

Blue Shield of California Medication Drop Ship Program

Blue Shield of California has engaged ASPN Pharmacies (ASPN) to help reduce administrative burden for healthcare providers by triaging all medication drop ship orders for administration of drugs to Blue Shield PPO plan members. ASPN takes order requests, then coordinates prescription fulfillment with specialty pharmacies in the Blue Shield network. Order status updates are available through the ASPN web portal at aspnpharmacies.com/aspn.

- ASPN Customer Service telephone: (888) 349-0884, Monday through Friday, 5 a.m. to 7 p.m.
- ASPN FAX: (877) 643-1813

Follow the steps listed in the [Medication Drop Ship Program Job Aid](#) for PPO network providers to order drugs from the Medication Drop Ship Program.

If a drug is marked with a "Y", the drug is available to order via drop ship.

If a drug is marked with an "N", the drug is not available to order via drop ship.
