Please note: This webinar is designed for Blue Shield's contracted network of PPO providers.

BlueCard Program

- The **BlueCard® Program** is a national program that allows Blue plan members to obtain healthcare services in another Blue plan service area.
- The BlueCard Program represents your patient population insured by out-of-state Blue plans.
- The program links participating healthcare providers and independent Blue Cross and Blue Shield (BCBS) plans through a secured electronic network for provider inquiries and claims processing.

BlueCard in California

- California has **two independent Blue plans** that can process BlueCard claims.
- BlueCard claims include both facility and professional claim types.
- You can access our **Claims Routing Tool** to confirm the correct California Blue plan to process your BlueCard claims.
- Blue Shield of California processes **millions** of BlueCard claims annually.

Blue Shield of California advantages

- **Blue Shield of California** is a mission-driven, nonprofit California health plan
- **Local-payer solution** for submitting BlueCard claims. Our BlueCard claims operations is located in Northern California.
- **Timely processing** of BlueCard professional and facility claims
- **Online tools** help you to streamline your BlueCard processes and serve Blue plan members
- **Dedicated customer service team** to assist you with your claim inquiries at **(800) 622-0632**
- **Training and educational resources**, including **a dedicated BlueCard representative**, to support your BlueCard transactions.

Blue plans work together

Blue Shield of California:

- Receives claim from California provider
- Processes claim according to local contract with provider
- Sends EOB and applicable payments to contracted provider
- Supports provider claim inquiries and claim transactions

The member's Blue plan:

- Confirms member eligibility and benefits information
- Manages all necessary medical authorizations
- Authorizes Blue Shield to finalize claim
- Sends EOB to the member
- Supports member inquiries

Identify another state's Blue plan members with:

- **Any Blue-branded logo** (single or double)
- **Three-character prefix** beginning subscriber ID number

All about prefixes

- A Blue plan member will always have a three-character prefix on their health ID card.
- “Prefix” is the first three positions of the subscriber identification number.
- Prefix is a foundational component of BlueCard Program.
- Prefix may contain mix of characters – both alpha and numeric.
- Subscriber ID number may contain up to 17 characters, **including the three-character prefix**. Subscriber numbers across the nation vary in length and mix of characters.
- The prefix identifies member’s Blue plan, type of plan coverage and is necessary to support all your BlueCard business transactions and inquiries.

Authorizations

- Authorization of medical services for other state Blue plan members is provided by the member's Blue plan.
- Providers can contact the member's Blue plan by calling the designated telephone number of the Health Care Services department located on the back of the member's ID card.
- Blue Shield provides an online capability within Provider Connection, to access other state Blue plans:
 - Medical policies
 - Authorization requirements and pre-certification policies
 - Request authorizations
- Electronic Provider Access (EPA) is the online tool allowing California providers to access other Blue Plan's provider sites via a secure routing mechanism to obtain above information.

Electronic provider access

- To access the EPA tool, log onto Provider Connection at blueshieldca.com/provider, click on the *Pre-service review for out-of-area members* link within the *Authorizations* section. Choose from the available options:
 - Medical Policy Information – Select this option to obtain medical policy for a service.
 - Prior Authorization Information – Select this option to determine if pre-service and pre-authorization is required for a service.
 - Electronic Provider Access – Select this option to submit a pre-certification and prior authorization request.
 - Enter required data fields and you will then be automatically routed to the member's Blue plan provider portal to begin an authorization request. Please note that each Blue plan's website is customized to their authorization services they offer.

Use this tool to access medical policies, authorization requirements and prior authorization request systems for member insured by another state's Blue Plan. This tool allows California-based providers to access other Blue Plan's provider sites via a secure routing mechanism - Electronic Provider Access.

Enter the valid three-character prefix - the first three characters of the Member/Subscriber ID as displayed on the member ID card to get the authorization information. All fields required

NOTE: In order to access other state's Blue Plan site you must enable browser pop-ups.

What would you like to do?

- Obtain medical policy information
- Get pre-service review and pre-authorization requirements information
- Request a pre-certification or service prior authorization via Electronic Provider Access

claim enhancement options

We have made significant improvements to the BlueCard® Program claims pages. You will now be able to:

- View additional status details for claims in process
- Request status from out-of-state plans for a claim straight from the claim page
- Request member eligibility and benefits details from out-of-state plans in the context of a claim
- View available letters for a claim

The details pages for all types of claims have also been updated. The new layout will enable you to easily view:

- The claim summary page, expanding member and claim information sections together if needed
- All claims for the same member
- The claim history sequence for adjusted claims and claims that may be of relevance based on member ID, dates of service, provider name, and billed amount
- The claim notes for service/procedure details via jump links
