## B. Background Information about Blue Shield TotalDual Plan's Network Providers

### B1. Key terms

This section explains key terms in our Directory.

- **Providers** are professionals such as doctors, nurses, pharmacists, therapists, and other people who provide care and services. **Services** include medical care, Long-term Services and Supports (LTSS), supplies, prescription drugs, equipment, and other services.
    - The term providers includes facilities such as hospitals, clinics, and other places that provide medical services and medical equipment. It also includes LTSS providers that you may use as a Blue Shield TotalDual Plan member.
    - Providers that are a part of our plan's network are called network providers.
- **Network providers** have contracted with us to deliver services to members of our plan. Network providers participate in our plan. That means they accept members of our plan and provide services our plan covers. When you use a network provider, you usually pay nothing for covered services.
- **A Primary Care Physician** (PCP) is an internist, family practitioner, general practitioner, or specialist who gives you routine health care. Your PCP will keep your medical records and get to know your health needs over time. Your PCP will also give you a referral if you need a specialist or other provider.
- **Specialists** are doctors who provide health care services for a specific disease or part of the body. There are many kinds of specialists. Here are a few examples:
    - Oncologists care for patients with cancer.
    - Cardiologists care for patients with heart conditions.
    - Orthopedists care for patients with certain bone, joint, or muscle conditions.
- A Medical group or an Independent Physician Association (IPA) is an organization formed under California law that contracts with health plans to provide or arrange for the provisions of health care services to health plan enrollees. Please see section B3 for additional information.
- You may need a **referral** or **prior** authorization to see a specialist or someone that is not your PCP. A **referral** means that your network PCP must give you approval before you can use the other provider. A **prior authorization** is different than a referral. It means that Blue Shield TotalDual Plan (not your network PCP) must give you approval **before** we will cover a specific service, item, or drug or an out-of-network provider. If you don't get a referral or prior authorization, Blue Shield TotalDual Plan may not cover the service, item, or drug.

†DSNP Provider that is also Medi-Cal enrolled

- Referrals or prior authorization are **not** needed for:
  - emergency care;
  - urgently needed care;
  - kidney dialysis services that you get at a Medicare-certified dialysis facility when you are outside the plan's service area;
  - services from a women's health specialist; or
  - all preventive services covered by Medicare, including screenings and vaccines.
- Additionally, if you are eligible to get services from Indian health providers, you may use these providers without a referral. We must pay the Indian health provider for those services even if they are out of our plan's network.
- More information on referrals and prior authorization is available in Chapter 3 of the Evidence of Coverage.

- You will also be assigned to a **Care Team**. Your **Care Team** begins with the relationship between you and your PCP. The Care Team may include a caregiver, Care Navigator, specialist, and others, based on the level of need demonstrated in your Care Plan. Everyone on the Care Team works together to make sure your care is coordinated. This means that they make sure that you get all the tests, labs, and other care that you need, and the results are shared with the appropriate providers. It also means that your PCP should know all medicines you take so that they can reduce any negative effects. Your PCP will always get your permission before sharing your medical information with other providers. Members of your Care Team may include:
  - A **Care Navigator** that helps you manage your medical providers and services.
  - Your **Primary Care Physician**
  - **Multipurpose Senior Services Program (MSSP)** to help you find and access support for social and health care management services available to you in the community to help you remain in your own home. The MSSP is based out of your local MSSP sites. The MSSP sites are listed on page 4728 of this Directory. (Both the Care Navigator and MSSP may work as a part of your Care Team to make sure you get the care you need.)

Your Care Team will also help you find other providers of medical, behavioral health, or Long-term Services and Supports (LTSS) if you need a specialist or other health care provider. That way, you will get the right provider to help you with your concerns.

### B2. Wait times for primary care and behavioral health

We must provide you with access to primary care and behavioral health services within the following timeframes:

- immediately for urgently needed services or an emergency;
- within 7 days for services that are not an emergency or urgently needed, but you require medical attention;
- within 30 days for routine or preventative care.

### B3. How to choose a Primary Care Physician (PCP)

First, you will need to choose a Primary Care Physician (PCP). You may be able to have a specialist act as your PCP. You may choose a specialist as your PCP if the specialist agrees to provide all the services that PCPs traditionally provide. To request your specialist to be your PCP, contact Blue Shield TotalDual Plan Customer Care. You can choose any PCP in our network who is accepting new members.

Our plan's PCPs are affiliated with medical groups. When you choose your PCP, you are also choosing the affiliated medical group. This means that your PCP will be referring you to specialists and services that are also affiliated with their medical group.

- If there is a particular specialist or hospital that you want to use, it is important to find out if they are affiliated with your PCP's medical group. You can look in this Directory or ask Blue Shield TotalDual Plan Customer Care to check if the PCP you want makes referrals to that specialist or uses that hospital.
- If you don't stay within your PCP's medical group, Blue Shield TotalDual Plan may not cover the service.

To choose a PCP, refer to the list of physicians on page 12-5074 and choose a physician:

- that you use now, **or**
- who has been recommended by someone you trust, **or**
- whose offices are easy for you to get to.
- If you do not choose a PCP in our network, Blue Shield TotalDual Plan will choose one for you.
- If you want help in choosing a PCP, please call Customer Care at: 1-800-452-4413 (TTY: 711), 8:00 a.m. to 8:00 p.m., seven days a week. The call is free. Or visit www.blueshieldca.com/medicare.
- If you have questions about whether any service or care that you want or need is covered, talk to your Care Team or call Customer Care at 1-800-452-4413 (TTY: 711) and ask **before** you get the service or care.

### B4. Long-term Services and Supports (LTSS) providers

As a Blue Shield TotalDual Plan member, you will be able to get Long-term Services and Supports (LTSS) if you need them, such as Community-Based Adult Day Services (CBAS) which provide nursing services, physical, occupational and speech therapy, therapeutic activities, and meals at centers in the community.

†DSNP Provider that is also Medi-Cal enrolled

Additionally, In-Home Supportive Services (IHSS) are in-home care for people that cannot safely remain in their home without care-giving assistance. LTSS helps people who need assistance to do everyday tasks like taking a bath, getting dressed, making food, and taking medicine. Most of these services are provided at your home or in your community but could be provided in a nursing home or hospital.

If you need LTSS, your Care Navigator or MSSP can help you and your Care Team determine what options are available to support you in the way you want.

### B5. How to access Blue Shield TotalDual Plan's network providers

You must get all your covered services from providers within our network that are affiliated with your PCP's medical group. If you use providers who are not in Blue Shield TotalDual Plan's network and are not affiliated with your PCP's medical group **(without prior authorization), you will have to pay the bill**.

> A **prior authorization** is an approval from Blue Shield TotalDual Plan to seek services outside of our network or to get services not routinely covered by our network **before** you get the services.

The only exceptions to this rule are when you need urgent or emergency care or dialysis and cannot get to a provider in the plan, such as when you are away from home. You can also go outside the plan or your PCP's medical group for other non-emergency services if Blue Shield TotalDual Plan gives you permission first.

- You may change providers within the network at any time during the year. If you have been using one network provider, you do not have to keep using that same provider. For some providers, you may need a referral from your PCP. A PCP change will be effective on the first day of the following month, as long as we receive your request by the 20th of the current month. To change your PCP, call Customer Care. When you call, be sure to tell Customer Care whether you are using a specialist or receiving other covered services that require PCP approval (such as home health services and durable medical equipment). Customer Care will help make sure that you can continue your specialty care and other services when you change your PCP. Customer Care will also check whether the PCP you want to switch to is accepting new patients. Customer Care will change your membership record to show the name of your new PCP and tell you when the change to your new PCP will take effect. Customer Care will also send you a new membership card that shows the name and phone number of your new PCP.
- Remember, our plan's PCPs are affiliated with medical groups. If you change your PCP, you may also be changing medical groups. When you ask for the change, be sure to tell Customer Care if you are using a specialist or getting other covered services that require PCP approval. Customer Care will help make sure that you can continue your specialty care and other services when you change your PCP.
- Blue Shield TotalDual Plan works with all the providers in our network to accommodate the needs

of people with disabilities. As applicable, the list of network providers in this Directory includes information about the accommodations they provide.

- If you need a provider and are not sure if they offer the accommodations you need, Blue Shield TotalDual Plan can help you. Talk to your Care Navigator for assistance.
