Difference between Blue Shield’s Medicare Advantage PPO and HMO plans

**PPO**

- Members can receive covered services from contracted providers or from non-contracted providers who are eligible to receive payment from Medicare and willing to accept the plan. The member cost share is the same.
- Members can select a “Physician of Choice” (POC), but they are not required to do so.
- Blue Shield pays Medicare-allowable rates for claims for covered services, less member co-payment, co-insurance and/or deductible.
- Health care providers submit claims to Blue Shield and we provide reimbursement.

**HMO**

- Members’ care and services are managed by a delegated HMO IPA/medical group.
- Members must select a PCP from those contracted with the Medicare HMO IPA/medical group, and many of the specialists they may need to see are also contracted with the IPA.
- Provider claims, reimbursement and other services associated with care are managed by the member's HMO IPA/medical group, and the group holds the provider agreement with Blue Shield.
Blue Shield Medicare Advantage PPO member ID card example

Member ID card

All member ID cards are viewable online from the Verify eligibility results page. If members have questions about their benefits, claims, or referrals, refer them to the Customer Service phone number on the back of their member ID cards.
Register for a Provider Connection account
If your organization is new to Provider Connection, you must establish an account.

Establishing an account: The person executing the initial Provider Connection registration is considered an Account Manager. When the maximum allowed number of Account Managers register, Provider Connection will display a message. Most organizations can have at least two. There are three types of provider accounts. See the links below for step-by-step instructions with screenshots for how to register for the account type most appropriate to your business.

| 1. Provider | 2. MSO | 3. Billing Service |

Account Managers: Once registered, the Account Manager(s) will see an Account management link in their top-level navigation after log in. It provides direct access to all activities falling within the role. Once established, the Account Manager(s) – not Blue Shield – sets up user profiles. Blue Shield will email each user a temporary password. Users have 30 days to visit the site and change their password or the account will be deleted.

Users: All users, including Account Managers, have a Manage my profile page. After log in, a “badge” with the user’s initials appears in the white menu bar. Click for access to this page.

Additional support:
- The Provider Connection Account FAQ provides addresses establishing and maintaining a website account.
- See Update your Provider Connection password if you need help changing your password or if your account is locked or disabled.
- The Provider Connection training page includes links to the above resources and more. No log in is required.

Provider Connection website overview

Below is a snapshot of key actions you can take from the website vs. calling Blue Shield. See the [Blue Shield Provider Connection Reference Guide](#) for additional information and support.

**Bolded activities require log in to the website.** Blue Shield uses two-step authentication. After entering the username/password, a code is sent to the user’s email. This code must be entered to access the website.

- Log in/Register
- Access quick links
- View BlueCard Program resources
- **Verify coverage**
  - View detailed benefits
  - Check FEP and other Blues plan member eligibility
  - Create a member roster
- **Check claims and dispute status**
  - Download EOB/EOCs
  - Add documentation to a finalize claim
  - Submit a dispute online
  - Access claims routing tool
  - Manage electronic transactions
- Submit medical and pharmacy requests
- View authorization status
  - See prior authorization list
  - Access authorization fax forms
- View provider manuals
  - Access tools and forms
  - Find guidelines for hospitals and standards for HIPAA transactions, medical records, etc.
- Register for webinars
  - Access training and support materials
  - View news and announcements
Use Find a Doctor to check participation in Blue Shield’s Medicare Advantage PPO network

Find a Doctor lets you verify your participation in a member’s plan network as well as verify participation of other providers/facilities to help you make network referrals.

1. Find a Doctor can be accessed from Provider Connection. Scroll to the Quick Links section. Click Verify now under Blue Shield/Blue Shield Promise network referrals. You will be redirected to Find a Doctor where you can initiate a search as a guest. Click Continue.

You can also access Find a Doctor from the Blue Shield of California website.

2. Click the appropriate button (e.g., DOCTORS & SPECIALISTS, PRIMARY CARE PHYSICIANS).

3. Click Continue as a guest.

4. Enter member’s location information or click Use Current Location. Click Continue.

5. The Get personalized search results page appears. Click Select a plan.
Use Find a Doctor (continued)

6. To set the member’s plan information, use the drop-down arrows to select plan type [Medicare Advantage (PPO)] and subplan [Blue Shield Medicare (PPO) Group]. Click Continue with this plan.

7. Now only doctors and specialists in the member’s network will appear when you conduct a search. Click Doctor Name and enter your last name in the search field. Click search. If your name is listed in the search results, you are in the member’s plan network.

- You can refer a Medicare Advantage PPO member to any provider eligible to receive payment from Medicare. However, it may be most expedient to refer to a provider within the Medicare Advantage PPO network. Use the previous steps to determine if a physician is in the member’s plan network. You can search by Doctor Type or Doctor Name.
- To determine if a provider outside of the Medicare Advantage PPO network is Medicare eligible, access the Medicare.gov provider search tool.
Attest to/update your provider demographic information

Blue Shield’s provider directory accuracy processes is compliant with both the 2021 Consolidated Appropriations Act (CAA) and California Senate Bill (SB) 137 requirements.

Process:

- Provider Connection Provider and MSOAccount Managers and users to which they give access must:
  - Attest online to data accuracy every 90 days. Blue Shield will alert you when it is time to attest.
  - Make directory updates at any time either by:
    - Single edits on Provider Connection’s Provider & Practitioner Profiles page.
    - Blue Shield’s bulk data file – the Provider Data Validation Spreadsheet – downloaded from the Provider & Practitioner Profiles, then uploaded back to the page.

Visit [Provider data management](#) for step-by-step instructions on how to attest and update provider directory information.
Check patient eligibility before providing care

You can verify eligibility in the following ways: 1) View the member’s ID card; 2) Call Blue Shield Provider Customer Service at (800) 541-6652; or 3) go online to Provider Connection. Here’s how to check online.

1. Log in to Provider Connection. Click the Eligibility & benefits section, then click Verify eligibility from the blue sub-menu bar.

2. The Verify eligibility tool opens and defaults to SEARCH SINGLE MEMBER and Blue Shield/Blue Shield Promise. Enter member data using one of the following options, then click Search.
   • Subscriber ID (9-16 alpha numeric characters)
   • Member name and date of birth
   • Last four (4) digits of SSN
   • MBI and date of birth (Medicare only)
   • First nine (9) characters of CIN

Determine if medical auth is required + how to submit and check status

Authorizations are typically submitted to Blue Shield online or by fax. This page explains how to submit and view medical authorizations. For additional information including instructions for RX requests, see Authorization basics for providers.

To determine if medical authorization is required

- View the Blue Shield prior authorization list located on Provider Connection. To search, click F3 or type Ctrl+ F, then enter a code into the open search field. If the code is on the list, authorization is required.
- Contact Provider Customer Service at (800) 541-6652. Please have member information and the code(s) for which you are checking authorization requirements.

To submit medical authorizations

- Use AuthAccel, Blue Shield’s online authorization system available 24/7. Log in to Provider Connection. Click Medical authorization from the blue sub-menu bar, select the Tax Identification Number (TIN) under which you are submitting the request, and click Access AuthAccel. Step-by-step instructions are on the AuthAccel online authorization training page.
- Access faxable forms from the Prior authorization forms page on Provider Connection.

To check medical authorization status

- Use AuthAccel to track status and receive determinations online. Log in to Provider Connection. Click Medical authorization status from the blue sub-menu bar, select the TIN under which you submitted the request, and click Access AuthAccel. Step-by-step instructions are located on the AuthAccel online authorization training page.
- Contact Provider Customer Service at (800) 541-6652. Please have the authorization number assigned by Blue Shield.

Key coding and billing tips

• Follow Medicare guidelines/requirements when coding claims.

• Reimbursement for services provided to Blue Shield Medicare Advantage PPO members will be in accordance with the Medicare rates in your Blue Shield provider agreement.

• Medicare Advantage PPO members covered by out-of-state Blue Plans can access Blue Shield’s Medicare Advantage PPO provider network. Providers use the same processes to verify eligibility and submit claims for these members as they use for Blue Shield of California members.

• Collect the member’s co-payment, co-insurance and/or deductible for covered services and submit all claims for covered services to Blue Shield for payment. Blue Shield will process claims in accordance with:
  • Medicare billing rules
  • Medicare fee schedule
  • All prospective payment system requirements
  • Local coverage determinations
  • The member’s plan documents, including the Evidence of Coverage (EOC)

• Note, you cannot balance bill members enrolled in the Blue Shield Medicare Advantage PPO plan.

• For questions about rates, refer to the fee schedule in your Blue Shield provider agreement or contact Provider Information and Enrollment at (800) 258-3091.
Claims and disputes

Claims can be submitted to Blue Shield electronically or by mail. For a detailed overview of the claims process, see How to submit claims.

Submit claims electronically

- Provider Connection provides detailed information on how to submit claims and receive payments electronically using Electronic Data Interchange (EDI).
- See FAQs for EDI, ERA, EFT and Secondary 277CA for information about electronic claims transactions.

Submit claims by mail

- Use a Blue Shield claims form or the standard CMS-1500 or UB-04 form.
- **Mail to:** Blue Shield of California, P.O. Box 272640, Chico, CA 95927-2640
  - This address is listed on the back of the member ID card. You can also find it using the Claims routing tool or viewing the Claims mailing addresses list on Provider Connection.

Track claims/dispute status

- The Check claim status tool is available from the Claims section after log in.
- Use the Search tab to locate Blue Shield claims and related EOCs. Click the claim number to view claim detail.
- File disputes online or by mail and check status from the Claims issues & disputes page.
- See instructions for filing an online dispute or adding documents to a finalized claim.
