

## Broker Alert

We're excited to announce that members enrolling on Covered California can now select their Primary Care Physician (PCP) at sign-up.

Starting today, prospects can select their preferred PCP during enrollment. This change reduces the need for members to update their auto-assigned PCP post-enrollment. PCP search options are customizable and can be filtered by doctor type and location. Also new to the system is the ability to choose their payment preferences, make their initial binder payment, and set up Autopay.

Now, prospective members are empowered to manage their health care right from the start.
