Last updated October 2021

Blue Shield of California has contracted with OTC Health Solutions to provide the over-the-counter (OTC) items benefit offering. Please keep this valuable booklet nearby as you will need it to look up the OTC items you want to order. It also contains step-by-step instructions on how to order online or by phone. Please visit blueshieldca.com/medicareOTC for additional information on OTC items benefit details.

If you are enrolled in one of the following Blue Shield of California plans, you have the OTC items benefit available:

- Blue Shield Inspire (HMO) – Los Angeles, Orange, Alameda, San Mateo, Fresno, Madera, Santa Clara, San Joaquin, Stanislaus, and Merced counties
- Blue Shield Inspire (HMO D-SNP) – Fresno, San Joaquin, Merced, and Stanislaus counties
- Blue Shield Inspire (PPO) – Alameda County
- Blue Shield 65 PlusSM (HMO) – San Luis Obispo, Santa Barbara, Kern, San Diego, and Ventura counties
- Blue Shield 65 Plus Choice Plan (HMO) – San Bernardino and Riverside counties
- Blue Shield AdvantageOptimum Plan (HMO) – Los Angeles, Orange, Fresno, Santa Clara, Merced, Stanislaus, and San Joaquin counties

- Blue Shield TotalDual Plan (HMO D-SNP) – Los Angeles, Orange, San Bernardino, and San Diego counties
- Blue Shield Medicare (PPO) – select plans; refer to your *Evidence of Coverage* to determine if you have this benefit
- Medicare Supplement Plan G Extra
- Medicare Supplement Plan G Inspire

This is not a prescription drug benefit or prescription drug coverage under Medicare Part B or Part D. Please see your plan documents to verify prescription drug benefits or coverage, as applicable.

There are items or products in this catalog that may be covered for you under Medicare Part B or Part D. When an item is covered by Part B or Part D due to your particular circumstances, you would not use your OTC items benefit to obtain the product because it is covered by Medicare and not a part of your OTC items benefit.

In the event that something you order is out of stock, an item of similar or greater value may be substituted. If a product is recalled by the manufacturer for any reason, it will be removed from the product offering.

Two convenient ways to place an order

#1 – Place an order online

How to place an order online:

1. Log in to your Blue Shield member account online at blueshieldca.com/medicareOTC
2. Under *Popular Tasks*, select *Over-the-Counter Items*, then click *Continue* in the pop-up window. You will be redirected to OTC Health Solutions website.
3. **Create an OTC items account**
 - If it is your first time placing an order online, you will need to create an account. Choose the *Create Account* button and follow the instructions.
 - You will need your **member ID number, date of birth, ZIP code, and current email address**.
 - **Important note:** When entering your Blue Shield member ID number, only include the numeric values. For example, if your member ID number is ABC123456789, you will enter only "123456789." You will also need to create a password.
 - Each member creating an account needs to have a separate email address. If a member shares an email address with a spouse or caregiver who also has an account, they will only be able to register one account.
 - If you need help locating your member ID number, select *Get help locating your member ID*.
 - Remember to save your password for future orders. You will need your member ID number or email address along with your password to sign in again.
 - If you forget your password, choose the *Forgot Password?* button to create a new one.
4. **Place an order**
 - Once you sign in, your benefit amount and balance will be displayed at the top of the page.
 - Browse through the available products and add the items you need to your basket. Your order total will automatically deduct from your balance.
 - Once you are ready to place your order, click on *Checkout*.
 - On the Checkout page, you will need to confirm that the shipping address shown is correct. Review the order one last time to make sure everything is correct. Then place your order. It should arrive within 14 calendar days.
 - When your order has shipped, you will receive an email with tracking information. You will receive another when your order has shipped and a final email when your order has been delivered.
 - Please review the order frequency limits located in the FAQs to avoid missing benefit funds.

Reminder: Orders for each benefit period must be placed by 8:59 p.m. Pacific time on the last day of the period.

Return policy

Due to the personal nature of the products, no returns or exchanges are allowed. If you have not received your order or if you received a defective or damaged item, please call OTC Health Solutions within 30 days of placing your order. If your item is not in stock, an item of similar or greater value may be substituted.

#2 – By phone

You may place your order by calling **(888) 628-2770 (TTY: 711)**. Live agents are available to help you Monday through Friday from 9 a.m. to 8 p.m. Pacific time.

You can also order 24/7 via our automated interactive voice response (IVR) system. See instructions below.

When ordering by phone, please have your member ID card ready, along with the items you wish to order.

How to place an order using the 24-hour interactive voice response (IVR) system:

1. Call OTC Health Solutions from the phone number on file for you.

Note: By calling from this number, the system is able to recognize you. If you wish to use a different number to order through the IVR system, you can provide the alternative number to an OTCHS agent during business hours so it can be added to your account.

2. Once the system locates your account, you will be asked to input your date of birth in MMDD format.
3. The account authentication process will start, and the system will verify the name and address on the account.
4. Once the ordering process begins, please identify the item by inputting the numerical portion of its code.
 - Example: If you want to order “C34 medicated chest rub,” select “34” and wait for the prompt to confirm the item. Once the system locates the item, it will read back the product name and quantity and ask if the selection is correct. **Important:** Please allow the system to finish speaking the question before making your selection.
 - If you reply “yes,” the system will add the item to your cart.
 - If you reply “no,” the system will provide an option to edit the product or the quantity.
5. Once you have finished selecting the items, you will have the choice to review them in the cart or submit the order.
 - If you submit the order without review, the system will provide a confirmation number and the call will disconnect.
 - If you review the order, the system will allow you to edit the items, start over, submit the order, or speak with an agent (weekdays from 9 a.m. to 8 p.m. Pacific time). Note: Should you choose to speak to a agent, your items will not be saved and you will have to restart your order.

Through the IVR system, you can also track your order or request a catalog.

Return policy

Due to the personal nature of the products, no returns or exchanges are allowed. If you have not received your order or if you received a defective or damaged item, please call OTC Health Solutions within 30 days of placing your order. If your item is not in stock, an item of similar or greater value may be substituted.

Frequently asked questions (FAQs)

Where can I find my member ID number?

It can be found on the front of your medical plan member ID card.

What is the OTC items benefit?

The OTC items benefit offers you an easy way to order generic, over-the-counter health and wellness products by phone at **(888) 628-2770 (TTY: 711)** or online at **blueshieldca.com/medicareOTC**. You choose from a list of approved OTC items, and OTC Health Solutions will mail them directly to your home address. Not only is it convenient, it helps you lower your out-of-pocket costs for OTC items by using your benefit allowance amount.

How much is my OTC items benefit?

The benefit allowance amount depends on your Blue Shield plan. Check your plan documents or call OTC Health Solutions at **(888) 628-2770 (TTY: 711)**.

How often can I use my OTC items benefit?

You can use your OTC items benefit up to twice per quarter up to your benefit allowance amount. If you submit more than two orders per quarter, you will exceed your benefit allowance. Quarterly benefit periods are:

- Quarter 1 (January, February, and March)
- Quarter 2 (April, May, and June)
- Quarter 3 (July, August, and September)
- Quarter 4 (October, November, and December)

Can I carry over unused benefit allowance amounts to the next benefit period?

Unused benefit allowance amounts do not roll over to the next quarter.

Can I order more than my benefit amount (both number of orders and allowance amount)?

Your order total cannot exceed your benefit amount (number of orders and/or allowance amount), and we cannot accept payment to purchase items over your benefit. If your order exceeds the benefit amount, we cannot process your order.

How long will it take to receive my order?

You will receive your items within 14 calendar days of ordering.

Can I cancel my order once it has been placed?

Orders can only be cancelled within ONE HOUR of being placed.

How do I confirm my order was placed?

Once the order has been placed, you will receive a confirmation number. Always make sure to keep your confirmation number.

Can I track my order?

You can opt in to get tracking information via email or text; simply advise the agent when placing your order.

How can I receive another copy of this catalog?

You will receive a digital version of the catalog with every tracking email/text. You can also print a copy from the plan web page.

FAQs (continued)

Where can I get additional information about the products?

In this catalog you will find SKU numbers that can be used at <https://www.cvs.com> to search for product images and obtain additional product information, such as ingredients.

How will the items be shipped?

Items are shipped via USPS to your home at no charge to you. Please allow up to 14 calendar days for delivery.

Additional notes:

- **Quantity limits:** There is no limit on the number of different products you may order. There is, however, a quantity limit of nine per any single item, per quarter. There are some select products that have special limits, and these are marked by a "★" or a "■."
- **Supplements:** To purchase certain vitamin and mineral supplements, your physician must recommend them to you for a specific diagnosed condition. These are called "dual-purpose items" and are marked with a "◆." Please speak with your physician before ordering these types of items.
- **Personal use only:** Products in this catalog are intended for personal use and may be ordered only for the enrolled member.

If you have not received your items within 14 calendar days of ordering, please call (888) 628-2770 (TTY: 711), Monday to Friday, 9 a.m. to 8 p.m. Pacific time.
