All about Same-Day Delivery

We're able to deliver medication to your patients faster than ever.

- ✓ We're expanding Same-Day Delivery with new pharmacy locations around the U.S.
- ✓ Easier access to acute care medications
- ✓ Orders arrive in discreet packaging – with automatic delivery notifications along the way

Eligibility is based on ZIP code, medication, and time of order.

Scan the QR code or visit us at pharmacy.amazon.com/prescribers to learn more.

Questions? Call us at: 855-206-3605

You should know: Amazon Pharmacy doesn't dispense – Schedule II medications, REMS medications, compound medications, breast pumps, specialty medications (limited exceptions), suspensions, vaccines and pet prescriptions.
