Introduction

This booklet provides a list of our plan's network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and Blue Shield 65 Plus, Blue Shield 65 Plus Plan 2, Blue Shield Inspire, Blue Shield 65 Plus Choice Plan, Blue Shield Enhanced, Blue Shield Select, Blue Shield AdvantageOptimum Plan, and Blue Shield AdvantageOptimum Plan 1's formulary.

When this pharmacy directory refers to "we," "us", or "our," it means Blue Shield of California. When it refers to "plan" or "our plan," it means Blue Shield 65 Plus, Blue Shield 65 Plus Plan 2, Blue Shield Inspire, Blue Shield 65 Plus Choice Plan, Blue Shield Enhanced, Blue Shield Select, Blue Shield AdvantageOptimum Plan, and Blue Shield AdvantageOptimum Plan 1.

We call the pharmacies on this list our "network pharmacies" because we have made arrangements with them to provide prescription drugs to Plan members. In most cases, your prescriptions are covered under our plan only if they are filled at a network pharmacy or through our mail service pharmacy. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of **06/2023**. For the most current list, please contact us. Our contact information appears on the front and back cover pages.

You can go to all the pharmacies on this list, but your costs for some drugs may be less at pharmacies in this list that offer preferred cost-sharing. We have marked these pharmacies with a "P" to distinguish them from other pharmacies in our network that offer standard cost-sharing. Cost sharing information can be found in the Summary of Benefits. You may still receive an extended supply of drugs at other network pharmacies; however, you may not receive the preferred cost-sharing.

You can get prescription drugs shipped to your home through CVS Caremark, our network mail service delivery program. For more information, please contact us or see the mail service pharmacy section of this pharmacy directory.

If you have questions about any of the above, please see the first and last cover pages of this directory for information on how to contact us.

To locate a network pharmacy, please follow the steps below:

1. Identify the "Pharmacy Type" you are looking for (Retail, Home Infusion, Long-Term Care, Specialty, or Mail Service Pharmacy).
2. Search and locate the "Pharmacy Type" section within this Directory;
3. Search and locate the "County" you are looking for (counties are listed in alphabetical order);
4. Search and locate the "City" you are looking for (cities are listed in alphabetical order); then
5. Search and locate a pharmacy by "Pharmacy Name" (pharmacies are listed in alphabetical order).

Retail Chain Pharmacies

All our plan Network Retail Pharmacies offer an extended day supply of medications. The table below lists all network chain pharmacies. To locate a chain pharmacy near you, you can call the corporate phone number listed or visit the pharmacy's website and perform a search using the locator tool.

Mail Service Pharmacy

You can get prescription drugs shipped to your home through CVS Caremark, our network mail service delivery program.

For refills of your mail service prescriptions, you have the option to sign up for an automatic refill program. Under this program, we will start to process your next refill automatically when our records show that you should be close to running out of your drug. We will contact you prior to shipping each refill to make sure you are in need of more medication. You can cancel scheduled refills if you have enough of your medication or if your medication has changed. If you choose not to use the auto refill program, please contact us 14 days before you think the drugs you have on hand will run out to make sure your next order is shipped to you in time. To opt out of the automatic refill program, please contact us by call Customer Care at **(800) 776-4466** or, for TTY users, **711**.

Typically, you should expect to receive your prescription drugs within 14 days from the time that the mail service pharmacy receives the order. If you do not receive your prescription drug(s) within this time, please contact us at **(800) 776-4466** or, for TTY users, **711**.

To sign up with CVS Caremark you will need to create and log in to your Blue Shield of California member account at blueshieldca.com/login. Once logged in, at the top of the page under myblueshield, select Benefits, and then Pharmacy to find the Mail service link. You can also call CVS Caremark at **(866) 346-7200** (TTY: **711**).

Home Infusion Pharmacies

Our plan will cover home infusion therapy when using a network home infusion pharmacy if:

- Your prescription drug is on your plan's formulary or you have a formulary exception;
- Blue Shield has approved your prescription drug for home infusion therapy; and
- Your prescription is written by an authorized prescriber.

For more information, please call Customer Care at **(800) 776-4466**. TTY users should call **711**.

Long-Term Care Pharmacies

Residents of a long-term care facility may access their prescription drugs covered under our plan through the facility's long-term care pharmacy or another network long-term care pharmacy.

Blue Shield of California has a process in place to assist you in obtaining prescription drugs when you are in a long-term care (LTC) facility. If you are in an LTC facility and are prescribed a non-formulary drug, we will authorize a one-time, 31-day supply of the medication prescribed for transition purposes.

If you are on a complicated medication regimen, or a regimen where safety concerns do not permit you to be transitioned sooner, up to a 6-month transitional period will be allowed. This transition period will also be allowed for patients with multiple medications and with multiple physicians providing care.

For more information, please call Customer Care at **(800) 776-4466**. TTY users should call **711**.
