

Working together for members

Blue Shield of California and PIH Health

Blue Shield of California and PIH Health have teamed up to work toward a better experience for our members. We are working together to create better coordination and communication among our members' health plan, doctors, and hospitals. Together, we're helping provide members with best-practice, clinical care that is more personalized and easier to access.

About PIH Health

PIH Health is a regional, nonprofit healthcare delivery network serving more than 3 million residents in Los Angeles County, Orange County, and the San Gabriel Valley.

The fully integrated network, made up of PIH Health Downey Hospital, PIH Health Good Samaritan Hospital, and PIH Health Whittier Hospital, offers multiple outpatient medical offices, a multispecialty medical group, primary care, six urgent care centers, and home health and hospice care as well as heart, cancer, stroke, women's health, digestive health, bariatrics, orthopedics, and emergency medicine programs. PIH Health has been consistently recognized as one of the nation's top hospital networks for quality, treatment, and advanced technology.

Service and support

At PIH Health, we care for you as a whole person - body, mind, and spirit. Our team of social workers and our spiritual care staff stand ready to serve your needs around the clock whatever your situation. We're here to offer support and guidance, including assistance with advance care planning to ensure your wishes for medical care are honored if you become unable to share your decisions.

We also make any reasonable accommodations to meet the needs of individuals with special needs. We will provide auxiliary aids and services including interpreters, free of charge, to any patient, relative, or companion of a patient with special needs.

Community benefit

Our Community Health Needs Assessment helps us address the greatest needs: chronic diseases/disorders, preventive practices, food insecurity, housing/homelessness, and access to dental and mental health resources.

We provide financial assistance for those unable to afford medically necessary care, fund local nonprofits' efforts to meet community health needs, and support collaborative efforts that address social determinants of health. We also help to educate the next generation of healthcare professionals.

Online services

Telehealth appointments

PIH Health physicians can conduct telehealth appointments for certain conditions using the patient portal.

A telehealth appointment is just like a regular appointment. You will see yourself and your provider on the screen of your mobile device or computer once your session begins. These appointments are also known as virtual visits.

My PIH Health

You have plenty of reasons to register for My PIH Health, an all-in-one personal record and patient portal that lets you access your medical information on the go:

- Manage your healthcare 24/7 from your computer or your mobile device.
- Request prescription renewals.
- Communicate privately with your physician's office via secure messaging.
- Access forms and information.
- View clinical summaries of your doctor visit or hospital stay.
- Track vital information such as height, weight, and blood pressure.
- View and print test and lab results.
- Create proxy accounts for children or dependent adults.
- Create and track wellness goals with online apps that let you monitor your health.

! URGENT CARE CENTERS

For an urgent, but non-life-threatening or non-limb-threatening, health concern, urgent care is often a convenient alternative to the emergency room.

All PIH Health urgent care center locations are open every day, 10 a.m. to 8 p.m., including holidays.

When you need medical attention that can't wait, visit a PIH Health Urgent Care Center. Our doctors, physician assistants, nurse practitioners, and nurses are here to treat a variety of minor illnesses and injuries.
