Managing your prescription costs just got easier

Compare the cost of your medications through your online member account using the Price Check My Rx tool.

Price Check My Rx can help you:

- See current costs of your medications.
- Check if there are lower-priced alternatives to your current prescriptions.
- Know your prescription cost if filled at a different pharmacy.
- Search for any drug and the cost of its brand or generic formulation (if available).
How to access the Rx price check tool

1. Create or log in to your online member account.

2. From myblueshield, click Pharmacy under “Benefits.”

Helping you know your costs — and possible ways to save money on your medications — is another way we put you at the center of what we do.
