## B. Providers

### B1. Key terms

This section explains key terms in our *Provider and Pharmacy Directory*.

- **Providers** are health care professionals and support providers such as doctors, nurses, pharmacists, therapists, and other people who provide care and services. **Services** include medical care, long-term services and supports (LTSS), supplies, prescription drugs, equipment and other services.
  - The term providers also includes facilities such as hospitals, clinics, and other places that provide medical services, medical equipment, and long-term services and supports.
  - Providers that are a part of our plan's network are called network providers.
- **Network providers** are the providers that have contracted with us to provide services to members in our plan. The providers in our network generally bill us directly for care they give you. When you use a network provider, you usually pay nothing for covered services.
- A **Primary Care Physician** (PCP) is an internist, family practitioner, general practitioner, or specialist who gives you routine health care. Your PCP will keep your medical records and get to know your health needs over time. Your PCP will also give you a **referral** if you need a specialist or other provider.
- **Specialists** are doctors who provide health care services for a specific disease or part of the body. There are many kinds of specialists. Here are a few examples:
  - Oncologists care for patients with cancer.
  - Cardiologists care for patients with heart conditions.
  - Orthopedists care for patients with certain bone, joint, or muscle conditions.

**If you have questions**, please call Blue Shield Promise Cal MediConnect Plan at (855) 905-3825 (TTY: 711), 8:00 a.m. to 8:00 p.m. seven days a week. The call is free. **For more information**, visit [www.blueshieldca.com/promise/calmediconnect](http://www.blueshieldca.com/promise/calmediconnect).

- A Medical group or an independent physician association (IPA) is an organization formed under California law that contracts with health plans to provide or arrange for the provisions of health care services to health plan enrollees. Please see section B2 for additional information.
- You may need a **referral** for a specialist or someone that is not your PCP. A **referral** means that your primary care physician (PCP) must give you approval before you can use someone that is not your PCP. If you don't get a referral, Blue Shield Promise Cal MediConnect Plan may not cover the service.
  - Referrals from our plan are not needed for:
    - Emergency care;
    - Urgently needed care;
    - Kidney dialysis services that you get at a Medicare-certified dialysis facility when you are outside the plan's service area; or
    - Services from a women's health specialist.
    - All preventive services covered by Medicare, including screenings and vaccines.
  - Additionally, if you are eligible to get services from Indian health providers, you may use these providers without a referral. We must pay the Indian health provider for those services even if they are out of our plan's network.
  - More information on referrals is available in Chapter 3 of the *Member Handbook*.
- You also have access to a Care Navigator and a care team that you help choose.
  - A **Care Navigator** helps you manage your medical providers and services.
  - Your **Care Team** begins with your relationship between you and your PCP. The Care Team may include a caregiver, Care Navigator, specialist, and others, based on the level of need demonstrated in your Care Plan. Everyone on the care team works together to make sure your care is coordinated. This means that they make sure tests and labs are done once and the results are shared with the appropriate providers. It also means that your PCP should know all medicines you take so that they can reduce any negative effects. Your Care Team will work

## B2. Choosing a Primary Care Physician (PCP)

You can get services from any provider who is in our network and accepting new members.

First, you will need to choose a Primary Care Physician. You may be able to have a specialist act as your PCP. You may choose a specialist as your PCP if the specialist agrees to provide all the services that PCPs traditionally provide. To request your specialist to be your PCP, contact Blue Shield Promise Cal MediConnect Plan Customer Care.

Our plan's PCPs are affiliated with medical groups. When you choose your PCP, you are also choosing the affiliated medical group. This means that your PCP will be referring you to specialists and services that are also affiliated with their medical group.

- If there is a particular specialist or hospital that you want to use, it is important to find out whether they are affiliated with your PCP's medical group. You can look in this directory or ask Blue Shield Promise Cal MediConnect Plan Customer Care to check to find out if the PCP you want makes referrals to that specialist or uses that hospital.
- If you don't stay within your PCP's medical group, Blue Shield Promise Cal MediConnect Plan may not cover the service.

To choose a PCP, refer to the list of physicians on page 20 - 907 and choose a physician:

- that you use now, **or**
- who has been recommended by someone you trust, **or**
- whose offices are easy for you to get to.
- If you want help in choosing a PCP, please call Customer Care at (855) 905-3825, 8:00 a.m. to 8:00 p.m. seven days a week. The call is free (TTY: 711). Or, visit [www.blueshieldca.com/promise/calmediconnect](http://www.blueshieldca.com/promise/calmediconnect).
- If you have questions about whether we will pay for any medical service or care that you want or need, call Customer Care and ask **before** you get the service or care.

## B3. Long-term services and supports (LTSS)

As a Blue Shield Promise Cal MediConnect Plan member, you may be able to get long-term services and supports (LTSS), such as Community-Based Adult Day Services (CBAS) which provide nursing services, physical, occupational and speech therapy, therapeutic activities, and meals at centers in the community. In-Home Supportive Services (IHSS), in-home care for people that cannot safely remain in their home without care-giving

---

**If you have questions**, please call Blue Shield Promise Cal MediConnect Plan at (855) 905-3825 (TTY: 711), 8:00 a.m. to 8:00 p.m. seven days a week. The call is free. **For more information**, visit [www.blueshieldca.com/promise/calmediconnect](http://www.blueshieldca.com/promise/calmediconnect).

assistance. LTSS help people who need assistance to do everyday tasks like taking a bath, getting dressed, making food, and taking medicine. Most of these services are provided at your home or in your community but could be provided in a nursing home or hospital.

These services include Community-Based Adult Services (CBAS).

CBAS is a community-based day health program that provides services to older persons and adults with chronic medical, cognitive, or mental health conditions and/or disabilities that are at risk of needing institutional care.

To find providers of these services, refer to page 1068 in this Directory.

A full list of these services is available in Chapter 4 of your *Member Handbook*.

#### **B4. How to identify providers in Blue Shield Promise Cal MediConnect Plan's network**

You must get all of your covered services from providers within our network that are affiliated with your PCP's medical group. If you use providers who are not in Blue Shield Promise Cal MediConnect Plan's network and are not affiliated with your PCP's medical group (without prior authorization or approval from us), you will have to pay the bill.

**A prior authorization** is an approval from **Blue Shield Promise Cal MediConnect Plan** before you can get a specific service or drug or use an out-of-network provider. **Blue Shield Promise Cal MediConnect Plan** may not cover the service or drug if you don't get approval.

The exceptions to this rule are when you need urgent or emergency care or dialysis and cannot get to a provider in the plan, such as when you are away from home. You can

**If you have questions**, please call Blue Shield Promise Cal MediConnect Plan at (855) 905-3825 (TTY: 711), 8:00 a.m. to 8:00 p.m. seven days a week. The call is free. **For more information**, visit [www.blueshieldca.com/promise/calmediconnect](http://www.blueshieldca.com/promise/calmediconnect).

also go outside the plan or your PCP's medical group if Blue Shield Promise Cal MediConnect Plan gives you permission first.

You may need a referral for someone who is not a Primary Care Physician. There is more information about referrals in Section B1, Key terms, of this Directory on page 11.

- You may change providers within the network at any time during the year. If you have been using one network provider, you do not have to keep using that same provider. For some providers, you may need a referral from your PCP. A PCP change will be effective the first day of the following month, as long as we receive your request by the 20th of the current month. To change your PCP, call Customer Care. When you call, be sure to tell Customer Care whether you are using a specialist or receiving other covered services that require PCP approval (such as home health services and durable medical equipment). Customer Care will help make sure that you can continue your specialty care and other services when you change your PCP. Customer Care will also check whether the PCP you want to switch to is accepting new patients. Customer Care will change your membership record to show the name of your new PCP and tell you when the change to your new PCP will take effect. Customer Care will also send you a new membership card that shows the name and phone number of your new PCP.
- Remember, our plan's PCPs are affiliated with medical groups. If you change your PCP, you may also be changing medical groups. When you ask for the change, be sure to tell Customer Care whether you are using a specialist or getting other covered services that require PCP approval. Customer Care will help make sure that you can continue your specialty care and other services when you change your PCP.
- Blue Shield Promise Cal MediConnect Plan works with all the providers in our network to accommodate the needs of people with disabilities. As applicable, the list of network providers in this Directory includes information about the accommodations they provide.
- If you need a provider and are not sure if they offer the accommodations you need, Blue Shield Promise Cal MediConnect Plan can help you. Talk to your Care Navigator, for assistance or call Customer Care at (855) 905-3825 (TTY: 711) 8:00 a.m. to 8:00 p.m. seven days a week.

This part of the Directory provides a list of pharmacies in Blue Shield Promise Cal MediConnect Plan's network. These network pharmacies are pharmacies that have agreed to provide prescription drugs to you as a member of the plan.

- Blue Shield Promise Cal MediConnect Plan's members must use network pharmacies to get prescription drugs except in emergency or urgent care situations.
- If you use an out-of-network pharmacy for prescriptions when it is not an emergency, you will have to pay out of pocket for the service.
- Read the Blue Shield Promise Cal MediConnect *Member Handbook* for more information.

This Directory may not list all network pharmacies. We may have added or removed some network pharmacies from our plan after we published this Directory.

For up-to-date information about Blue Shield Promise Cal MediConnect network pharmacies in your area, please visit our website at [www.blueshieldca.com/promise/calmediconnect](http://www.blueshieldca.com/promise/calmediconnect) or call Customer Care at (855) 905-3825 (TTY: 711), 8:00 a.m. to 8:00 p.m. seven days a week. ## **D2. Long-term supplies of prescriptions**

- **Extended-day supply.** Your plan covers a 100-day supply of Tier 1 maintenance medications and 90-day supply of your Tier 2 through 3 maintenance medications at all network pharmacies (including CVS Caremark, your plan's mail service pharmacy). Maintenance drugs are those prescribed to treat a chronic or long-term medical condition, such as asthma, diabetes, high blood pressure, or high cholesterol, and are taken on an ongoing, regular basis to maintain health. Ask your doctor for a 100 or 90-day supply prescription. Note: Opioids and non-Part D drugs are only available with a 30-day supply.
