

Diabetic supplies delivered to your doorstep

For Clovis USD PPO plan members

If you're a Clovis USD PPO plan member and need to order diabetic supplies, you may use one of the participating providers listed below in order to receive network benefits.

All of these network providers deliver diabetic supplies directly to you. They deliver throughout the state of California for your convenience. To place your order, call the numbers listed below, depending on your needs. You must have a valid prescription from your doctor.

Keep this list handy for your future reference. If you have any questions, contact HealthNow Administrative Services (HNAS) at **(855) 323-1124**.
