

Women's Preventive Health \$0 Co-Pay Contraceptive Drugs & Devices List

Under the Affordable Care Act, women of reproductive age in non-grandfathered plans are covered for select methods of contraception at no share of cost by their health plan.

The following list of select contraceptive drugs and devices are available at no cost when prescribed by a healthcare provider and obtained from a network provider. Members must have a pharmacy benefit with Blue Shield of California to be covered for contraceptives obtained from a pharmacy.

Please call the customer service phone number listed on your Blue Shield ID card for any questions about contraceptive coverage.
