В. Часто задаваемые вопросы (FAQ)

Здесь вы найдете ответы на вопросы об этом *Списке покрываемых лекарственных препаратов*. Вы можете прочитать все часто задаваемые вопросы (FAQ), чтобы узнать больше, или найти ответ на необходимый вопрос.

В1. Какие препараты рецептурного отпуска включены в Список покрываемых лекарственных препаратов? (Для краткости мы называем Список покрываемых лекарственных препаратов «Списком лекарств».)

Лекарства в *Списке покрываемых лекарств*, который начинается на странице 1, это лекарства, покрываемые Blue Shield TotalDual Plan. Препараты доступны в аптеках нашей сети. Аптека входит в нашу сеть, если у нас есть соглашение с ней о сотрудничестве и предоставлении вам услуг. Мы называем эти аптеки «сетевыми аптеками». Рецептурные препараты, включенные в этот Список покрываемых лекарств, покрываются планом *Blue Shield TotalDual Plan*. Другие лекарства, такие как некоторые лекарства, отпускаемые без рецепта (OTC) и некоторые витамины, могут покрываться программой Medi-Cal Rx. Посетите веб-сайт Medi-Cal Rx (www.medi-calrx.dhcs.ca.gov) для получения дополнительной информации. Вы также можете позвонить в Центр поддержки участников Medi-Cal Rx по телефону 800-977-2273. Пожалуйста, возьмите с собой идентификационную карту участника программы Medi-Cal (BIC) при получении рецептов через Medi-Cal Rx.

- Blue Shield TotalDual Plan покрывает все необходимые с медицинской точки зрения лекарства из Списка лекарств, если:
 - o ваш или другой врач, назначающий лекарства, скажет, что они нужны вам для лечения или поддержания здоровья,
 - o Blue Shield TotalDual Plan согласен с тем, что лекарство необходимо вам по медицинским показаниям, **и**
 - o вы получаете лекарство по рецепту в сетевой аптеке Blue Shield TotalDual Plan.
- В некоторых случаях вам нужно что-то сделать, прежде чем вы сможете получить лекарство. Обратитесь к вопросу В4 для получения дополнительной информации.

Вы также можете ознакомиться с обновленным списком лекарственных препаратов, которые покрываются нашей программой, на нашем веб-сайте по адресу blueshieldca.com/medformulary2023 или позвонить в центр поддержки участников программы по телефону (800) 452-4413 (TTY: 711) с 8:00 до 20:00, без выходных. Эта информация также доступна в нижнем колонтитуле этого документа.

В случае возникновения вопросов свяжитесь с Blue Shield TotalDual Plan по телефону (800) 452-4413 (TTY: 711) с 8:00 до 20:00, без выходных. Звонок бесплатный. **Дополнительную информацию** можно найти по ссылке blueshieldca.com/medformulary2023.

В2. Изменяется ли Список лекарств?

Да, при этом план Blue Shield TotalDual Plan должен следовать правилам Medicare и Medi-Cal при внесении изменений. Мы можем добавлять или удалять лекарственные препараты из Списка лекарств в течение года.

Мы также можем изменять наши правила в отношении лекарственных препаратов. Например, мы можем:

- Решить, требовать или не требовать предварительного одобрения лекарственного препарата. (Предварительное одобрение — это разрешение плана Blue Shield TotalDual Plan до того, как вы сможете получить лекарство.)
- Добавить или изменить количество препарата, которое вы можете получить (так называемые количественные нормы).
- Добавить или изменить ограничения поэтапной терапии на использование лекарственного препарата. (Поэтапная терапия означает, что вы должны попробовать один лекарственный препарат, прежде чем мы обеспечим покрытие другого лекарственного препарата.)

Для получения дополнительной информации о правилах, касающихся этих лекарств, см. вопрос В4.

Если вы принимаете лекарство, которое имело покрытие в **начале** года, мы, как правило, не будем отменять или изменять покрытие этого лекарства **до конца этого года**, кроме случаев, когда:

- на рынке появится новый, более дешевый лекарственный препарат, обладающий таким же эффектом, как и лекарственный препарат из Списка лекарств, **или**
- мы узнаем, что лекарственный препарат небезопасен, **или**
- лекарственный препарат будет снят с продаж.

Вопросы В3 и В6 ниже содержат больше информации о том, что происходит при изменении Списка лекарств.

- Вы можете всегда проверить актуальный список лекарственных препаратов Blue Shield TotalDual Plan на веб-сайте по адресу blueshieldca.com/medformulary2023.
- Вы также можете обратиться в Центр поддержки участников по телефону (800) 452-4413 (TTY: 711), с 8:00 до 20:00, без выходных, чтобы проверить актуальный Список лекарств.

В3. Что происходит при изменении Списка лекарств?

Некоторые изменения Списка лекарств происходят **незамедлительно**. Например:

- **Появляется новый непатентованный лекарственный препарат.**
Иногда на рынке появляется новый непатентованный лекарственный препарат, который работает так же хорошо, как и патентованный лекарственный препарат из Списка лекарств. В этом случае мы можем убрать из списка патентованный лекарственный препарат и добавить новый непатентованный препарат, но стоимость нового препарата останется \$0. Когда мы добавляем новый непатентованный лекарственный препарат, мы также можем принять решение о сохранении патентованного лекарственного средства в списке, но изменить правила его покрытия или нормы.
 - o Мы можем не уведомить вас о предстоящем изменении, но вышлем вам информацию о конкретных изменениях, которые мы внесли, как только они произойдут.
 - o Вы или ваш поставщик услуг можете попросить об исключении из этих изменений. Мы отправим вам уведомление с указанием действий, которые вы можете предпринять, чтобы запросить исключение. Смотрите вопросы B10-B12 для получения дополнительной информации об исключениях.
- **Лекарство снято с рынка.** Если Food and Drug Administration (FDA, Управление по санитарному надзору за качеством пищевых продуктов и медикаментов США) заявит, что лекарственный препарат, который вы принимаете, небезопасен, или производитель препарата снимает препарат с рынка, мы исключим его из Списка лекарств. Если вы принимаете лекарственный препарат, мы сообщим вам, что препарат был исключен из Списка лекарств, и расскажем, что делать дальше.

Мы можем вносить другие изменения, которые влияют на принимаемые вами лекарства. Мы заранее сообщим вам об этих других изменениях Списка лекарств. Эти изменения могут произойти, если:

- FDA предоставляет новое руководство или существуют новые клинические рекомендации о лекарственном препарате.

Продолжение раздела на следующей странице

В случае возникновения вопросов свяжитесь с Blue Shield TotalDual Plan по телефону (800) 452-4413 (TTY: 711) с 8:00 до 20:00, без выходных. Звонок бесплатный. **Дополнительную информацию** можно найти по ссылке blueshieldca.com/medformulary2023.

- Мы добавляем непатентованный лекарственный препарат, который не является новым для рынка, **и**
 - o Заменяем патентованный лекарственный препарат, который в настоящее время находится в Списке лекарств, **или**
 - o Изменяем правила покрытия или нормы для патентованного препарата.

Когда эти изменения произойдут, мы:

- Сообщим вам об изменении по крайней мере за 30 дней до того, как оно будет внесено в Список лекарств **или**
- Сообщим вам и предоставим вам 30-дневный запас лекарственного препарата после того, как вы сделаете запрос на пополнение.

Это даст вам время поговорить с вашим врачом или другим лицом, выписывающим рецепт. Они могут помочь вам принять решение:

- Определить аналогичный препарат в Списке лекарств, который вы сможете выбрать в качестве замены или
- Попросить об исключении для этих изменений. Чтобы узнать больше об исключениях, см. вопросы B10-B12.

В4. Существуют ли какие-либо нормы или ограничения на покрытие лекарственных препаратов или какие-либо условия, выполнение которых требуется для получения определенных лекарств?

Да, у некоторых лекарств есть правила покрытия или нормы на количество, которое вы можете получить. В некоторых случаях вы, ваш врач или другое лицо, выписывающее рецепт, должны выполнить определенные условия, прежде чем вы сможете получить лекарственный препарат. Например:

- **Предварительное одобрение:** Для получения некоторых лекарств вы, ваш врач или другое лицо, выписывающее рецепт, должны получить разрешение от Blue Shield TotalDual Plan, прежде чем вы получите рецепт. Предварительное одобрение отличается от направления. План Blue Shield TotalDual Plan может не покрывать лекарство, если вы не получили предварительное одобрение.

Продолжение раздела на следующей странице

- **Нормы по количеству:** Иногда Blue Shield TotalDual Plan ограничивает количество лекарства, которое вы можете получить.
- **Поэтапная терапия:** Иногда Blue Shield TotalDual Plan требует от вас проведения поэтапной терапии. Это означает, что вам придется пробовать лекарства в определенном порядке для вашего заболевания. Возможно, вам придется попробовать один лекарственный препарат, прежде чем мы покроем другой. Если ваш врач посчитает, что первый препарат вам не подходит, тогда мы покроем второй.

Вы можете узнать, есть ли у вашего лекарства какие-либо дополнительные требования или ограничения, просмотрев таблицы, которые начинаются на странице 1. Вы также можете получить дополнительную информацию, посетив наш веб-сайт по адресу blueshieldca.com/medformulary2023. Мы опубликовали в Интернете документы, в которых разъясняются наши ограничения на предварительное одобрение и поэтапную терапию. Вы также можете попросить нас выслать вам копию.

Вы можете попросить об исключении из этих ограничений. Это даст вам время поговорить с вашим врачом или другим лицом, выписывающим рецепт. Он или она поможет вам найти аналогичный лекарственный препарат в Списке лекарств, который вы сможете использовать вместо этого лекарства, или попросить об исключении. Смотрите вопросы B10-B12 для получения дополнительной информации об исключениях.

B5. Как узнать, есть ли у нужного вам лекарственного препарата ограничения или требуется ли выполнение особых действий для его получения?

Таблица в Списке лекарств по названию заболевания на странице 1 включает столбец «Необходимые действия, нормы или ограничения по использованию».

В случае возникновения вопросов свяжитесь с Blue Shield TotalDual Plan по телефону (800) 452-4413 (TTY: 711) с 8:00 до 20:00, без выходных. Звонок бесплатный. **Дополнительную информацию** можно найти по ссылке blueshieldca.com/medformulary2023.

В6. Что произойдет, если план Blue Shield TotalDual Plan изменит свои правила покрытия некоторых лекарств (например, предварительное одобрение, ограничения количества и/или ограничения поэтапной терапии)?

В некоторых случаях мы заранее сообщим вам о добавлении или изменении предварительного одобрения, ограничения количества и/или ограничения поэтапной терапии для лекарства. См. вопрос В3 для получения дополнительной информации об этом предварительном уведомлении и ситуациях, когда мы не сможем сообщить вам заранее об изменении правил в отношении лекарств в Списке лекарств.

В7. Как найти лекарство в Списке лекарств?

Есть два способа найти лекарство:

- Вы можете искать по алфавиту **или**
- Вы можете искать по названию заболевания.

Для поиска **по алфавиту** ищите лекарство в разделе «Указатель покрываемых лекарственных препаратов». Вы можете найти его в указателе, который начинается на странице 112 . Указатель содержит алфавитный список всех лекарств, включенных в этот документ. Указатель включает патентованные и непатентованные лекарственные препараты.

Найдите ваш лекарственный препарат в Указателе. Рядом с вашим лекарством вы увидите номер страницы, где вы можете найти информацию о покрытии. Перейдите на страницу, определенную в Указателе, и найдите название вашего лекарственного препарата в первом столбце списка.

Для поиска **по названию заболевания** найдите раздел «Список лекарств по названию заболевания» на странице xii . Препараты в этом разделе сгруппированы по категориям в зависимости от типа заболевания, для лечения которого они используются. Например, если у вас заболевание сердца, вы должны искать в категории Cardiovascular Agents. Здесь вы найдете лекарства, которые используются для лечения сердечно-сосудистых заболеваний.

В8. Что делать, если требуемое лекарство отсутствует в Списке лекарств?

Если вы не можете найти требуемое лекарство в Списке лекарств, позвоните в Службу поддержки участников по телефону (800) 452-4413 (TTY: 711) с 8:00 до 20:00, без выходных, и спросите об этом. Если вы узнаете, что Blue Shield TotalDual Plan не покрывает лекарство, вы можете выполнить одно из следующих действий:

- Обратитесь в центр поддержки участников программы, чтобы получить список лекарств, аналогичных тому, которое вы хотите принимать. Затем покажите этот список своему врачу или другому лицу, выписывающему рецепт. Он или она сможет прописать лекарство из Списка лекарств, аналогичное тому, которое вы ищете. **Или**
- Вы можете попросить, чтобы Blue Shield TotalDual Plan сделал исключение для покрытия вашего лекарства. Смотрите вопросы B10-B12 для получения дополнительной информации об исключениях.

В9. Что делать, если вы являетесь новым участником Blue Shield TotalDual Plan и не можете найти свое лекарство в Списке лекарств, или у вас возникли проблемы с получением лекарства?

Мы можем помочь. Мы можем покрыть временный 30-дневный запас вашего лекарства в течение первых 90 дней, когда вы являетесь участником Blue Shield TotalDual Plan. Это даст вам время поговорить с вашим врачом или другим лицом, выписывающим рецепт.

Он или она поможет вам найти аналогичный лекарственный препарат в Списке лекарств, который вы сможете использовать вместо этого препарата, или попросить об исключении.

Если ваш рецепт выписан на меньшее количество дней, мы разрешим многократное пополнение запаса лекарств максимум на 30 дней.

Мы покроем 30-дневный запас вашего лекарства, если:

- вы принимаете лекарство, которого нет в нашем Списке лекарств, **или**
- правила плана не позволяют вам получить количество, назначенное вашим врачом, **или**
- лекарство требует предварительного одобрения Blue Shield TotalDual Plan, **или**
- вы принимаете лекарство, которое является частью ограничения поэтапной терапии.

Если вы принимаете лекарство, которое план Blue Shield TotalDual Plan не считает лекарством Части D, вы имеете право получить одноразовый запас лекарства на 72 часа.

Если вы находитесь в доме престарелых или другом учреждении длительного ухода и нуждаетесь в лекарстве, которого нет в Списке лекарств, или если вы не можете легко получить необходимое лекарство, мы можем помочь. Если вы пользовались планом более 90 дней, живете в учреждении длительного ухода и нуждаетесь в немедленном запасе:

- Мы покроем одну 31-дневную поставку необходимого вам лекарства (если у вас нет рецепта на меньшее количество дней), независимо от того, являетесь ли вы новым участником Blue Shield TotalDual Plan.
- Это – в дополнение к временному запасу в течение первых 90 дней, когда вы являетесь участником Blue Shield TotalDual Plan.

Политика перехода

В условиях, когда бенефициар переходит от одной схемы лечения к другой, Blue Shield TotalDual Plan обеспечит быстрый процесс одобрения лекарств, не входящих в Часть D фармацевтического справочника. Этот процесс также применяется к лекарственным средствам из Части D справочника, которые требуют предварительного утверждения или для поэтапной терапии. Примеры изменения уровня медицинского обслуживания: бенефициары, которые выписываются из больницы домой; бенефициары, которые заканчивают свое пребывание в учреждении ухода с квалифицированными медсестрами в рамках программы Medicare, Часть А, и которым необходимо вернуться к своей Части D справочника плана; бенефициары, которые прекращают пребывание в учреждении длительного ухода и возвращаются в сообщество; и бенефициары, которые выписываются из психиатрических больниц со строго индивидуализированными режимами лечения.

В10. Можно ли мне попросить об исключении для покрытия моего лекарства?

Да. Вы можете попросить Blue Shield TotalDual Plan сделать исключение для покрытия лекарства, которого нет в Списке лекарств.

Вы также можете попросить нас изменить правила, касающиеся вашего лекарства.

- Например, план Blue Shield TotalDual Plan может ограничивать количество покрываемого нами лекарства. Если у вашего лекарства есть нормы, вы можете попросить нас изменить нормы и покрыть большее количество.
- Другие примеры: Вы можете попросить нас отменить ограничения поэтапной терапии или требования предварительного одобрения.

В11. Как попросить об исключении?

Чтобы попросить об исключении, позвоните в Центр поддержки участников по телефону (800) 452-4413 (TTY: 711), с 8:00 до 20:00, без выходных. Центр поддержки участников программы проведет работу с вами и вашим поставщиком услуг, чтобы помочь вам попросить об исключении. Вы также можете прочитать Главу 9 *Подтверждения покрытия*, чтобы узнать больше об исключениях.

В12. Сколько времени нужно, чтобы получить исключение?

После того, как мы получим заявление от вашего врача, подтверждающее ваш запрос на исключение, мы сообщим вам решение в течение 72 часов. Ваш врач может отправить это заявление в электронном виде (через Интернет или по факсу) или по почте. Он или она также может позвонить в отдел аптек Blue Shield и передать нам заявление в устной форме, а затем при необходимости отправить нам письменное заявление.

Если вы или ваш лечащий врач считаете, что вашему здоровью может быть нанесен ущерб, если вам придется ждать решения в течение 72 часов, вы можете попросить об ускоренном решении об исключении. Это более быстрое решение. Если ваш врач, назначающий лекарства, поддержит ваш запрос, мы предоставим вам решение в течение 24 часов после получения подтверждающего заявления вашего врача или лица, выписывающего рецепт.
