The following **changes** have been made to your benefits.

Pregnancy and maternity care

The benefit service name has changed.

From: "Physician services for pregnancy termination"

To: "Abortion and abortion-related services"

This change is in the SOB and EOC under "Pregnancy and Maternity Care"

This change does not impact how your benefits work.

Home infusion and home injectable therapy services: Home infusion visits by an infusion nurse and Home infusion agency services

The benefit service listed in your SOB "Home visits by an infusion nurse" has been combined with services available under "Home infusion agency services."

From: Includes home infusion drugs and medical supplies

To: Includes home infusion drugs and medical supplies, **and visits by a nurse**

Mental Health and Substance Use Disorder Benefits: Outpatient services: Teladoc mental health

Telehealth services known as "Teladoc behavioral health" will be reclassified as "Teladoc mental health."

The description of type of care provided by Teladoc has been revised to clarify what services they provide and who can access the service. Refer to "Other Ways to Access Care" under "Teladoc" for a full service description.

Diabetic care services: Devices, equipment, and supplies

Continuous glucose monitors are listed under as a covered benefit. For your convenience, you will be able to obtain this device at the retail pharmacy.

This change is in the following areas of your EOC:

- **Devices, Equipment, and Supplies**
 - **Durable Medical Equipment**
 - **Prescription Drug Benefits**
 - **Definitions: Drugs**
-

Diabetic care services: Self-management training and medical nutrition therapy

New benefit/service item has been added under the Diabetes Care Services category: "Medical Nutrition Therapy" to ensure that members are aware of the benefit and associated cost share.

This change is in the following areas of your EOC:

- **Self-management training and medical nutrition therapy**

Review your SOB and EOC for a full service description.

Outpatient prescription Drug exclusions and limitation

To improve member experience, appetite suppressants or drugs for body weight reduction [that have been approved by the U.S. Food and Drug Administration (FDA)] have been removed the table of "Outpatient Prescription Drug Exclusions and Limitations."

Other Professional Services: Medical Nutrition Therapy, not related to diabetes

New benefit/service has been added under the Other Professional Services category: "Medical Nutrition Therapy, not related to diabetes" in the SOB. A new section has been added to the EOC "Medical Nutrition Therapy." These services are specific for conditions outside of what is covered under diabetes care services.

Review your SOB and EOC for a full service description.
