medical group/independent practice association (IPA). Each member of your family can choose a different physician and medical group/ IPA.

Important: If you are currently enrolled in the Blue Shield Access+ HMO® or Shield Signature HMO plan – and your current PCP is in the Trio ACO HMO Network – you will keep your PCP when you move to the HMO Gold Trio Plan (\$25 copay).

To find out if your current doctor is in the Trio network:

- Go to blueshieldca.com/networkTrioHMO.
- Select *Primary Care Physician*.
- Enter your location, and then click *Continue*.
- Select *Doctor Name*.

2. How is the HMO Gold Trio Plan (\$25 copay) different from the HMO Gold Access+ Plan (\$40 copay)?

The HMO Gold Trio Plan (\$25 copay) offers the same medical benefits as the HMO Gold Access+ Plan (\$40 copay). Plus, it offers:

- **Lower copayments.** The Trio plan will cost you less than the HMO Gold Access+ Plan (\$40 copay) because Trio network providers team up to coordinate your care and reduce your costs.
- **A quality network of local doctors, specialists, and hospitals.** Trio HMO is powered by a specially selected network of local doctors, specialists, and hospitals who work together to ensure all aspects of your care are connected and efficient – keeping your copayments as low as possible in the process.
- **The Healthy Saving[®] program.** As a Trio subscriber, you'll get discounts on fruits, vegetables, and other eligible healthy foods at the checkout counter of any participating grocery store. For details, visit blueshieldca.com/healthysavings.
- **myStrength digital self-help tools.** These tools, which are available at no cost, can help you manage stress, sleep better, and feel more resilient. To learn more, visit blueshieldca.com/mystrength.
- **LifeSpring meal delivery program for qualified patients experiencing a serious illness.** This program provides chef-inspired, prepared meals right to a member's door – at no extra cost. To find out if you're eligible for this program, or for more information, contact Shield Concierge.
- **Call the Car service for qualified patients experiencing a serious illness.** This program provides non-emergency medical transportation – at no extra cost. To find out if you're eligible for this program, or for more information, contact Shield Concierge.

MEDICAL BENEFITS

1. Do I need to select a PCP in the Trio network?

Yes. You must select a PCP in the Trio network. You can choose a PCP or have one assigned to you. PCPs perform preventive care and treat medical conditions. They also coordinate other health care, including referrals to specialists and hospitals within their

- Select *Primary Care Physician* to search by PCP specialty
- Enter your location, and then click *Continue*

Important: If you are currently enrolled in the Blue Shield Access+ HMO or Shield Signature plan – and your current PCP is in the Trio ACO HMO Network – you will keep your PCP when you move to the HMO Gold Trio Plan (\$25 copay).

5. What happens if I don't select a PCP when I enroll in the HMO Gold Trio Plan (\$25 copay)?

If you don't select a PCP during open enrollment, Blue Shield will automatically match you and any enrolled dependents with one based on your ZIP code, age, and gender. To change your PCP, contact Shield Concierge.

6. If I need to see a specialist, do I need a referral from my PCP?

Yes. If you want to pay your regular plan copayment to see a specialist, you will need a referral from your PCP before seeing a specialist.

If your PCP participates in the Trio+ *Specialist* program, you may go directly to a specialist within your physician's medical group/IPA without a referral. You will pay a slightly higher copayment. Medical groups/IPAs that participate in the Trio+ *Specialist* program are identified in our online directories and on your Blue Shield member ID card.

Important: Self-referral is for initial consultation only. Any follow-up care or treatment requires PCP and medical group authorization.

If your PCP does not participate in the Trio+ *Specialist* program, you will need a referral from your doctor to see a specialist.

7. Can I self-refer to an OB/GYN?

Trio plan members can self-refer to an OB/GYN within their medical group/IPA for any OB/GYN-related services. You do not need a referral, and you will not have to pay an additional copayment.

8. Does this plan include preventive care, and what is the cost?

Yes. If you see a doctor in the Trio network, you have access to services defined as routine preventive care. Your medical plan covers the costs for preventive health services when care is provided through network providers. For details about preventive care benefits, visit blueshieldca.com/preventive.

9. What do I do if I'm a new enrollee in the HMO Gold Trio Plan (\$25 copay) and I'm in the middle of receiving care for a medical condition from a provider that is not in the Trio ACO HMO Network?

As a new member, you are entitled to a medical review that may allow you to continue your current treatment plan with your prior provider for a specified time frame due to a specific diagnosis.

For example, a medical review is warranted if you or a family member:

- Are in the second or third trimester of pregnancy or a high-risk pregnancy and are currently established with an obstetrician
- Are scheduled for surgery within 3 weeks after your effective date of coverage
- Have documented follow-up care for surgery that was completed within 6 weeks prior to your effective date of coverage

- Have complications resulting from surgery performed within the month prior to your effective date of coverage
- Are presently undergoing a course of chemotherapy or radiation therapy
- Are approved for or on a waiting list for a transplant
- Have an acute or serious chronic condition
- Are currently receiving outpatient mental health treatment or are currently in a chemical dependency treatment program

If you have a transition of care issue, please contact Shield Concierge for assistance. Blue Shield will assign a case manager to assist you with your specific transition of care needs.

10. I am a new enrollee in the HMO Gold Trio Plan (\$25 copay). I have received authorization for a medical procedure, but it takes place after my Trio coverage goes into effect. Do I need to get a new authorization?

Yes. If you have been scheduled for treatment that required authorization from your former doctor who is not in the Trio network, you will need new authorization from a doctor who is in the Trio network. If you have questions, please contact Shield Concierge.

12. My children are going to college outside California. How do they access care while they are away from home?

PHARMACY BENEFITS

1. Do I have pharmacy benefits with Blue Shield?

Yes. Go to the [Pharmacy benefits](#) section of blueshieldca.com/teamsters1932 to view Blue Shield's Plus Drug Formulary, learn about prescriptions by mail, and more. Our Plus Drug Formulary is a list of our preferred brand-name and generic drugs.

2. What is a drug formulary?

A formulary is a list of medications approved by the Food and Drug Administration (FDA) that are selected based on safety, effectiveness, and cost — and that are covered under your Blue Shield prescription drug benefit. The formulary offers doctors prescription medication options that can be both effective and affordable to members. A drug listed in the formulary does not guarantee it will be prescribed by your doctor.

3. What are drug tiers?

Drugs in a formulary are typically grouped into tiers based on defined categories such as generic drugs, preferred brand-name drugs (which will generally have a lower member cost share), non-preferred brand-name drugs, and specialty drugs. The tier that your prescribed medication is in determines your portion of the drug cost. A typical drug benefit includes three or four tiers. You can find information about what you pay by drug tier in your health plan documents.

4. How do I know if my medication is on Blue Shield's drug formulary?

To see if your medication is on the list, use our [Plus Drug Formulary search tool](#). For more information about the formulary, see the [Pharmacy benefits](#) section of blueshieldca.com/teamsters1932. You can also call Shield Concierge for assistance.

5. I am interested in using the mail service pharmacy to fill my prescriptions. How do I get started?

Go to the [Pharmacy benefits](#) section of blueshieldca.com/teamsters1932, and select *Mail service prescriptions*. Follow the instructions to create your account with CVS Caremark Mail Service Pharmacy™. You can receive by mail up to a 90-day supply of medication you take on a regular basis for chronic or long-term medical conditions; however, opioids are limited to a 30-day supply. If you have questions, call the mail service pharmacy at **(866) 346-7200 (TTY: 711)**. You can also contact Shield Concierge for assistance.

6. Can I get a 90-day supply of prescription maintenance drugs from a retail pharmacy?

Yes. Effective July 30, 2022, if you take maintenance medications for long-term medical conditions or for chronic conditions such as diabetes, you can obtain a 90-day supply from any participating retail pharmacy in Blue Shield's pharmacy network.

7. I am a new enrollee in the HMO Gold Trio Plan (\$25 copay). I have received prior authorization for a prescription drug from my previous carrier. Do I need to get authorization from Blue Shield to refill this prescription after my plan's effective date?

The list of drugs that require prior authorization for coverage varies from one health plan carrier to another. If you are currently covered under another carrier and have enrolled in a Blue Shield health plan, your prescribing physician may need to obtain prior authorization from Blue Shield to ensure that your prescription will be covered after your plan's effective date. Be sure to ask your prescribing physician to contact Blue Shield for prior authorization to refill your prescription. For assistance, contact Shield Concierge at **(855) 599-2657**.

8. I currently take a prescription drug that is listed on my current plan's specialty prescription drug list. How do I verify if this prescription drug is on Blue Shield's specialty drug list?

To verify that your prescription drug is on Blue Shield's specialty drug list, contact Shield Concierge at **(855) 599-2657**.
