Residents of a long-term care facility may access their prescription drugs covered under Blue Shield Promise Cal MediConnect Plan through the facility's long-term care pharmacy or another network long-term care pharmacy. Blue Shield Promise Cal MediConnect Plan has a process in place to assist you in obtaining prescription drugs when you are in a long-term care (LTC) facility. If you are in an LTC facility and are prescribed a non-formulary drug, we will authorize a one-time, 30-day supply of the medication prescribed for transition purposes.
If you are on a complicated medication regimen, or a regimen where safety concerns do not permit you to be transitioned sooner, up to a 6-month transitional period will be allowed. This transition period will also be allowed for patients with multiple medications and with multiple physicians providing care.

For more information, please call Blue Shield Promise Cal MediConnect Plan at 1-855-905-3825 (TTY: 711) 8:00 a.m. to 8:00 p.m. seven days a week.
