

## Broker Alert

This month the Employer Enrollment Tool (EET) is introducing key upgrades and new capabilities to your digital renewal experience. One exciting change to the renewal dashboard is the launch of an optional "Renew as is" checkbox. Leverage this to create a comprehensive to-do list so you can quickly and confidently manage your book of business.

Both the in-tool onboarding and [EET guide](#) have been updated to cover the checkbox feature and all aspects of your new, fully loaded dashboard. And remember:

- Shield Renewals is now directly linked from the EET renewal dashboard.
- The Small Group Online Renewal (SGOR) tool is shutting down and, starting 11/1/24, users will be rerouted to the Employer Enrollment Tool for renewal changes.
- Your January groups will be available for renewal on 10/17/24, with February and March groups available on 11/12/24. For exact renewal and enrollment dates, enrollment materials, updated rates books, and more visit our [Renewal Center page](#).

We appreciate your continued trust and partnership as we work to enhance your digital experience.
