

## Medicare Broker Update

Spring has arrived, and we've given our newsletters and Broker Connection a fresh look and feel. We hope you like it! But, beyond just a new look, we're excited to share some of the latest developments and enhancements on Broker Connection. This month, we're introducing new features to our Client List, including autopay options and clearer cancellation identifiers to help you better manage your book of business. With more changes to come, we're making navigating our portal even more intuitive.

In this edition, we're highlighting valuable information about platform improvements, important updates regarding the Medicare Supplement April Rate Action, and the deadline for Plan G Inspire applications. Additionally, we'll explore insights into GLP-1 weight loss drugs and provide essential information on upcoming 2024 Broker training dates. It's our mission to keep you informed and equipped for success, and we hope you find this month's content both informative and beneficial.
