## A COMPLETE PLAN IS A BETTER PLAN

There's more to good health than eating right, exercising, and getting regular checkups. Taking care of your oral health and vision is just as important. That's why we offer a variety of dental and vision\* plans for you to choose from. One of our most popular plans – Specialty Duo<sup>SM\*</sup> – conveniently combines dental and vision coverage into a single package.

Round out your coverage by protecting your loved ones' financial security. Life insurance from Blue Shield of California Life & Health Insurance Company can help offer protection at a time when they need it most.

## SMILE, WE'VE GOT YOUR DENTAL PLAN

Protect your smile with one of our PPO or HMO dental plans and you'll enjoy a range of dental benefits including cleanings and X-rays for \$0. Plans start at just \$13.40 per month. If you have children under age 19, their basic dental and vision needs are covered by the pediatric dental and pediatric vision benefits we include in every individual and family medical plan.

Not sure which plan to choose? We can help. HMO plans generally cost less per month and have lower out-of-pocket costs for services compared with PPO plans. PPO plans, however, offer more flexibility in your choice of dentists. So, if you value greater choice in dental providers and you're willing to pay a bit more, a PPO plan may be right for you. If you're more concerned with keeping costs down than having a wider selection of dentists, an HMO plan may be what you are looking for. Visit [blueshieldca.com/fad](https://blueshieldca.com/fad) to find PPO or HMO dentists in your area.

Now that you have a high-level view of your choices, compare plan details on pages 2 and 3 and plan rates on page 6.

See page 7 for helpful definitions of important medical terms.

## PROTECT YOUR FAMILY WITH LIFE AND AD&D INSURANCE

Facing financial burdens after the loss of a loved one can be challenging, but having Life and Accidental Death and Dismemberment (AD&D) insurance can help. Individual Term Life and AD&D insurance plans from Blue Shield of California Life & Health Insurance Company help provide critical financial protection that can be used to help cover living expenses, college education costs, mortgage payments, and more.<sup>1</sup>

AD&D insurance provides another layer of protection. In the case of accidental death, the amount of your accidental death benefit matches your life insurance coverage. If you are accidentally injured, the dismemberment benefit will be a portion of the benefit amount.

\* All plans terminate at age 65.

<sup>1</sup> Within the first two years of the policy, if the insured dies because of suicide, no life insurance benefit will be paid; however, the premiums will be returned. Please refer to the policy for a complete description of this limitation.

<sup>2</sup> Those under age 20 are only eligible for \$10,000, \$15,000, and \$25,000 coverage amounts.

We offer the financial protection and security of \$10,000, \$15,000, \$25,000, \$50,000, \$75,000, or \$100,000 in Term Life and AD&D insurance, with low monthly rates based on your age, sex, and nicotine use.<sup>2</sup>

Life insurance coverage may be purchased without AD&D, but AD&D may only be purchased with life insurance coverage. Coverage is available to all individuals ages 1 to 64\* with or without a Blue Shield health plan. Simply complete and submit the Application for Individual Term Life and AD&D Insurance Coverage to apply.

## MONTHLY INDIVIDUAL TERM LIFE AND AD&D INSURANCE RATES

To calculate the monthly premium, locate your age, sex, and nicotine status, and multiply the rate by the life insurance benefit amount. If you would like AD&D insurance as well, multiply the AD&D rate by the matching AD&D benefit amount.

For example, a 45-year-old female non-nicotine user who wants \$50,000 of life insurance coverage would pay \$12.40 ( $\$0.248 \times 50$ ) per month. If she adds \$50,000 in AD&D benefits, it would be an additional \$5 ( $\$0.10 \times 50$ ) per month, for a total of \$17.40 ( $\$12.40 + \$5$ ) per month.
