Medicare Broker Update

We hope you're enjoying the summer and staying cool and safe. As the season reaches its peak, we're working hard behind the scenes to ensure everything is ready for the upcoming Annual Enrollment Period (AEP), which is just a couple of months away.

2025 Product Certification Now Available

We're excited to announce that the 2025 product certification is now available. This is your opportunity to stay ahead and be fully prepared to offer the best to your clients. Log in to Broker Connection today to complete your certification and continue providing exceptional service.

CMS Rule Changes

Blue Shield of California acknowledges the recent CMS rule changes affecting Medicare Advantage and Part D prescription drug plans, including significant changes to broker compensation. Due to the injunction on administrative payments, there will be no changes to the administrative process or payments for Coverage Year 2025. The processes and payments in place for 2024 will remain effective for 2025.

As you make the most of the summer months, remember that we're here to support you every step of the way. Stay updated on the latest news and take advantage of the tools we offer to help you succeed.
