

# Tiered pharmacy network

Rx Spectrum and Small Business Tandem PPO plans provide you with an opportunity to obtain preferred-member cost share for your prescriptions at select participating retail pharmacies within the Blue Shield pharmacy network. You have the choice of filling your prescriptions at a Level A or Level B pharmacy.

---

**Level A** network pharmacies offer preferred cost sharing. You can fill prescriptions at any of the following pharmacies nationwide:

- CVS
- Target
- Costco
- Safeway
- Vons

By filling your prescriptions at a Level A pharmacy, you can save on your out-of-pocket costs.

---

**Level B** network pharmacies include all other pharmacies within Blue Shield's pharmacy network, except those that are in Level A. A higher cost share for your prescriptions applies at a Level B pharmacy. Please refer to your *plan's Summary of Benefits in your Evidence of Coverage* for more details about specific copayment or coinsurance amounts.

You have the same selection of covered drugs at both Level A and Level B pharmacies. You can continue to fill your prescriptions at a Level B pharmacy, or you can switch to a Level A pharmacy to take advantage of the preferred-member cost share.
