You may surrender this Policy by delivering or mailing it with the identification cards, within ten (10) days from the date it is received by you, to BLUE SHIELD LIFE, 50 BEALE STREET, SAN FRANCISCO, CA 94105. Immediately upon such delivery or mailing, the Policy shall be deemed void from the beginning, and Premiums paid will be refunded.

IMPORTANT!

No Insured has the right to receive the benefits of this Plan for Services or supplies furnished following termination of coverage. Benefits of this Plan are available only for Services and supplies furnished during the term it is in effect and while the individual claiming benefits is actually covered by this Policy. Benefits may be modified during the term of this Plan as specifically provided under the terms of this Policy or upon renewal. If benefits are modified, the revised benefits (including any reduction in benefits or the elimination of benefits) apply for Services or supplies furnished on or after the effective date of the modification. IMPORTANT

If you opt to receive dental services that are not covered services under this Plan, a participating dental provider may charge you his or her usual and customary rate for those services. Prior to providing a patient with dental services that are not a covered benefit, the dentist should provide to the patient a treatment plan that includes each anticipated services to be provided and the estimated cost of each service. If you would like more information about dental coverage options, you may call customer service at 1-800-431-2809 or your insurance broker. To fully understand your coverage, you may wish to carefully review this Policy.

**Introduction to the Value Smile PPO**

Blue Shield Life’s dental plans are administered by a Dental Plan Administrator (DPA), which is an entity that contracts with Blue Shield Life to administer the delivery of dental services through a network of Participating Dentists. A DPA also contracts with Blue Shield Life to serve as a claims administrator for the processing of claims for services received from Non-Participating Dentists.

**Before Obtaining Dental Care Services**

You are responsible for assuring that the Dentist you choose is a Participating Dentist. Note: A Participating Dentist’s status may change. It is your obligation to verify whether the Dentist you choose is currently a Participating Dentist in case there have been any changes to the list of Participating Dentists. A list of Participating Dentists located in your area, can be obtained by contacting a Dental Plan Administrator at 1-888-679-8928. You may also access a list of Participating Dentists through Blue Shield Life’s internet site located at http://www.blueshieldca.com.

PLEASE READ THE FOLLOWING INFORMATION SO YOU WILL KNOW FROM WHOM OR WHAT GROUP OF PROVIDERS HEALTH CARE MAY BE OBTAINED.

**Choice of Dentists**

The Value Smile PPO is specifically designed for you to use Participating Dentists. Participating Dentists agree to accept a Dental Plan Administrator’s payment, plus your payment of any applicable Deductible and Copayment, as payment in full for Covered Services. This is not true of Non-Participating Dentists.

Participating Dentists submit claims for payment after Dental Care Services have been rendered. Payments for these claims go directly to the Participating Dentist. You or your Non-Participating Dentists submit claims for reimbursement after services have been rendered. If you receive Dental Care Services from Non-Participating Dentists, you have the option of having payments sent directly to the Non-Participating Dentist or sent directly to you. A Dental Plan Administrator will notify you of its determination within 30 days after receipt of the claim.

Participating Dentists do not receive financial incentives or bonuses from Blue Shield Life.

You may access a Directory of Participating Dentists through Blue Shield Life’s Internet site located at http://www.blueshieldca.com. The names of Participating Dentists in your area may also be obtained by contacting a Dental Plan Administrator at 1-888-679-8928.

**Participating Dentists**

When you receive Covered Services from a Participating Dentist, you will be responsible for a fixed Copayment as outlined in the Summary of Benefits and Insured Copayments. Participating Dentists will file claims on your behalf.

Services rendered for Diagnostic and Preventive Care will be paid at 100%, subject to certain limitations as specified in the section entitled Covered Services and Supplies.

Participating Dentists will be paid directly by the Plan, and have agreed to accept a Dental Plan Administrator’s payment, plus your payment of any applicable Deductible or Copayment, as payment in full for Covered Services.

If the Insured recovers from a third party the reasonable value of Covered Services rendered by a Participating Dentist, the Participating Dentist who rendered these services is not required to accept the fees paid by a Dental Plan Administrator as payment in full, but may collect from the Insured the difference, if any, between the fees paid by a Dental Plan Administrator and the amount collected by the Insured for these services.

**Non-Participating Dentists**

When you receive Covered Services from a Non-Participating Dentist, you will be reimbursed up to a specified maximum amount as outlined in the Summary of Benefits and Insured Copayments. You will be responsible for the remainder of the Dentist’s billed charges. You should discuss this beforehand with your Dentist if he is not a Participating Dentist. Any difference between a Dental Plan Administrator’s or Blue Shield Life’s payment and the Non-Participating Dentist’s charges are your responsibility. Insureds are expected to follow the billing procedures of the dental office.

If you receive Covered Services from a Non-Participating Dentist, either you or your Dentist may file a claim using the dental claim form which may be obtained by calling Dental Insured Services at:

1-888-679-8928

Only claims for Benefits for Enhanced Dental Services for Pregnant Women should be sent to:

Blue Shield Life / CAT Team
Dental Plan Administrator
Coverage for Women during Pregnancy
425 Market Street, 12th Floor
San Francisco, CA 94105

Claims for all other Covered Services rendered by Non-Participating Dentists, should be sent to:

Blue Shield Life
P. O. Box 272590
Chico, CA 95927-2590

**Continuity of Care by a Terminated Dentist**

Insureds who are being treated for acute dental conditions, serious chronic dental conditions, or who are children from birth to 36 months of age, or who have received authorization from a now-terminated Dentist for dental surgery or another dental procedure as part of a documented course of treatment can re-
quest completion of care in certain situations with a Dentist who is leaving a Dental Plan Administrator’s network of Participating Dentists. Contact Customer Service to receive information regarding eligibility criteria and the policy and procedure for requesting continuity of care from a terminated Dentist.

Financial Responsibility for Continuity of Care Services
If an Insured is entitled to receive Covered Services from a terminated Dentist under the preceding Continuity of Care provision, the responsibility of the Insured to that Dentist for Covered Services rendered under the Continuity of Care provision shall be no greater than for the same Covered Services rendered by a Participating Dentist in the same geographic area.

Premiums
Monthly Premiums are as stated in the Appendix. Blue Shield Life offers a variety of options and methods by which you may pay your Premiums. Please call Customer Service at 1-800-431-2809 to discuss these options or visit the Blue Shield Life internet site at http://www.blueshieldca.com.

Payments by mail are to be sent to:

Blue Shield Life
P.O. Box 51827
Los Angeles, CA 90051-6127

Premiums may increase from time to time as determined by Blue Shield Life. You will receive 60 days written notice of any changes in the monthly Premiums for this Plan.

Conditions of Coverage
Eligibility and Enrollment
1. To enroll and continue enrollment, an Insured must meet all of the eligibility requirements of the Plan.

2. Enrollment of Subscribers or Dependents is not effective until Blue Shield Life approves an application and accepts the applicable Premiums. Only Blue Shield Life can approve applications.

3. An applicant, upon completion and approval by Blue Shield Life of the application, is entitled to the Benefits of this Policy upon the Effective Date.

By completing an application, the Subscriber and/or Dependent(s) agrees to cooperate with Blue Shield Life by providing, or providing access to, documents and other information that the Plan may request to corroborate the information for coverage. If the Subscriber and/or Dependent(s) fail or refuse to provide these documents or information to Blue Shield Life, coverage under this Plan may be cancelled.

4. The Effective Date of the Benefits of a newborn child will be the date of birth if the Subscriber contacts Blue Shield Life at the Customer Service telephone number listed at the back of this booklet, to have the newborn child added to this Policy as a Dependent. Such request must be made within 31 days of the newborn child’s date-of-birth. If a request to add the child as a Dependent is not made within 31 days of birth, the coverage for that child shall terminate on the 31st day at 11:59 p.m. Pacific Time.

If the Subscriber wishes to add a newborn child as a Dependent 32 or more days after birth, Blue Shield Life will require the submission of a completed application and the child will be subject to medical underwriting. This may result in the child being declined coverage by Blue Shield Life.

5. The Effective Date of benefits for an adopted child will be the date the Subscriber or spouse or Domestic Partner has the right to control the child’s health care, if the Subscriber requests the child be added to this Policy as a Dependent. Such request must be made within 31 days of the date the Subscriber, spouse, or Domestic Partner has the right to control the child’s health care. If a request to add the child as a Dependent is not made within 31 days of the date the Subscriber, spouse, or Domestic Partner has the right to control the child’s health care, the coverage for that child shall terminate on the 31st day at 11:59 p.m. Pacific Time.

To add a child placed for adoption to this Policy as a Dependent, the Subscriber must contact Blue Shield Life at the Customer Service telephone number listed at the back of this booklet. The Customer Service Department will advise the Subscriber on the exact process for adding a child placed for adoption as a Dependent, including, but not limited to, the necessary documentation and how the documentation shall be submitted to Blue Shield Life. Enrollment requests for an adopted child must be accompanied by evidence of the Subscriber’s or spouse’s or Domestic Partner’s right to control the child’s health care, which includes a facility minor release report, a medical authorization form, or a relinquishment form.

If the Subscriber wishes to add a child placed for adoption as a Dependent 32 or more days after the date the Subscriber, spouse, or Domestic Partner has the right to control the child’s health care, Blue Shield Life will require the submission of a completed application, and the child will be subject to medical underwriting. This may result in the child being declined coverage by Blue Shield Life.

6. If a court has ordered that you provide coverage for your spouse or Domestic Partner, or Dependent child, under your Plan, their coverage will become effective within 31 days of presentation of a court order by the district attorney, or upon presentation of a court order or request by a custodial party, as described in subdivision (j) of Section 14124.93 of the Welfare and Institutions Code or Medi-Cal program.
Limitation on Enrollment
1. Subscribers must be Residents of California. Upon change of residence to another jurisdiction, this Policy will terminate.

2. Dependent Benefits shall be discontinued as of the following, except as specifically set forth in the definition of Dependent in the section entitled Definitions:
   a. The date the Dependent child attains age 26;
   b. The date the Dependent spouse or Domestic Partner enters a final decree of divorce, annulment, or dissolution, or termination of domestic partnership or marriage from the Subscriber.

3. If an Insured commits any of the following acts, he will immediately lose eligibility to continue enrollment:
   a. Abusive or disruptive behavior which: (1) threatens the life or well-being of Blue Shield Life personnel or providers of services; or (2) substantially impairs the ability of Blue Shield Life to arrange for Services to the Insured; or (3) substantially impairs the ability of providers of Service to furnish Services to the Insured or to other patients.
   b. Failure or refusal to provide Blue Shield Life access to documents and other information necessary to determine eligibility or to administer benefits under the Plan.

Duration of the Policy
This Policy shall be renewed upon receipt of prepaid Premiums. Renewal is subject to Blue Shield Life's right to amend this Policy. Any change in Premiums or benefits, including but not limited to Covered Services, Deductible, Copayment, coinsurance, and Calendar Year Maximum Payment, are effective after 60 days notice from date of mailing to the Subscriber's address of record with Blue Shield Life.

Renewal of the Policy
Blue Shield Life shall renew this Policy, except under the following conditions:

1. Non-Payment of Premiums;
2. Fraud, misrepresentations, or omission;
3. Termination of plan type by Blue Shield Life;
4. Subscriber moves out of California or the Subscriber is no longer a Resident of California;
5. If a bona fide association arranged for the Subscriber’s coverage under this Policy, when that Subscriber’s membership in the association ceases.

Termination / Reinstatement of the Policy
This Policy may be terminated or cancelled as follows:

1. Termination by the Subscriber:
   A Subscriber desiring to terminate this Policy shall give Blue Shield Life 30 days written notice.

2. Termination by Blue Shield Life through cancellation:
   Blue Shield Life may cancel this Policy with five (5) days written notice for the following reasons:
   a. Fraud or deception in obtaining, or attempting to obtain, benefits under this Policy; or
   b. Knowingly permitting fraud or deception by another person in connection with this Policy, such as, without limitation, permitting someone to seek benefits under this Policy, or improperly seeking payment from Blue Shield Life for benefits provided.

Cancellation of the Policy under this section will terminate the Policy five (5) days following the date that written notice of termination is mailed to the Subscriber. It is not retroactive to the original Effective date of the Policy.

3. Termination by Blue Shield Life if Subscriber moves out of California:
   Blue Shield Life may cancel this Policy upon thirty (30) days written notice if the Subscriber moves out of California. See the section entitled Transfer of Coverage for additional information.

Within 30 days of the notice of cancellation under sections 2 or 3 above, Blue Shield Life shall refund the prepaid Premiums, if any, that Blue Shield Life determines will not have been earned as of the termination date. Blue Shield Life reserves the right to subtract from any such Premiums refund any amounts paid by Blue Shield Life for benefits paid or payable by Blue Shield Life prior to the termination date.
4. Termination by Blue Shield Life due to withdrawal of the Policy from the Market:

Blue Shield Life may terminate this Policy together with all like Policies to withdraw it from the market. In such instances you will be given 90 days written notice and the opportunity to enroll in any other individual dental Policy without regard to health status-related factors.

5. Cancellation of the Policy for Nonpayment of Premiums:

a. Blue Shield Life may cancel this Policy for failure to pay the required Premiums, when due. If the Policy is being cancelled because you failed to pay the required Premiums when due, then coverage will end 30 days after the date for which these Premiums are due. You will be liable for all Premiums accrued while this Policy continues in force including those accrued during this 30 day grace period.

Within five (5) business days of canceling Policy, the Plan will mail you a Notice Confirming Termination of Coverage, which will inform you of the following:

a. That the Policy has been cancelled, and the reasons for cancellation; and

b. The specific date and time when all coverage under this Policy ended.

6. Reinstatement of the Policy after Termination for Non-Payment:

If the Policy is cancelled for nonpayment of Premiums the Plan will permit reinstatement of the Policy or coverage twice during any twelve-month period, without a change in Premiums and without consideration of your medical condition, if the amounts owed are paid within 15 days of the date the Notice Confirming Termination of Coverage is mailed to you.

If your request for reinstatement and payment of all outstanding amounts is not received within the required 15 days, or if the Policy is cancelled more than twice during the preceding twelve-month period, then the Plan is not required to reinstate you, and you will need to reapply for coverage. In this case, the Plan may impose different Premiums and consider your medical condition.

Calendar Year Deductible

There is a Calendar Year Deductible of $25 that applies to all Covered Services and supplies furnished by Participating and Non-Participating Dentists. It is the amount that you must pay out of pocket before benefits will be provided for Covered Services. This Deductible applies each Calendar Year. This Deductible applies separately to each covered Insured, each Calendar Year.

1 The Calendar Year Deductible does not apply to those dental Services considered by Blue Shield Life to be diagnostic or preventive. Services that are considered diagnostic or preventive by Blue Shield Life are listed in the section entitled Summary of Benefits and Insured’s Copayments.

Calendar Year Maximum Payment

Your Plan pays up to a maximum of $500 each Calendar Year for Covered Services and supplies provided by any combination of Participating and Non-Participating Dentists.

No Benefits in excess of this amount will be provided to or on behalf of any Insured.

Covered Services and Supplies

Benefits of the Plan are provided for services customarily performed by licensed Dentists for treatment of teeth, jaws and their dependent tissues.

The following services are Benefits when provided by a Dentist and when necessary and customary as determined by the standards of generally accepted dental practice. These Benefits are subject to the general limitations and exclusions of the Plan. Payments are subject to the dental benefit Deductible and to the Copayment amounts indicated in the Summary of Benefits and Insured’s Copayments.

Diagnostic, Preventive, and Minor Restorative Services

Please refer to the section entitled Summary of Benefits and Insured’s Copayments for information on fixed Copayments and maximum reimbursement amounts.

9. Temporary dental services. Charges for temporary services are considered an integral part of the final dental service and will not be separately payable;

10. Any procedure not performed in a dental office setting;

11. Dental services performed in a hospital or any related hospital fee;

12. Any service, procedure, or supply for which the prognosis for long term success is not reasonably favorable as determined by a Dental Plan Administrator and its dental consultants;

13. Services for which the Insured is not legally obligated to pay, or for Services for which no charge is made;

14. Treatment as a result of accidental injury including setting of fractures or dislocation;

15. Charges for dental appointments which are not kept, except as specified under the Summary of Benefits;

16. Charges for services incident to any intentionally self-inflicted injury;

17. Any service, procedure, or supply which is received or started prior to the patient's effective date of coverage which for all Services shall be the date the Service is actually performed;

18. Charges for dental appointments which are not kept, except as specified under the Summary of Benefits;
19. For services provided by an individual or entity that is not licensed or certified by the state to provide health care services, or is not operating within the scope of such license or certification, except as specifically stated herein; and

20. The replacement of an appliance (i.e., space maintainer) within five (5) years of its installation.

Dental Necessity Exclusion
All Services must be of Dental Necessity. The fact that a Dentist or other provider may prescribe, order, recommend, or approve a service does not, in itself, make it of Dental Necessity.

Alternate Benefit Provision
If dental standards indicate that a condition can be treated by a less costly alternative to the service proposed by the attending Dentist, the Dental Plan will pay benefits based upon the less costly service.

General Limitations
The following services, if listed in the Summary of Benefits, will be subject to limitations as set forth below:

1. One (1) in a six (6) month period:
   a) Periodic oral exam;
   b) Routine prophylaxis;
   c) Fluoride treatment; and
   d) Periodontal Maintenance

2. One (1) in a twelve (12) month period:
   a) Oral cancer screening;
   b) Bitewing x-rays (maximum four (4) per year); and
   c) Topical fluoride varnish (coverage limited to three (3) applications, when used as a therapeutic application in patients with a moderate-to-high carries risk)

3. One (1) in a twenty-four month period:
   a) Sealants

4. Space maintainers – only eligible for Insureds through age eleven when used to maintain space as a result of prematurely lost deciduous first and second molars, or permanent first molars that have not, or will not, develop;

5. Sealants – one (1) per tooth per two (2) year period through age fifteen on permanent first and second molars;

6. Child fluoride (including fluoride varnish) and child prophylaxis – one (1) per six (6) month period through age sixteen;

7. An Alternate Benefit Provision (ABP) may be applied if a dental condition can be treated by means of a professionally acceptable procedure, which is less costly than the treatment recommended by the dentist. The ABP does not commit the Insured to the less costly treatment. However, if the Insured and the dentist choose the more expensive treatment, the Insured is responsible for the additional charge beyond those allowed for the ABP;

8. Restorations – covered only if necessary to treat diseased or accidentally fractured teeth.

Claims Review
The Plan reserves the right to review all claims to determine if any exclusions or limitations apply, and may use the services of Dentist consultants, peer review committees of professional societies, and other consultants.

Reductions - Acts of Third Parties
If an Insured is injured or becomes ill due to the act or omission of another person (a "third party"), the Plan shall, with respect to services required as a result of that injury, provide the benefits of this Policy and have an equitable right to restitution, or reimbursement, or other available remedy to recover the amounts Blue Shield paid for Services provided to the Insured on a fee-for-service basis from any Recovery (defined below) obtained by or on behalf of the Insured, from or on behalf of the third party responsible for the injury or illness or from uninsured/underinsured motorist coverage.

Blue Shield’s right to restitution, reimbursement, or other available remedy is against any recovery the Insured receives as a result of the injury or illness, including any amount awarded to or received by way of court judgment, arbitration award, settlement, or any other arrangement, from any third party or third party insurer, or from uninsured or underin-
sured motorist coverage, related to the illness or injury (the “Recovery”), without regard to whether the Insured has been “made whole” by the Recovery. Blue Shield’s right to restitution, reimbursement, or other available remedy is with respect to that portion of the total Recovery that is due Blue Shield for the Benefits paid in connection with such injury or illness, calculated in accordance with California Civil Code section 3040.

The Insured is required to:

1. Notify the Plan in writing of any actual or potential claim or legal action which such Insured expects to bring or has brought against the third party arising from the alleged acts or omissions causing the injury or illness, not later than 30 days after submitting or filing a claim or legal action against the third party; and,

2. Agree to fully cooperate with the Plan to execute any forms or documents needed to enable Blue Shield to enforce its right to restitution, reimbursement, or other available remedies; and,

3. Agree in writing to reimburse Blue Shield for Benefits paid by Blue Shield from any Recovery when the Recovery is obtained from or on behalf of the third party or the insurer of the third party, or from uninsured or underinsured motorists; and,

4. Provide the Plan with a lien in the amount of Benefits actually paid. The lien may be filed with the third party, the third party's agent or attorney, or the court, unless otherwise prohibited by law; and,

5. Periodically respond to information requests regarding the claim against the third party, and notify Blue Shield, in writing, within ten (10) days after any Recovery has been obtained.

An Insured's failure to comply with items 1. through 5. above, shall not in any way act as a waiver, release, or relinquishment of the rights of the Plan.

Further, if the Insured receives services from a Participating Hospital for such injuries or illness, the Hospital has the right to collect from the Insured the difference between the amount paid by Blue Shield and the Hospital’s reasonable and necessary charges for such services when payment or reimbursement is received by the Insured for medical expenses. The Hospital’s right to collect shall be in accordance with California Civil Code 3045.1.
