If you need care in an emergency, get medical help as quickly as possible. Call 911 for help or go to the nearest emergency room. You do not need to get permission first from your physician or other network provider.

A medical emergency is when you believe that you have medical symptoms that require immediate medical attention to prevent loss of life (and, if you are a pregnant woman, loss of an unborn child), loss of a limb, or loss of function of a limb, and loss of or serious impairment to a bodily function. The medical symptoms may be an illness, injury, severe pain, or a medical condition that is quickly getting much worse.

Make sure that Blue Shield knows about your emergency because your physician will need to be involved in following up on your emergency care.

You or someone else should call to tell your physician about your emergency care as soon as possible, preferably within 48 hours. The number to call is located on your plan ID card.

You must use network providers except in emergency or urgent care situations or for out-of-area renal dialysis or other services. If you obtain routine care from out-of-network providers, neither Medicare, nor American Specialty Health (ASH) will be responsible for the costs.

Los servicios de acupuntura y quiropráctica cubiertos por Medicare para el dolor crónico de la parte baja de la espalda (lumbar) son administrados por American Specialty Health (ASH), que tiene un contrato con Blue Shield of California para brindar ciertos servicios. Para confirmar su elegibilidad, comuníquese con nuestro Departamento de Servicio al Cliente llamando al **(800) 776-4466 (TTY: 711)**, de 8:00 a. m. a 8:00 p. m. Usted puede ir a cualquiera de nuestros proveedores de la red que esté incluido en este directorio.

Si necesita atención en una emergencia, obtenga ayuda médica lo más rápido posible. Llame al 911 para recibir ayuda o vaya a la sala de emergencias más cercana. No necesita obtener primero el permiso de su médico ni de otro proveedor de la red.

Hay una emergencia médica cuando usted cree que tiene síntomas médicos que requieren atención médica inmediata para evitar la muerte (o, si está embarazada, la pérdida del hijo que aún no ha nacido), la pérdida de un miembro o la pérdida de las funciones de un miembro y la pérdida o el daño grave de una función corporal. Los síntomas médicos pueden incluir una enfermedad, una lesión, dolor muy fuerte o un problema médico que empeora rápidamente.

Asegúrese de que Blue Shield sepa sobre su emergencia, ya que será necesario que su médico haga un seguimiento de su atención de emergencia.

Usted u otra persona deben llamar a su médico para avisarle sobre su atención de emergencia cuanto antes; en lo posible, dentro de las 48 horas. El número al que hay que llamar está en su tarjeta de identificación del plan.

Usted debe ir a proveedores de la red, excepto cuando necesite atención urgente o de emergencia, o para recibir servicios de diálisis u otros servicios fuera del área.
