

## IFP Broker Update

Now that open enrollment is done, we turn our focus to supporting your clients with their 2024 plans. Our self-service tools allow you to check the status of applications and set up Autopay options. This is also tax season, and your clients may need help finding their 1095 forms.

Even beyond open enrollment, good health includes more than just medical – Boost your earnings with our 2024 IFP Specialty Plan broker bonus program. There is no open enrollment period for dental and vision plans when purchased directly through Blue Shield. Add anyone including seniors 65 or older, anytime of the year.
