^{*} The principal business address is where Blue Shield will send all paper notices and correspondence; however, the group may choose to have the bill sent to a different address. The principal business address means the principal business address registered with the Secretary of the State of California. If a principal business address is not registered with the state or is registered solely for purposes of service of process and is not a substantial worksite for the group's business, then provide the business address within the state where the greatest number of employees work.
