
3. How to get care

Pre-approval (prior authorization)

For some types of care, your PCP or specialist will need to ask Blue Shield Promise for permission before you get the care. This is called asking for pre-approval or prior authorization. It means Blue Shield Promise must make sure the care is medically necessary (needed).

Medically necessary services are services that are reasonable and necessary to protect your life, keep you from becoming seriously ill or disabled, or reduce severe pain from a diagnosed disease, illness, or injury. For members under age 21, Medi-Cal services include care that is medically necessary to fix or help relieve a physical or mental illness or condition.

The following services **always** need pre-approval (prior authorization), even if you get them from a provider in the Blue Shield Promise network:

- Hospitalization, if not an emergency
- Services out of the Blue Shield Promise service area, if not an emergency or urgent care
- Outpatient surgery
- Long-term care or skilled nursing services at a nursing facility (including adult and pediatric Subacute Care Facilities contracted with the Department of Health Care Services Subacute Care Unit) or intermediate care facilities (including Intermediate Care Facility for the Developmentally Disabled (ICF/DD), ICF/DD-Habilitative (ICF/DD-H), ICF/DD-Nursing (ICF/DD-N))
- Specialized treatments, imaging, testing, and procedures
- Medical transportation services when it is not an emergency
- Major organ transplant

Emergency ambulance services do not require pre-approval (prior authorization).

For standard pre-approval (prior authorization) requests, Blue Shield Promise must respond to your request as soon as your health condition requires, but no more than

Call Customer Service at 1-800-605-2556 (TTY 711). Blue Shield Promise is here Monday – Friday, 8 a.m. to 6 p.m. The call is free. Or call the California Relay Line at 711. Visit online at www.blueshieldca.com/en/bsp/medi-cal-members.

five business days from when Blue Shield Promise gets the information it asked for that it reasonably needs to decide (approve, change, or deny) your request. Blue Shield Promise must respond, no more than seven calendar days from when Blue Shield Promise gets your request.

If a provider or Blue Shield Promise finds that following the standard time frame could seriously endanger your life or health or ability to attain, maintain, or regain maximum function, Blue Shield Promise will make a faster expedited pre-approval (prior authorization) decision. Blue Shield Promise will respond as soon as your health condition requires, but no longer than 72 hours from when Blue Shield Promise gets your request.

In certain cases, Blue Shield Promise may need more information to decide (approve, change, or deny) your pre-approval (prior authorization) request. If this happens, Blue Shield Promise has up to 14 more calendar days to decide. Once Blue Shield Promise gets the needed information, it must make a decision as soon as your health condition requires, but no later than five business days for standard requests or 72 hours for expedited requests. Your provider can ask for an extension for Blue Shield Promise to respond to standard requests. You can request an extension for standard **or** expedited requests. Clinical or medical staff such as doctors, nurses, and pharmacists review pre-approval (prior authorization) requests.

Blue Shield Promise does not influence the reviewers' decision to deny, change, or approve coverage or services in any way. If Blue Shield Promise does not approve the request, Blue Shield Promise will send you a Notice of Action (NOA) letter. The NOA will tell you how to file an appeal if you do not agree with the decision.

Blue Shield Promise will contact you if Blue Shield Promise needs more information or more time to review your request.

You never need pre-approval (prior authorization) for emergency care, even if it is out of the Blue Shield Promise network or out of your service area. This includes labor and delivery if you are pregnant. You do not need pre-approval (prior authorization) for certain sensitive care services. To learn more about sensitive care services, read "Sensitive care" later in this chapter.

For questions about pre-approval (prior authorization), call 1-800-605-2556 (TTY 711).

Second opinions

You might want a second opinion about care your provider says you need or about your diagnosis or treatment plan. For example, you might want a second opinion if you want to make sure your diagnosis is correct, you are not sure you need a prescribed treatment or surgery, or you have tried to follow a treatment plan, and it has not worked.

Blue Shield Promise will pay for a second opinion if you or your in-network provider asks for it, and you get the second opinion from an in-network provider. You do not need pre-approval (prior authorization) from Blue Shield Promise to get a second opinion from an in-network provider. If you want to get a second opinion, we will refer you to a qualified in-network provider who can give you one.

To ask for a second opinion and get help choosing a provider, call 1-800-605-2556 (TTY 711). Your in-network provider can also help you get a referral for a second opinion if you want one.

If there is no provider in the Blue Shield Promise network who can give you a second opinion, Blue Shield Promise will pay for a second opinion from an out-of-network provider. Blue Shield Promise will tell you if the provider you choose for a second opinion is approved as fast as your medical condition requires, but no more than five business days from when Blue Shield Promise gets the information it asked for that it reasonably needs to decide your request, Blue Shield Promise must respond no more than seven calendar days from when Blue Shield Promise gets your request.

If you have a chronic, severe, or serious illness, or have an immediate and serious threat to your health, including, but not limited to, loss of life, limb, or major body part or bodily function, Blue Shield Promise will tell you in writing within 72 hours of getting your request.

If Blue Shield Promise denies your request for a second opinion, you can file a grievance. To learn more about grievances, read “Complaints” in Chapter 6 of this handbook.

6. Reporting and solving problems

State Hearings

A State Hearing is a meeting with Blue Shield Promise and a judge from the California Department of Social Services (CDSS). The judge will help to resolve your problem and decide whether Blue Shield Promise made the correct decision or not. You have the right to ask for a State Hearing if you already asked for an appeal with Blue Shield Promise and you are still not happy with our decision, or if you did not get a decision on your appeal after 30 days.

You must ask for a State Hearing within 120 days from the date on our Notice of Appeal Resolution (NAR) letter. If we gave you Aid Paid Pending during your appeal and you want it to continue until there is a decision on your State Hearing, you must ask for a State Hearing within 10 days of our NAR letter or before the date we said your services will stop, whichever is later.

If you need help making sure Aid Paid Pending will continue until there is a final decision on your State Hearing, contact Blue Shield Promise between 8 a.m. to 6 p.m. by calling 1-800-605-2556. If you cannot hear or speak well, call 711. Your authorized representative or provider can ask for a State Hearing for you with your written permission.

Sometimes you can ask for a State Hearing without completing our appeal process.

For example, if Blue Shield Promise did not notify you correctly or on time about your services, you can request a State Hearing without having to complete our appeal process. This is called Deemed Exhaustion. Here are some examples of Deemed Exhaustion:

- We did not make a Notice of Action (NOA) or NAR letter available to you in your preferred language
- We made a mistake that affects any of your rights

Call Customer Service at 1-800-605-2556 (TTY 711).

If you want CDSS to make a fast decision because the time it takes to have a State Hearing would put your life, health, or ability to function fully in danger, you, your authorized representative, or your provider can contact CDSS and ask for an expedited (fast) State Hearing. CDSS must make a decision no later than three business days after it gets your complete case file from Blue Shield Promise.

7. Rights and responsibilities

As a member of Blue Shield Promise, you have certain rights and responsibilities. This chapter explains these rights and responsibilities. This chapter also includes legal notices that you have a right to as a member of Blue Shield Promise.

Notice of Action

Blue Shield Promise will send you a Notice of Action (NOA) letter any time Blue Shield Promise denies, delays, terminates, or modifies a request for health care services. If you disagree with Blue Shield Promise's decision, you can always file an appeal with Blue Shield Promise. Go to the "Appeals" section in Chapter 6 of this handbook for important information on filing your appeal. When Blue Shield Promise sends you a NOA it will tell you all the rights you have if you disagree with a decision we made. If you get this notice from anyone other than Blue Shield Promise, contact Blue Shield Promise right away.

Contents in notices

If Blue Shield Promise bases denials, delays, modifications, terminations, suspensions, or reductions to your services in whole or in part on medical necessity, your NOA must contain the following:

- A statement of the action Blue Shield Promise intends to take
- A clear and concise explanation of the reasons for Blue Shield Promise's decision
- How Blue Shield Promise decided, including the rules Blue Shield Promise used
- The medical reasons for the decision. Blue Shield Promise must clearly state how your condition does not meet the rules or guidelines.
- Information about your right to request free of charge copies of all documents and records relevant to the NOA.
