

# Tandem PPO member ID card example

## Tips

- Member ID# alpha prefix for Tandem PPO is **XNK**.\*
- **Small business plan** cards will display "Tandem PPO" in the Network Name area, and "Tandem" will be included in the plan name.
- **Large group plan** cards will not display "Tandem PPO" in the Network Name area per space limitations, and "Tandem" will be included in the plan name.

All current Tandem PPO member IDs begin with "XNK."

The name of the "Tandem PPO Network," representing the network that provides services for these members, will appear on some versions of the member ID card, but not all versions.

It is important to always check member eligibility and benefits before to providing non-emergency services.

Benefits and eligibility will be displayed online at [www.blueshieldca.com/provider](http://www.blueshieldca.com/provider) for Tandem PPO members beginning January 1, 2018.

The name of the member's plan will appear here on all member ID cards.

\* In the future, new prefixes may be needed for customized national accounts.
