Changing health plans

You may leave Blue Shield Promise and join another health plan in your county of residence at any time. Call Health Care Options at 1-800-430-4263 (TTY 1-800-430-7077 or 711) to choose a new plan. You can call between 8:00 a.m. and 6:00 p.m. Monday through Friday. Or visit <https://www.healthcareoptions.dhcs.ca.gov/>.

It takes up to 30 days to process your request to leave Blue Shield Promise and enroll in another plan in your county if there are no issues with the request. To find out the status of your request, call Health Care Options at 1-800-430-4263 (TTY 1-800-430-7077 or 711).

If you want to leave Blue Shield Promise sooner, you may ask Health Care Options for an expedited (fast) disenrollment. If the reason for your request meets the rules for expedited disenrollment, you will get a letter to tell you that you are disenrolled.

Members who can request expedited disenrollment include, but are not limited to, children receiving services under the Foster Care or Adoption Assistance programs, members with special health care needs, and members already enrolled in Medicare or another Medi-Cal or commercial managed care plan.

You may ask to leave Blue Shield Promise in person at your local county health and human services office. Find your local office at <http://www.dhcs.ca.gov/services/medi-cal/Pages/CountyOffices.aspx>. Or call Health Care Options at 1-800-430-4263 (TTY 1-800-430-7077 or 711).

Students who move to a new county or out of California

Emergency services and urgent care are available to all Medi-Cal enrollees statewide

Call Blue Shield Promise Customer Care at 1-800-605-2556 (TTY 711). Blue Shield Promise is here Monday - Friday, 8 a.m. to 6 p.m. The call is toll free. Or call the California Relay Line at 711. Visit online at blueshieldca.com/promise/medi-cal.

regardless of county of residence. Routine and preventive care are covered only in your county of residence. If you move to a new county in California to attend higher education, including college, Blue Shield Promise will cover emergency room and urgent care services in your new county. You can also receive routine or preventive care in your new county but must notify your MCP. See below for further details.

If you are enrolled in Medi-Cal and are a student in a county that is different from your residence in California, you do not need to apply for Medi-Cal in that county.

If you temporarily move away from home to be a student in another county in California there are two options available to you. You may:

- Notify the Los Angeles County Department of Public Social Services by calling 1-866-613-3777 or visiting <http://dpss.lacounty.gov> to report that you are temporarily moving to attend an institution of higher education and provide your address in the new county. The county will update the case records with your new address and county code in the State's database. Use this choice if you want to get routine or preventive care in your new county. You may have to change health plans if Blue Shield Promise does not operate in the county where you will attend college. For questions and to prevent any delay in enrolling in the new health plan, call Health Care Options at 1-800-430-4263 (TTY 1-800-430-7077 or 711).

OR

- Choose not to change your health plan when you temporarily move to attend college in a different county. You will only be able to access emergency room and urgent care services in the new county for some conditions. To learn more, go to Chapter 3, "How to get care." For routine or preventive health care, you would need to use the Blue Shield Promise regular network of providers located in the head of the household's county of residence.

If you are leaving California temporarily to be a student in another state and you want to keep your Medi-Cal coverage, contact your eligibility worker at Los Angeles County Department of Public Social Services. As long as you are eligible, Medi-Cal will cover emergency services and urgent care in another state. Medi-Cal will also cover emergency care that requires hospitalization in Canada and Mexico if the service is approved and the doctor and hospital meet Medi-Cal rules. Routine and preventive care services, including prescription drugs, are not covered outside of California. If you want Medicaid in another state, you will need to apply in that state. You will not be eligible for

Medi-Cal and Blue Shield Promise will not pay for your health care. Medi-Cal does not cover emergency, urgent or any other health care services outside of the United States, except for Canada and Mexico as noted in Chapter 3.

Continuity of care

Continuity of Care for a non-plan Provider

As a member of Blue Shield Promise, you will get your health care from providers in Blue Shield Promise's network. To find out whether the health care provider is in the Blue Shield Promise's network please see the provider directory online at [Find a doctor - FAD to BSC | Blue Shield of CA \(blueshieldca.com\)](#). The directory lists: primary care doctors, specialists, hospitals and facilities, Federally Qualified Health Care (FQHC) clinics, behavioral health service providers and vision service providers.

In some cases, you may be able to go to providers who are not in the Blue Shield Promise network if you have moved from another plan or fee-for-service (FFS) or a provider that was in network is now out-of-network. This is called continuity of care.

Call Blue Shield Promise and tell us if you need to visit a provider that is out-of-network. We will tell you if you have the right to continuity of care. You may be able to use continuity of care, for up to 12 months, or more in some cases, if all of the following are true:

- You have an ongoing relationship with the non-plan provider, prior to enrollment in Blue Shield Promise
- You were seen by the non-plan provider at least once during the twelve (12) months prior to your enrollment with Blue Shield Promise for a non-emergency visit
- The non-plan provider is willing to work with Blue Shield Promise and agrees to Blue Shield Promise's contractual requirements and payment for services
- The non-plan provider meets Blue Shield Promise's professional standards

Call Blue Shield Promise Customer Care at 1-800-605-2556 (TTY 711) for more information.

If your providers do not join the Blue Shield Promise network by the end of 12 months, do not agree to Blue Shield Promise payment rates or do not meet quality of care

requirements, you will need to switch to providers in the Blue Shield Promise network. Call Blue Shield Promise Customer Care at 1-800-605-2556 (TTY 711) to discuss your options.

Continuity of Care for services

As a member of Blue Shield Promise, you will get your Medi-Cal services from providers in Blue Shield Promise's network. In some cases, you may be able to get continued access to Medi-Cal services if you are being treated for certain health conditions and the non-plan provider is not willing to continue to provide services or does not agree to Blue Shield Promise's contractual requirements, payment, or other terms for providing care, then you will not be able to receive continued care from the provider. However, you may be able to keep getting services from a different provider in Blue Shield Promise's network.

Services Blue Shield Promise provides for continuity of care include but are not limited to:

- Acute conditions (a medical issue that needs fast attention) – for as long as the condition lasts.
- Chronic physical and behavioral conditions (a health care issue you have for a long time) – for an amount of time required to finish the course of treatment and to arrange for a safe transfer to a new doctor in the Blue Shield Promise network.
- Pregnancy – during the pregnancy and for up to 12 months after the end of pregnancy.
- Maternal mental health services for up to 12 months from the diagnosis or from the end of pregnancy, whichever is later.
- Care of a newborn child between birth and age 36 months for up to 12 months from the start date of the coverage or the date the provider's contract ends with Blue Shield Promise.
- Terminal illness (a life-threatening medical issue) – for as long as the illness lasts. Completion of covered services may exceed twelve (12) months from the time the provider stops working with Blue Shield Promise.
- Performance of a surgery or other medical procedure from a non-plan provider as long as it is covered, medically necessary and is authorized by Blue Shield Promise as part of a documented course of treatment and has been recommended and documented by the provider – surgery or other medical procedure to take place within 180 days of the provider's contract

termination date or 180 days from the effective date of coverage of a new member.

For other conditions that may qualify, contact Blue Shield Promise Customer Care at 1-800-605-2556 (TTY 711).

Call Customer Care at 1-800-605-2556 (TTY 711) for help selecting a contracted provider to continue with your care or if you have any questions or problems in receiving covered services from a provider who is no longer part of Blue Shield Promise.

Blue Shield Promise is not required to provide continuity of care for services not covered by Medi-Cal, durable medical equipment, transportation, other ancillary services and carved-out service providers. To learn more about continuity of care and eligibility qualifications, and to hear about all available services, call Customer Care at 1-800-605-2556 (TTY 711).

Costs

Member costs

Blue Shield Promise serves people who qualify for Medi-Cal. In most cases, Blue Shield Promise members do **not** have to pay for covered services, premiums or deductibles. Members enrolled in California Children's Health Insurance Program (CCHIP) in Santa Clara, San Francisco and San Mateo counties and members in the Medi-Cal for Families Program may have a monthly premium and copayments. Except for emergency care, urgent care or sensitive care, you must get pre-approval from Blue Shield Promise before you visit a provider outside the Blue Shield Promise network. If you do not get pre-approval and you go to a provider outside of the network for care that is not emergency care, urgent care or sensitive care, you may have to pay for care from providers who are out of the network. For a list of covered services, go to "Benefits and services." You can also find the Provider Directory on the Blue Shield Promise website at blueshieldca.com/promise/medi-cal.

For members with long-term care and a share of cost

You may have to pay a share of cost each month for your long-term care services. The amount of your share of cost depends on your income and resources. Each month you will pay your own health care bills, including but not limited to Managed Long-Term Support Service (MLTSS) bills, until the amount that you have paid equals your share of cost. After that, your long-term care will be covered by Blue Shield Promise for that

month. You will not be covered by Blue Shield Promise until you have paid your entire long-term care share of cost for the month.

How a provider gets paid

Blue Shield Promise pays providers in these ways:

- Capitation payments
 - Blue Shield Promise pays some providers a set amount of money every month for each Blue Shield Promise member. This is called a capitation payment. Blue Shield Promise and providers work together to decide on the payment amount.
- FFS payments
 - Some providers give care to Blue Shield Promise members and then send Blue Shield Promise a bill for the services they provided. This is called a FFS payment. Blue Shield Promise and providers work together to decide how much each service costs.

To learn more about how Blue Shield Promise pays providers, call Blue Shield Promise Customer Care at 1-800-605-2556 (TTY 711).

Provider incentive programs

Blue Shield Promise has provider incentive programs to improve your care and your experience with Blue Shield Promise providers. These programs help improve:

- Quality of care
- Access and availability to care and services
- Treatments provided
- Member satisfaction

To learn more about these programs, call Blue Shield Promise Customer Care at 1-800-605-2556 (TTY 711).

If you receive a bill from a health care provider

Covered services are health care services that Blue Shield Promise is responsible to pay for. If you get a bill for support services fees, copayments, or registration fees for a covered service, do not pay the bill. Call Blue Shield Promise Customer Care right away at 1-800-605-2556 (TTY 711).

Asking Blue Shield Promise to pay you back for expenses

If you paid for services you already received, you may qualify to be reimbursed (paid back) if you meet **all** of the following conditions:

- The service you received is a covered service that Blue Shield Promise is responsible to pay for. Blue Shield Promise will not reimburse you for a service that is not covered Blue Shield Promise.
- You received the covered service after you became an eligible Blue Shield Promise member.
- You ask to be paid back within one year from the date you received the covered service.
- You provide proof that you paid for the covered service, such as a detailed receipt from the provider.
- You received the covered service from a Medi-Cal enrolled provider in Blue Shield Promise's network. You do not need to meet this condition if you received emergency services, family planning services, or another service that Medi-Cal allows out-of-network providers to perform without pre-approval.
- If the covered service normally requires pre-approval, you provide proof from the provider that shows a medical need for the covered service.

Blue Shield Promise will tell you of its decision to reimburse you in a letter called a Notice of Action. If you meet all of the above conditions, the Medi-Cal-enrolled provider should pay you back for the full amount you paid. If the provider refuses to pay you back, Blue Shield Promise will pay you back for the full amount you paid. We must reimburse you within 45 working days of receipt of the claim. If the provider is enrolled in Medi-Cal, but is not in the Blue Shield Promise network and refuses to pay you back, Blue Shield Promise will pay you back, but only up to the amount that FFS Medi-Cal would pay. Blue Shield Promise will pay you back for the full out-of-pocket amount for emergency services, family planning services, or another service that Medi-Cal allows to be provided by out-of-network providers without pre-approval. If you do not meet one of the above conditions, Blue Shield Promise will not pay you back.

Blue Shield Promise will not pay you back if:

- You asked for and received services that are not covered by Medi-Cal, such as cosmetic services.
- The service is not a covered service for Blue Shield Promise.
- You have an unmet Medi-Cal Share of Cost.
- You went to a doctor who does not take Medi-Cal and you signed a form that said you want to be seen anyway and you will pay for the services yourself.

3. How to get care

Getting health care services

PLEASE READ THE FOLLOWING INFORMATION SO YOU WILL KNOW FROM WHOM OR WHAT GROUP OF PROVIDERS HEALTH CARE MAY BE OBTAINED

You can begin to get health care services on your effective date of enrollment. Always carry your Blue Shield Promise ID card, Medi-Cal Benefits Identification Card (BIC), and any other health insurance cards you have with you. Never let anyone else use your BIC or Blue Shield Promise ID card.

New members with Medi-Cal coverage only must choose a primary care provider (PCP) in the Blue Shield Promise network. New members with Medi-Cal and comprehensive other health coverage do not have to choose a PCP. The Blue Shield Promise network is a group of doctors, hospitals and other providers who work with Blue Shield Promise. You must choose a PCP within 30 days from the time you become a member in Blue Shield Promise. If you do not choose a PCP, Blue Shield Promise will choose one for you.

You may choose the same PCP or different PCPs for all family members in Blue Shield Promise, as long as the PCP is available.

If you have a doctor you want to keep, or you want to find a new PCP, you can look in the Provider Directory. It has a list of all PCPs in the Blue Shield Promise network. The Provider Directory has other information to help you choose a PCP. If you need a Provider Directory, call Blue Shield Promise Customer Care at 1-800-605-2556 (TTY 711). You can also find the Provider Directory on the Blue Shield Promise website at blueshieldca.com/promise/medi-cal.

If you cannot get the care you need from a participating provider in the Blue Shield Promise network, your PCP must ask Blue Shield Promise for approval to send you to an out-of-network provider. This is called a referral. You do not need approval to go to an out-of-network provider to get sensitive services that are described under the heading “Sensitive care” later in this chapter.

Read the rest of this chapter to learn more about PCPs, the Provider Directory and the provider network.

Call Blue Shield Promise Customer Care at 1-800-605-2556 (TTY 711). Blue Shield Promise is here Monday - Friday, 8 a.m. to 6 p.m. The call is toll free. Or call the California Relay Line at 711. Visit online at blueshieldca.com/promise/medi-cal.

Pharmacy benefits are now administered through the Fee-For-Service (FFS) Medi-Cal Rx program. To learn more, read the “Other Medi-Cal programs and services” section in Chapter 4.

Primary care provider (PCP)

You must choose a PCP within 30 days of enrolling in Blue Shield Promise. Depending on your age and sex, you may choose a general practitioner, OB/GYN, family practitioner, internist or pediatrician as your primary care provider (PCP). A nurse practitioner (NP), physician assistant (PA) or certified nurse midwife may also act as your PCP. If you choose an NP, PA or certified nurse midwife, you may be assigned a doctor to oversee your care. If you are in both Medicare and Medi-Cal, or if you have comprehensive other health care insurance, you do not have to choose a PCP.

You can choose an Indian Health Care Provider (IHCP), Federally Qualified Health Center (FQHC) or Rural Health Clinic (RHC) as your PCP. Depending on the type of provider, you may be able to choose one PCP for your entire family who are members of Blue Shield Promise, as long as the PCP is available.

Note: American Indians may choose an IHCP as their PCP, even if the IHCP is not in the Blue Shield Promise network.

If you do not choose a PCP within 30 days of enrollment, Blue Shield Promise will assign you to a PCP. If you are assigned to a PCP and want to change, call Blue Shield Promise Customer Care at 1-800-605-2556 (TTY 711). The change happens the first day of the next month.

Your PCP will:

- Get to know your health history and needs
- Keep your health records
- Give you the preventive and routine health care you need
- Refer (send) you to a specialist if you need one
- Arrange for hospital care if you need it

You can look in the Provider Directory to find a PCP in the Blue Shield Promise network. The Provider Directory has a list of IHCPs, FQHCs and RHCs that work with Blue Shield Promise.

You can find the Blue Shield Promise Provider Directory online at

Choice of doctors and other providers

You know your health care needs best, so it is best if you choose your PCP.

It is best to stay with one PCP so they can get to know your health care needs. However, if you want to change to a new PCP, you can change anytime. You must choose a PCP who is in the Blue Shield Promise provider network and is taking new patients.

Your new choice will become your PCP on the first day of the next month after you make the change.

To change your PCP, call Blue Shield Promise Customer Care at 1-800-605-2556 (TTY 711). You may also change your PCP by logging onto the Blue Shield Promise member resource portal at blueshieldca.com/promise/medi-cal. Blue Shield Promise may change your PCP if the PCP is not taking new patients, has left the Blue Shield Promise network, does not give care to patients your age, or if there are quality concerns with the PCP that are pending resolution. Blue Shield Promise or your PCP may also ask you to change to a new PCP if you cannot get along with or agree with your PCP, or if you miss or are late to appointments. If Blue Shield Promise needs to change your PCP, Blue Shield Promise will tell you in writing.

If your PCP changes, you will get a letter and new Blue Shield Promise member ID card in the mail. It will have the name of your new PCP. Call Blue Shield Promise Customer Care if you have questions about getting a new ID card.

Some things to think about when picking a PCP:

- Does the PCP take care of children?
- Does the PCP work at a clinic I like to use?
- Is the PCP's office close to my home, work or children's school?
- Is the PCP's office near where I live and is it easy to get to the PCP's office?
- Do the doctors and staff speak my language?
- Does the PCP work with a hospital that I like?
- Does the PCP provide the services that I may need?
- Do the PCP's office hours fit my schedule?

Call Blue Shield Promise Customer Care at 1-800-605-2556 (TTY 711). Blue Shield Promise is here Monday - Friday, 8 a.m. to 6 p.m. The call is toll free. Or call the California Relay Line at 711. Visit online at blueshieldca.com/promise/medi-cal.

Initial health assessment (IHA)

Blue Shield Promise recommends that, as a new member, you visit your new PCP within the first 120 days for an initial health assessment (IHA). The purpose of the IHA is to help your PCP learn your health care history and needs. Your PCP may ask you some questions about your health history or may ask you to complete a questionnaire. Your PCP will also tell you about health education counseling and classes that may help you.

When you call to schedule your IHA appointment, tell the person who answers the phone that you are a member of Blue Shield Promise. Give your Blue Shield Promise ID number.

Take your BIC and Blue Shield Promise ID card to your appointment. It is a good idea to take a list of your medications and questions with you to your visit. Be ready to talk with your PCP about your health care needs and concerns.

Be sure to call your PCP's office if you are going to be late or cannot go to your appointment.

If you have questions about IHA, call Blue Shield Promise Customer Care at 1-800-605-2556 (TTY 711).

Routine care

Routine care is regular health care. It includes preventive care, also called wellness or well care. It helps you stay healthy and helps keep you from getting sick. Preventive care includes regular checkups and health education and counseling. Children are able to receive much needed early preventive services like hearing and vision screenings, assessments of developmental process and many more services that are recommended by pediatricians' Bright Futures guidelines (https://downloads.aap.org/AAP/PDF/periodicity_schedule.pdf). In addition to preventive care, routine care also includes care when you are sick. Blue Shield Promise covers routine care from your PCP.

Your PCP will:

- Give you most of your routine care, including regular checkups, shots, treatment, prescriptions and medical advice
- Keep your health records
- Refer (send) you to specialists if needed
- Order X-rays, mammograms or lab work if you need them

Call Blue Shield Promise Customer Care at 1-800-605-2556 (TTY 711). Blue Shield Promise is here Monday - Friday, 8 a.m. to 6 p.m. The call is toll free. Or call the California Relay Line at 711. Visit online at blueshieldca.com/promise/medi-cal.

When you need routine care, you will call your doctor for an appointment. Be sure to call your PCP before you get medical care, unless it is an emergency. For an emergency, call **911** or go to the nearest emergency room.

To learn more about health care and services your plan covers, and what it does not cover, read “Benefits and services” and “Child and youth well care” in this handbook.

All Blue Shield Promise providers can use aids and services to communicate with people with disabilities. They can also communicate with you in another language or format. Tell your provider or Blue Shield Promise what you need.

Provider network

The provider network is the group of doctors, hospitals and other providers that work with Blue Shield Promise. You will get most of your covered services through the Blue Shield Promise network.

Note: American Indians may choose an IHCP as their PCP, even if the IHCP is not in the Blue Shield Promise network.

If your PCP, hospital or other provider has a moral objection to providing you with a covered service, such as family planning or abortion, call Blue Shield Promise Customer Care at 1-800-605-2556 (TTY 711). For more about moral objections, read the “Moral objection” section later in this chapter.

If your provider has a moral objection, they can help you find another provider who will give you the services you need. Blue Shield Promise can also help you find a provider who will perform the service.

In-network providers

You will use providers in the Blue Shield Promise network for most of your health care needs. You will get preventive and routine care from in-network providers. You will also use specialists, hospitals and other providers in the Blue Shield Promise network.

To get a Provider Directory of in-network providers, call Blue Shield Promise Customer Care at 1-800-605-2556 (TTY 711). You can also find the Provider Directory online at blueshieldca.com/promise/medi-cal To get a copy of the Contract Drug List, call Medi-

You must get pre-approval (prior authorization) from Blue Shield Promise before you visit a provider outside the Blue Shield Promise network, including inside the Blue Shield Promise service area, except in the following situations:

- You need emergency services, in which case dial 911 or go to the nearest hospital
- You are outside the Blue Shield Promise service area and need urgent care, in which case you can go to any urgent care facility
- You need family planning services, in which case you can go to any Medi-Cal provider without pre-approval
- You need mental health services, in which case you can go to either an in-network provider or a county mental health plan provider without pre-approval

If you are not in one of these situations, and you do not get pre-approval and get care from a provider outside of the network, you may have to pay for the care from providers who are out-of-network.

Out-of-network providers who are inside the service area

Out-of-network providers are those that do not have an agreement to work with Blue Shield Promise. Except for emergency care, you may have to pay for care from providers who are out of the network. If you need covered health care services, you may be able to get them out of the network at no cost to you as long as they are medically necessary and not available in the network.

Blue Shield Promise may approve a referral to an out-of-network provider if the services you need are not available in-network or are located very far from your home. If we give you a referral to an out-of-network provider, we will pay for your care.

For urgent care inside the Blue Shield Promise service area, you must visit a Blue Shield Promise network urgent care provider. You do not need pre-approval to get urgent care from an in-network provider. If you do not get pre-approval, you may have to pay for the urgent care you get from out-of-network provider inside the Blue Shield Promise service area. For more information on emergency care, urgent care and sensitive care services, go to those headings in this chapter.

Note: If you are an American Indian, you can get care at an IHCP outside of our provider network without a referral.

at 1-800-605-2556 (TTY 711).

Outside the service area

If you are outside of the Blue Shield Promise service area and need care that is **not** an emergency or urgent, call your PCP right away. Or call Blue Shield Promise Customer Care at 1-800-605-2556 (TTY 711). Members that need non-emergency or non-urgent care outside of the Blue Shield Promise service area and/or provider network, must have pre-approval prior to getting the service. Please call your PCP or Blue Shield Promise Customer Care.

For emergency care, call **911** or go to the nearest emergency room. Blue Shield Promise covers out-of-network emergency care. If you travel to Canada or Mexico and need emergency services requiring hospitalization, Blue Shield Promise will cover your care. If you are traveling internationally outside of Canada or Mexico and need emergency services, urgent care, or any health care services Blue Shield Promise will **not** cover your care.

If you paid for emergency services requiring hospitalization in Canada or Mexico, you can ask Blue Shield Promise to pay you back. Blue Shield Promise will review your request.

If you are in another State, including US territories (American Samoa, Guam, Northern Mariana Islands, Puerto Rico and the US Virgin Islands), you are covered for emergency care, but not all hospitals and doctors accept Medicaid (Medicaid is what Medi-Cal is called in other States). If you need emergency care outside of California, tell the hospital or emergency room doctor that you have Medi-Cal and are a Blue Shield Promise member as soon as possible. Ask the hospital to make copies of your Blue Shield Promise ID card. Tell the hospital and the doctors to bill Blue Shield Promise. If you get a bill for services you received in another State, call Blue Shield Promise immediately. We will work with the hospital and/or doctor to arrange for Blue Shield Promise to pay for your care.

If you are outside of California and have an emergency need to fill outpatient prescription drugs, then please have the pharmacy call Medi-Cal Rx at 800-977-2273 for assistance.

Note: American Indians may get services at out-of-network IHCPs.

If you have questions about out-of-network or out-of-service-area care, call Blue Shield Promise Customer Care at 1-800-605-2556 (TTY 711). If the office is closed and you want help from a representative, call the Nurse Advice Line 24 hours a day, 7 days a

week, including holidays at 1-800-609-4166 (TTY 711).

If you need urgent care out of the Blue Shield Promise service area, go to the nearest urgent care facility. If you are traveling outside the United States and need urgent care, Blue Shield Promise will not cover your care. For more information on urgent care, go to the “Urgent care” heading later in this chapter.

Delegated Model Managed Care Plans

Blue Shield Promise works with a large number of doctors, specialists, hospitals, and other health care providers. Some of these providers work within a network, sometimes called a “medical group” or an “independent practice association (IPA).” These providers may also be directly contracted with Blue Shield Promise.

Your primary care provider (PCP) will refer you to specialists and services that are connected with his or her medical group, IPA or with Blue Shield Promise. If you are going to a specialist already, talk with your PCP or call Blue Shield Promise Customer Care at 1-800-605-2556 (TTY 711). Blue Shield Promise Customer Care will help you see that provider if you are eligible for continuity of care. For more information, go to the continuity of care section in this handbook.

Doctors

You will choose your doctor to be your primary care provider (PCP) from the Blue Shield Promise Provider Directory. The doctor you choose must be an in-network provider. To get a copy of the Blue Shield Promise Provider Directory, call Blue Shield Promise Customer Care at 1-800-605-2556 (TTY 711). Or find it online at blueshieldca.com/promise/medi-cal.

If you are choosing a new doctor, you should also call to make sure the PCP you want is taking new patients.

If you had a doctor before you were a member of Blue Shield Promise, and that doctor is not part of the Blue Shield Promise network, you may be able to keep that doctor for a limited time. This is called continuity of care. You can read more about continuity of care in this handbook. To learn more, call Blue Shield Promise Customer Care at 1-800-605-2556 (TTY 711).

If you need a specialist, your PCP will refer you to a specialist in the Blue Shield Promise network. Some specialists do not require a referral. For more information on referrals, go to the “Referrals” heading later in this chapter.

Remember, if you do not choose a PCP, Blue Shield Promise will choose one for you,

unless you have comprehensive other health coverage in addition to Medi-Cal. You know your health care needs best, so it is best if you choose. If you are in both Medicare and Medi-Cal, or if you have other health care insurance, you do not have to choose a PCP.

If you want to change your PCP, you must choose a PCP from the Blue Shield Promise Provider Directory. Be sure the PCP is taking new patients. To change your PCP, call Blue Shield Promise Customer Care at 1-800-605-2556 (TTY 711). You may also change your PCP by logging onto the Blue Shield Promise website.

Hospitals

In an emergency, call **911** or go to the nearest hospital.

If it is not an emergency and you need hospital care, your PCP will decide which hospital you go to. You will need to go to a hospital that your PCP uses and is in the Blue Shield Promise provider network. The hospitals in the Blue Shield Promise network are listed in the Provider Directory.

Women's health specialists

You may go to a women's health specialist within Blue Shield Promise network for covered care necessary to provide women's routine and preventive health care services. You do not need a referral from your PCP to get these services. For help finding a women's health specialist, you can call Blue Shield Promise Customer Care at 1-800-605-2556 (TTY 711). You may also call the 24/7 Nurse Advice Line at 1-800-609-4166 (TTY 711).

Provider Directory

The Blue Shield Promise Provider Directory lists providers that participate in the Blue Shield Promise network. The network is the group of providers that work with Blue Shield Promise.

The Blue Shield Promise Provider Directory lists hospitals, PCPs, specialists, nurse practitioners, nurse midwives, physician assistants, family planning providers, Federally Qualified Health Centers (FQHCs), outpatient mental health providers, managed long-term services and supports (MLTSS), Freestanding Birth Centers (FBCs), Indian Health Care Providers (IHCPs) and Rural Health Clinics (RHCs).

The Provider Directory has Blue Shield Promise in-network provider names, specialties, addresses, phone numbers, business hours and languages spoken. It tells if the

Timely access to care

Your in-network provider must offer you an appointment within the time frames listed below.

Appointment type	You should be able to get an appointment within:
Urgent care appointments that do not require pre-approval (prior authorization)	48 hours
Urgent care appointments that do require pre-approval (prior authorization)	96 hours
Non-urgent (routine) primary care appointments	10 business days
Non-urgent (routine) specialist care appointments	15 business days

Non-urgent (routine) appointments for ancillary (supporting) services for the diagnosis or treatment of injury, illness or other health condition	15 business days

Other wait time standards	You should be able to get connected within:
Customer Care telephone wait times during normal business hours	10 minutes
Telephone wait times for Nurse Advice Line	30 seconds (connected to nurse)

Travel time or distance to care

Blue Shield Promise must follow travel time or distance standards for your care. Those standards help to make sure you can get care without having to travel too long or too far from where you live. Travel time or distance standards depend on the county you live in.

If Blue Shield Promise is not able to provide care to you within these travel time or distance standards, DHCS may approve a different standard, called an alternative access standard. For Blue Shield Promise's time or distance standards for where you live, visit blueshieldca.com/promise/medi-cal. Or call Blue Shield Promise Customer Care at 1-800-605-2556 (TTY 711).

If you need care from a provider and that provider is located far from where you live, call Blue Shield Promise Customer Care at 1-800-605-2556 (TTY 711). They can help you find care with a provider located closer to you. If Blue Shield Promise cannot find care for you with a closer provider, you can ask Blue Shield Promise to arrange transportation for you to go to your provider, even if that provider is located far from where you live. If you need help with pharmacy providers, please call Medi-Cal Rx at 800-977-2273 (TTY 800-977-2273 and press 7 or 711).

Call Blue Shield Promise Customer Care at 1-800-605-2556 (TTY 711). Blue Shield Promise is here Monday - Friday, 8 a.m. to 6 p.m. The call is toll free. Or call the California Relay Line at 711. Visit online at blueshieldca.com/promise/medi-cal.

It is considered far if you cannot get to that provider within the Blue Shield Promise's travel time or distance standards for your county, regardless of any alternative access standard Blue Shield Promise may use for your ZIP Code.

Appointments

When you need health care:

- Call your PCP
- Have your Blue Shield Promise ID number ready on the call
- Leave a message with your name and phone number if the office is closed
- Take your BIC and Blue Shield Promise ID card to your appointment
- Ask for transportation to your appointment, if needed
- Ask for language assistance or interpreting services, before your appointment to have the services at the time of your visit, if needed
- Be on time for your appointment, arriving a few minutes early to sign in, fill out forms and answer any questions your PCP may have
- Call right away if you cannot keep your appointment or will be late
- Have your questions and medication information ready in case you need them

If you have an emergency, call **911** or go to the nearest emergency room.

Getting to your appointment

If you don't have a way to get to and from your appointments for covered services, we can help arrange transportation for you. This service, called medical transportation, is **not** for emergencies. If you are having an emergency, call **911**. Medical transportation is available for services and appointments that are not related to emergency services and may be available at no cost to you.

Go to the section "Transportation benefits for situations that are not emergencies" for more information.

Canceling and rescheduling

If you can't make your appointment, call your provider's office right away. Most doctors ask you to call 24 hours (1 business day) before your appointment if you have to cancel.

Call Blue Shield Promise Customer Care at 1-800-605-2556 (TTY 711). Blue Shield Promise is here Monday - Friday, 8 a.m. to 6 p.m. The call is toll free. Or call the California Relay Line at 711. Visit online at blueshieldca.com/promise/medi-cal.

If you miss repeated appointments, your doctor may not want to have you as a patient anymore.

Payment

You do **not** have to pay for covered services. In most cases, you will not get a bill from a provider. You must show your Blue Shield Promise ID card and your Medi-Cal BIC when you get any health care services or prescriptions, so your provider knows who to bill. You may get an Explanation of Benefits (EOB) or a statement from a provider. EOBs and statements are not bills.

If you do get a bill, call Blue Shield Promise Customer Care at 1-800-605-2556 (TTY 711). If you get a bill for prescriptions, call Medi-Cal Rx at 800-977-2273 (TTY 800-977-2273 and press 7 or 711). Or visit the Medi-Cal Rx website at <https://medi-calrx.dhcs.ca.gov/home/>. Tell Blue Shield Promise the amount charged, the date of service and the reason for the bill. You are **not** responsible to pay a provider for any amount owed by Blue Shield Promise for any covered service. You must get pre-approval (prior authorization) from Blue Shield Promise before you visit a provider outside the Blue Shield Promise network, including inside the Blue Shield Promise service area, except in the following situations:

- You need emergency services, in which case dial 911 or go to the nearest hospital
- You need family planning services or services related to testing for sexually transmitted infections, in which case you can go to any Medi-Cal provider without pre-approval
- You need mental health services, in which case you can go to either an in-network provider or a county mental health plan provider without pre-approval

If you do not get pre-approval, you may have to pay for care from providers who are not in the network. If you need covered health care services, you may be able to get them at an out-of-network provider at no cost to you, as long as they are medically necessary, not available in the network and pre-approved by Blue Shield Promise. For more information about emergency care, urgent care, and sensitive services, go to those headings in this chapter.

If you get a bill or are asked to pay a co-pay that you think you did not have to pay, call Blue Shield Promise Customer Care at 1-800-605-2556 (TTY 711). If you pay the bill, you can file a claim form with Blue Shield Promise. You will need to tell Blue Shield Promise in writing why you had to pay for the item or service. Blue Shield Promise will

read your claim and decide if you can get money back. For questions call Blue Shield Promise Customer Care at 1-800-605-2556 (TTY 711).

If you receive services in the Veterans Affairs system or non-covered or unauthorized services received outside of California, you may be responsible for payment.

Blue Shield Promise will not pay you back if:

- The services are not covered by Medi-Cal such as cosmetic services.
- You have an unmet Medi-Cal Share of Cost.
- You went to a doctor who does not take Medi-Cal and you signed a form that said you want to be seen anyway and you will pay for the services yourself.
- You asked to be paid back for co-pays for prescriptions covered by your Medicare Part D plan.

Referrals

Your PCP or another specialist will provide you a referral to visit a specialist within the time frame listed in the “Timely access to care” section of this handbook, if you need one. A specialist is a doctor who has extra education in one area of medicine. Your PCP will work with you to choose a specialist. Your PCP’s office can help you set up a time to go to the specialist.

Other services that might need a referral include in-office procedures, X-rays, lab work and specialists.

Your PCP may give you a form to take to the specialist. The specialist will fill out the form and send it back to your PCP. The specialist will treat you for as long as they think you need treatment.

If you have a health problem that needs special medical care for a long time, you may need a standing referral. This means you can go to the same specialist more than once without getting a referral each time.

If you have trouble getting a standing referral or want a copy of the Blue Shield Promise referral policy, call Blue Shield Promise Customer Care at 1-800-605-2556 (TTY 711).

You do not need a referral for:

- PCP visits
- Obstetrics/Gynecology (OB/GYN) visits
- Urgent or emergency care visits
- Adult sensitive services, such as sexual assault care

Call Blue Shield Promise Customer Care at 1-800-605-2556 (TTY 711). Blue Shield Promise is here Monday - Friday, 8 a.m. to 6 p.m. The call is toll free. Or call the California Relay Line at 711. Visit online at blueshieldca.com/promise/medi-cal.

- Family planning services (to learn more, call Office of Family Planning Information and Referral Service at 1-800-942-1054)
- HIV testing and counseling (12 years or older)
- Sexually transmitted infection services (12 years or older)
- Chiropractic services (a referral may be required when provided by out-of-network FQHCs, RHCs and IHCPs)
- Initial mental health assessment
- On-going mental health therapy

Minors can also get certain outpatient mental health services, sensitive services and substance use disorder services without parent's consent. For more information read "Minor consent services" and "Substance use disorder treatment services" in this handbook.

Pre-approval (prior authorization)

For some types of care, your PCP or specialist will need to ask Blue Shield Promise for permission before you get the care. This is called asking for prior authorization, prior approval, or pre-approval. It means that Blue Shield Promise must make sure that the care is medically necessary or needed.

Medically Necessary services are reasonable and necessary to protect your life, keep you from becoming seriously ill or disabled, or reduce severe pain from a diagnosed disease, illness or injury. For Members under the age of 21, Medi-Cal services includes care that is medically necessary to fix or help relieve a physical or mental illness or condition.

The following services always need pre-approval (prior authorization), even if you get them from a provider in the Blue Shield Promise network:

- Hospitalization, if not an emergency
- Services out of the Blue Shield Promise service area, if not an emergency or urgent
- Outpatient surgery

Call Blue Shield Promise Customer Care at 1-800-605-2556 (TTY 711). Blue Shield Promise is here Monday - Friday, 8 a.m. to 6 p.m. The call is toll free. Or call the California Relay Line at 711. Visit online at blueshieldca.com/promise/medi-cal.

- Long-term care or skilled nursing services at a nursing facility
- Specialized treatments, imaging, testing, and procedures
- Medical transportation services when it is not an emergency. Emergency ambulance services do not require pre-approval.
- Major organ transplant

Under Health and Safety Code Section 1367.01(h)(1), Blue Shield Promise will decide routine pre-approvals (prior authorizations) within 5 working days of when Blue Shield Promise gets the information reasonably needed to decide.

For requests in which a provider indicates or Blue Shield Promise determines that following the standard timeframe could seriously endanger your life or health or ability to attain, maintain, or regain maximum function, Blue Shield Promise will make an expedited (fast) pre-approval (prior authorization) decision. Blue Shield Promise will give you notice as quickly as your health condition requires and no later than 72 hours after getting the request for services.

Pre-approval (prior authorization) requests are reviewed by clinical or medical staff, such as doctors, nurses and pharmacists.

Blue Shield Promise does **not** pay the reviewers to deny coverage or services. If Blue Shield Promise does not approve the request, Blue Shield Promise will send you a Notice of Action (NOA) letter. The NOA letter will tell you how to file an appeal if you do not agree with the decision.

Blue Shield Promise will contact you if Blue Shield Promise needs more information or more time to review your request.

You never need pre-approval (prior authorization) for emergency care, even if it is out of the network and out of your service area. This includes labor and delivery if you are pregnant. You do not need pre-approval for certain sensitive care services. To learn more about sensitive care services, go to “Sensitive care” later in this chapter.

For questions about pre-approval (prior authorization), call Blue Shield Promise Customer Care at 1-800-605-2556 (TTY 711).

Second opinions

You might want a second opinion about care your provider says you need or about your diagnosis or treatment plan. For example, you may want a second opinion if you are not sure you need a prescribed treatment or surgery, or you have tried to follow a treatment plan and it has not worked.

Call Blue Shield Promise Customer Care at 1-800-605-2556 (TTY 711). Blue Shield Promise is here Monday - Friday, 8 a.m. to 6 p.m. The call is toll free. Or call the California Relay Line at 711. Visit online at blueshieldca.com/promise/medi-cal.

If you want to get a second opinion, we will refer you to a qualified network provider who can give you a second opinion. For help choosing a provider, call Blue Shield Promise Customer Care at 1-800-605-2556 (TTY 711).

Blue Shield Promise will pay for a second opinion if you or your network provider asks for it and you get the second opinion from a network provider. You do not need permission from Blue Shield Promise to get a second opinion from a network provider. However, if you need a referral, your network provider can help you get a referral for a second opinion if you need one.

If there is no provider in the Blue Shield Promise network to give you a second opinion, Blue Shield Promise will pay for a second opinion from an out-of-network provider. Blue Shield Promise will tell you within 5 business days if the provider you choose for a second opinion is approved. If you have a chronic, severe or serious illness, or face an immediate and serious threat to your health, including, but not limited to, loss of life, limb, or major body part or bodily function, Blue Shield Promise will tell you in writing within 72 hours.

If Blue Shield Promise denies your request for a second opinion, you may file a grievance. To learn more about grievances, go to the “Complaints” heading in the Chapter titled “Reporting and Solving Problems” in this handbook.

- Substance use disorder treatment
- For more information, go to “Substance use disorder treatment services” in this handbook.

For pregnancy testing, family planning services, birth control services, or services for sexually transmitted infections, the doctor or clinic does not have to be part of the Blue Shield Promise network. You can choose any Medi-Cal provider and go to them for these services without a referral or pre-approval (prior authorization). For minor consent services that are not specialty mental health services, you can go to an in-network provider without a referral and without pre-approval. Your PCP does not have to refer you and you do not need to get pre-approval from Blue Shield Promise to get minor consent services that are covered under this Member Handbook.

Minor consent services that are specialty mental health services are not covered under this Member Handbook. Specialty mental health services are covered by the county mental health plan for the county where you live.

Minors can talk to a representative in private about their health concerns by calling the 24/7 Nurse Advice Line, including holidays, at 1-800-609-4166 (TTY 711).

Blue Shield Promise will not send information about getting sensitive services to parents or guardians. Please refer to the “Notice about confidential communication requests” section for information about how to request for confidential communications related to sensitive services.

Adult sensitive care services

As an adult (18 years or older), you may not want to go to your PCP for certain sensitive or private care. If so, you may choose any doctor or clinic for the following types of care:

- Family planning and birth control (including sterilization for adults 21 and older)
- Pregnancy testing and counseling
- HIV/AIDS prevention and testing
- Sexually transmitted infections prevention, testing and treatment

The doctor or clinic does not have to be part of the Blue Shield Promise network. You can choose any Medi-Cal provider and go to them without a referral or pre-approval (prior authorization) for these services. Services from an out-of-network provider not related to sensitive care may not be covered. For help finding a doctor or clinic giving these services, or for help getting to these services (including transportation), you can call Blue Shield Promise Customer Care at 1-800-605-2556 (TTY 711). You may also call the 24/7 Nurse Advice Line, including holidays, at 1-800-609-4166 (TTY 711).

Blue Shield Promise will not send information about getting sensitive services to other household members. Please refer to the “Notice about confidential communication requests” section for information about how to request for confidential communications related to sensitive services.

Moral objection

Some providers have a moral objection to some covered services. This means they have a right to **not** offer some covered services if they morally disagree with the services. If your provider has a moral objection, they will help you find another provider for the needed services. Blue Shield Promise can also work with you to find a provider.

Some hospitals and other providers do not provide one or more of the following services that may be covered under your plan contract and that you or your family member might need:

- Family planning;
- Contraceptive services, including emergency contraception;
- Sterilization, including tubal ligation at the time of labor and delivery;
- Infertility treatments;
- Abortion.

You should obtain more information before you enroll. Call your prospective doctor, medical group, independent practice association, or clinic, or call Blue Shield Promise at 1-800-605-2556 (TTY 711) to ensure that you can obtain the health care services that you need.

These services are available and Blue Shield Promise must ensure you or your family member sees a provider or is admitted to a hospital that will perform the covered services. Call Blue Shield Promise at 1-800-605-2556 (TTY 711) if you have questions or need help finding a provider.

Urgent care

Urgent care is **not** for an emergency or life-threatening condition. It is for services you need to prevent serious damage to your health from a sudden illness, injury or complication of a condition you already have. Most urgent care appointments do not need pre-approval (prior authorization) and are available within 48 hours of your request for an appointment. If the urgent care services you need require a pre-approval, you will be offered an appointment within 96 hours of your request.

For urgent care, call your PCP. If you cannot reach your PCP, call Blue Shield Promise Customer Care at 1-800-605-2556 (TTY 711). Or you can call the Nurse Advice Line 24 hours a day, 7 days a week, including holidays at 1-800-609-4166 (TTY 711), to learn the level of care that is best for you.

If you need urgent care out of the area, go to the nearest urgent care facility.

Urgent care needs could be:

- Cold
- Sore throat
- Fever
- Ear pain
- Sprained muscle
- Maternity services

You must get urgent care services from an in-network provider when you are inside Blue Shield Promise's service area. You do not need pre-approval (prior authorization) for urgent care from in-network providers inside Blue Shield Promise's service area. If you are outside the Blue Shield Promise service area, but inside the United States, you do not need pre-approval to get urgent care. Go to the nearest urgent care facility. Medi-Cal does not cover urgent care services outside the United States. If you are traveling outside the United States and need urgent care, we will not cover your care.

If you need mental health urgent care, call your county mental health plan or Blue Shield Promise Customer Care at 1-800-605-2556 (TTY 711). You may call your county mental health plan or your Blue Shield Promise Behavioral Health Organization any time, 24 hours a day, 7 days a week. To find all counties' toll-free telephone numbers online, visit <http://www.dhcs.ca.gov/individuals/Pages/MHPContactList.aspx>.

Your urgent care provider might give you medication as part of your urgent care visit. If you get medications as part of your visit, Blue Shield Promise will cover the medications as part of your covered urgent care. ~~If your urgent care provider gives you a prescription~~

Emergency care

For emergency care, call **911** or go to the nearest emergency room (ER). For emergency care, you do **not** need pre-approval (prior authorization) from Blue Shield Promise.

Inside the United States, including any U.S. Territories, you have the right to use any hospital or other setting for emergency care.

Outside the U.S., only emergency services requiring hospitalization in Canada and Mexico are covered. Emergency care and other care in other countries are not covered.

Emergency care is for life-threatening medical conditions. This care is for an illness or injury that a prudent (reasonable) layperson (not a health care professional) with average knowledge of health and medicine could expect that, if you don’t get care right away, you would place your health (or your unborn baby’s health) in serious danger, or you risk serious harm to your body functions, body organ or body part. Examples may include, but are not limited to:

- Active labor
- Broken bone
- Severe pain
- Chest pain
- Trouble breathing
- Severe burn
- Drug overdose
- Fainting
- Severe bleeding
- Psychiatric emergency conditions, such as severe depression or suicidal thoughts (may be covered by county mental health plans)

Do not go to the ER for routine care or care that is not needed right away. You should get routine care from your PCP, who knows you best. If you are not sure if your medical condition is an emergency, call your PCP. You may also call the 24/7 Nurse Advice Line, including holidays, at 1-800-609-4166 (TTY 711).

If you need emergency care away from home, go to the nearest emergency room (ER),

even if it is not in the Blue Shield Promise network. If you go to an ER, ask them to call Blue Shield Promise. You or the hospital to which you were admitted should call Blue Shield Promise within 24 hours after you get emergency care. If you are traveling outside the U.S., other than to Canada or Mexico, and need emergency care, Blue Shield Promise will **not** cover your care.

If you need emergency transportation, call **911**. You do not need to ask your PCP or Blue Shield Promise first before you go to the ER.

If you need care in an out-of-network hospital after your emergency (post-stabilization care), the hospital will call Blue Shield Promise.

Remember: Do not call **911** unless it is an emergency. Get emergency care only for an emergency, not for routine care or a minor illness like a cold or sore throat. If it is an emergency, call **911** or go to the nearest emergency room.

4. Benefits and services

What your health plan covers

This chapter explains your covered services as a member of Blue Shield Promise. Your covered services are free as long as they are medically necessary and provided by a network provider. You must ask us for pre-approval (prior authorization) if the care is out-of-network except for certain sensitive services and emergency care. Your health plan may cover medically necessary services from an out-of-network provider. But you must ask Blue Shield Promise for pre-approval (prior authorization) for this. Medically necessary services are reasonable and necessary to protect your life, keep you from becoming seriously ill or disabled, or reduces severe pain from a diagnosed disease, illness or injury. For Members under the age of 21, Medi-Cal services include care that is medically necessary to fix or help relieve a physical or mental illness or condition. Medically necessary services are reasonable and necessary to protect your life, keep you from becoming seriously ill or disabled, or reduce severe pain from a diagnosed disease, illness or injury.

Medically necessary services include those services that are necessary for age-appropriate growth and development, or to attain, maintain, or regain functional capacity.

For Members under 21 years of age, a service is medically necessary if it is necessary to correct or ameliorate defects and physical and mental illnesses or conditions under the federal Early and Periodic Screening, Diagnostic and Treatment (EPSDT) benefit. This includes care that is necessary to fix or help relieve a physical or mental illness or condition or maintain the member's condition to keep it from getting worse.

Medically necessary services do not include:

- Treatments that are untested or still being tested
- Services or items not generally accepted as effective
- Services outside the normal course and length of treatment or services that don't have clinical guidelines
- Services for caregiver or provider convenience

Blue Shield Promise will coordinate with other programs to ensure that you receive all medically necessary services, even if those services are covered by another program and not Blue Shield Promise.

Medically necessary services include covered services that are reasonable and necessary to:

- Protect life;
- Prevent significant illness or significant disability;
- Alleviate severe pain;
- Achieve age-appropriate growth and development; and
- Attain, maintain, and regain functional capacity.

Call Blue Shield Promise Customer Care at 1-800-605-2556 (TTY 711). Blue Shield Promise is here Monday - Friday, 8 a.m. to 6 p.m. The call is toll free. Or call the California Relay Line at 711. Visit online at blueshieldca.com/promise/medi-cal.

For Members less than 21 years of age, medically necessary services include all covered services, identified above, and any other necessary health care, diagnostic services, treatment, and other measures to correct or ameliorate defects and physical and mental illnesses and conditions, as required by the federal Early and Periodic Screening, Diagnostic and Treatment (EPSDT) benefit.

EPSDT provides a broad range of prevention, diagnostic, and treatment services for low-income infants, children and adolescents under age 21. The EPSDT benefit is more robust than the benefit for adults and is designed to assure that children receive early detection and care, so that health problems are averted or diagnosed and treated as early as possible. The goal of EPSDT is to assure that individual children get the health care they need when they need it – the right care to the right child at the right time in the right setting.

Blue Shield Promise will coordinate with other programs to ensure that you receive all medically necessary services, even if those services are covered by another program and not Blue Shield Promise.

Emergency services

Inpatient and outpatient services needed to treat a medical emergency

Blue Shield Promise covers all services that are needed to treat a medical emergency that happens in the U.S. (including territories such as Puerto Rico, U.S. Virgin Islands, etc.). Blue Shield Promise also covers emergency care that requires hospitalization in Canada or Mexico. A medical emergency is a medical condition with severe pain or serious injury. The condition is so serious that, if it does not get immediate medical attention, a prudent layperson could expect it to result in:

- Serious risk to your health; **or**
- Serious harm to bodily functions; **or**
- Serious dysfunction of any bodily organ or part; **or**
- In the case of a pregnant person in active labor, meaning labor at a time when either of the following would occur:
 - There is not enough time to safely transfer you to another hospital before delivery.
 - The transfer may pose a threat to your health or safety or to that of your unborn child.

If a hospital emergency room gives you up to a 72-hour supply of an outpatient prescription drug as part of your treatment, the prescription drug will be covered as part of your covered Emergency Services. If a hospital emergency room provider gives you a prescription that you have to take to an outpatient pharmacy to be filled, Medi-Cal Rx will be responsible for the coverage of that prescription.

Call Blue Shield Promise Customer Care at 1-800-605-2556 (TTY 711). Blue Shield Promise is here Monday - Friday, 8 a.m. to 6 p.m. The call is toll free. Or call the California Relay Line at 711. Visit online at blueshieldca.com/promise/medi-cal.

If a pharmacist at an outpatient pharmacy gives you an emergency supply of a medication, that emergency supply will be covered by Medi-Cal Rx and not Blue Shield Promise. Have the pharmacy call Medi-Cal Rx at 800-977-2273 if they need help in giving you an emergency medication supply.

Emergency transportation services

Blue Shield Promise covers ambulance services to help you get to the nearest place of care in emergency situations. This means that your condition is serious enough that other ways of getting to a place of care could risk your health or life. No services are covered outside the U.S., except for emergency services that require you to be in the hospital in Canada or Mexico. If you receive emergency ambulance services in Canada and Mexico and you are not hospitalized during that episode of care, your ambulance services will not be covered by Blue Shield Promise.

Hospice and palliative care

Blue Shield Promise covers hospice care and palliative care for children and adults, which help reduce physical, emotional, social and spiritual discomforts. Adults age 21 years or older may not receive both hospice care and palliative care services at the same time.

Hospice care

Hospice care is a benefit that services terminally ill members. Hospice care requires the member to have a life expectancy of 6 months or less. It is an intervention that focuses mainly on pain and symptom management rather than on a cure to prolong life.

Hospice care includes:

- Nursing services
- Physical, occupational or speech services
- Medical social services
- Home health aide and homemaker services
- Medical supplies and appliances
- Some drugs and biological services (some may be available through FFS Medi-Cal Rx)
- Counselling services
- Continuous nursing services on a 24-hour basis during periods of crisis and as necessary to maintain the terminally ill member at home

Call Blue Shield Promise Customer Care at 1-800-605-2556 (TTY 711). Blue Shield Promise is here Monday - Friday, 8 a.m. to 6 p.m. The call is toll free. Or call the California Relay Line at 711. Visit online at blueshieldca.com/promise/medi-cal.

- Inpatient respite care for up to five consecutive days at a time in a hospital, skilled nursing facility or hospice facility
- Short-term inpatient care for pain control or symptom management in a hospital, skilled nursing facility or hospice facility

Palliative care

Palliative care is patient and family-centered care that improves quality of life by anticipating, preventing and treating suffering. Palliative care does not require the member to have a life expectancy of six months or less. Palliative care may be provided at the same time as curative care.

Palliative care includes:

- Advance care planning
- Palliative care assessment and consultation
- Plan of care including all authorized palliative and curative care
- Plan of care team including, but not limited to:
 - Doctor of medicine or osteopathy
 - Physician assistant
 - Registered nurse
 - Licensed vocational nurse or nurse practitioner
 - Social worker
 - Chaplain
- Care coordination
- Pain and symptom management
- Mental health and medical social services

Adults who are age 21 or older cannot receive both palliative care and hospice care at the same time. If you are getting palliative care and meet the eligibility for hospice care, you can ask to change to hospice care at any time.

Hospitalization

Anesthesiologist services

Blue Shield Promise covers medically necessary anesthesiologist services during covered hospital stays. An anesthesiologist is a provider who specializes in giving patients anesthesia. Anesthesia is a type of medicine used during some medical or

The plan covers:

Acupuncture

Outpatient acupuncture services (with or without electric stimulation of needles) are limited to two services per month when provided by a physician, dentist, podiatrist or acupuncturist (limits do not apply to children under age 21). Blue Shield Promise may pre-approve (prior authorize additional services as medically necessary.

BHT includes services and treatment programs, such as applied behavior analysis and evidence-based behavior intervention programs that develop or restore, to the maximum extent practicable, the functioning of an individual under 21 years old.

BHT services teach skills using behavioral observation and reinforcement, or through prompting to teach each step of a targeted behavior. BHT services are based on reliable evidence and are not experimental. Examples of BHT services include behavioral interventions, cognitive behavioral intervention packages, comprehensive behavioral treatment and applied behavioral analysis.

BHT services must be medically necessary, prescribed by a licensed doctor or psychologist, approved by the plan, and provided in a way that follows the approved treatment plan.

Enteral and parenteral nutrition

Call Blue Shield Promise Customer Care at 1-800-605-2556 (TTY 711). Blue Shield Promise is here Monday - Friday, 8 a.m. to 6 p.m. The call is toll free. Or call the California Relay Line at 711. Visit online at blueshieldca.com/promise/medi-cal.

Blue Shield Promise may cover enteral and parenteral pumps and tubing, when medically necessary.

Hearing aids

Blue Shield Promise covers hearing aids if you are tested for hearing loss, the hearing aids are medically necessary, and have a prescription from your doctor. Blue Shield Promise will cover one hearing aid unless an aid for each ear is needed for results significantly better than you can get with one aid.

Hearing aids for Members under age 21

State law requires children who need hearing aid to be referred to the California Children's Services (CCS) program to determine if the child is eligible for CCS. If the child is eligible for CCS, CCS will cover the costs for medically necessary hearing aids. If you need medical transportation, you can request this by speaking to your doctor, dentist, podiatrist, or mental health or substance use disorder provider. Your provider will decide

the correct type of transportation to meet your needs. If they find that you need medical transportation, they will prescribe it by completing a form and submit it to Blue Shield Promise. Once approved, the approval is good for 12 months depending on the medical need. Additionally, there are no limits for how many rides you can get. Your doctor will need to reassess your medical need for medical transportation and re-approve every 12 months.

Medical transportation is an ambulance, litter van, wheelchair van or air transport. Blue Shield Promise allows the lowest cost medical transportation for your medical needs when you need a ride to your appointment. That means, for example, if you can physically or medically be transported by a wheelchair van, Blue Shield Promise will not pay for an ambulance. You are only entitled to air transport if your medical condition makes any form of ground transportation impossible.

Medical transportation must be used when:

- It is physically or medically needed as determined with a written authorization by a doctor or other provider because you are not able to physically or medically able to use a bus, taxi, car or van to get to your appointment.
- You need help from the driver to and from your residence, vehicle or place of treatment due to a physical or mental disability.

To ask for medical transportation that your doctor has prescribed for non-urgent (routine) appointments, please call Blue Shield Promise at 1-800-605-2556 (TTY 711) at least 1 business day (Monday-Friday) before your appointment. For urgent appointments, please call as soon as possible. Please have your member ID card ready when you call.

Limits of medical transportation: Blue Shield Promise provides the lowest cost medical transportation that meets your medical needs to the closest provider from your home where an appointment is available. Medical transportation will not be provided if the service is not covered by Medi-Cal. If the appointment type is covered by Medi-Cal but not through the health plan, Blue Shield Promise will help you schedule your transportation. A list of covered services is in this Member Handbook. Transportation is not covered outside of the network or service area unless pre-authorized by Blue Shield Promise. For more information or to ask for medical transportation, please call Blue Shield Promise at 1-800-605-2556 (TTY 711).

How to get non-medical transportation

Your benefits include getting a ride to your appointments when the appointment is for a Medi-Cal covered service and you do not have any access to transportation. You can get a ride, at no cost to you, when you have tried all other ways to get transportation and are:

- Traveling to and from an appointment for a Medi-Cal service authorized by your provider; or
- Picking up prescriptions and medical supplies

Blue Shield Promise allows you to use a car, taxi, bus or other public/private way of getting to your medical appointment for Medi-Cal-covered services. Blue Shield Promise will cover the lowest cost of non-medical transportation type that meets your needs. Sometimes, Blue Shield Promise can give reimbursement for rides in a private vehicle that you arrange. This must be approved by Blue Shield Promise before you get the ride, and you must tell us why you cannot get a ride other ways, like the bus. You can tell us by calling us, by emailing, or in person. You cannot drive yourself and be reimbursed.

Mileage reimbursement requires all of the following:

- The driver's license of the driver
- The vehicle registration of the driver
- Proof of car insurance for the driver

To request a ride for services that have been authorized, call Blue Shield Promise at 1-800-605-2556 (TTY 711) at least 1 business days (Monday-Friday) before your appointment or call as soon as you can when you have an urgent appointment. Please have your member ID card ready when you call.

Note: American Indians may contact their local Indian Health Clinic to request non-medical transportation.

Limits of non-medical transportation: Blue Shield Promise provides the lowest cost non-medical transportation that meets your needs to the closest provider from your home where an appointment is available. Members cannot drive themselves or be reimbursed directly. For more information, please call Blue Shield Promise at 1-800-605-2556 (TTY 711)

5. Child and youth well care

Child and youth members under 21 years old can get special health services as soon as they are enrolled. This makes sure they get the right preventive, dental, mental health and developmental and specialty services. This chapter explains these services.

Pediatric services (Children under age 21)

Members under 21 years old are covered for needed care. The following list includes medically necessary services to treat or ameliorate defects and physical or mental diagnoses. Covered services include but are not limited to the list below:

- Immunizations (shots)

Well-child health check-ups and preventive care

Preventive care includes regular health check-ups, screenings to help your doctor find problems early, and counseling services to detect illnesses, diseases, or medical conditions before they cause problems. Regular check-ups help you or your child's doctor look for any problems. Problems can include medical, dental, vision, hearing, mental health, and any substance use (drug) disorders. Blue Shield Promise covers check-ups to screen for problems (including blood lead level assessment) any time there is a need for them, even if it is not during your or your child's regular check-up.

Preventive care also includes shots you or your child need. Blue Shield Promise must make sure that all enrolled children get needed shots at the time of any health care visit. Preventive care services and screenings are available at no cost and without pre-approval (prior authorization).

Your child should get check-ups at these ages:

- | | |

| ▪ 2-4 days after birth | ▪ 12 months |

6. Reporting and solving problems

There are two ways to report and solve problems:

- A **complaint** (or **grievance**) is when you have a problem with Blue Shield Promise or a provider, or with the health care or treatment you got from a provider
- An **appeal** is when you don't agree with Blue Shield Promise's decision to change your services or to not cover them

You have the right to file grievances and appeals with Blue Shield Promise to tell us about your problem. This does not take away any of your legal rights and remedies. We will not discriminate or retaliate against you for complaining to us. Letting us know about your problem will help us improve care for all members.

You should always contact Blue Shield Promise first to let us know about your problem. Call us between Monday - Friday, 8 a.m. to 6 p.m. at Blue Shield Promise Customer Care at 1-800-605-2556 (TTY 711) or go to blueshieldca.com/promise/medi-cal. Tell us about your problem.

If your grievance or appeal is still not resolved after 30 days, or you are unhappy with the result, you can call the California Department of Managed Health Care (DMHC) and ask them to review your complaint or conduct an Independent Medical Review. You can call the DMHC at 1-888-466-2219 (TTY 1-877-688-9891 or 711) or visit the DMHC website for more information: <https://www.dmhc.ca.gov>.

The California Department of Health Care Services (DHCS) Medi-Cal Managed Care Ombudsman can also help. They can help if you have problems joining, changing or leaving a health plan. They can also help if you moved and are having trouble getting your Medi-Cal transferred to your new county. You can call the Ombudsman Monday through Friday, between 8:00 a.m. and 5:00 p.m. at 1-888-452-8609.

You can also file a grievance with your county eligibility office about your Medi-Cal eligibility. If you are not sure who you can file your grievance with, call Blue Shield Promise Customer Care at 1-800-605-2556 (TTY 711).

Complaints related to Medi-Cal Rx pharmacy benefits are not subject to the Blue Shield Promise grievance process or eligible for Independent Medical Review. Members can submit complaints about Medi-Cal Rx pharmacy benefits by calling 800-977-2273 (TTY 800-977-2273 and press 7 or 711) or going to <https://medi-calrx.dhcs.ca.gov/home/>. However, complaints related to pharmacy benefits not subject to Medi-Cal Rx may be eligible for an Independent Medical Review. DMHC's toll-free telephone number is 1-888-466-2219 and the TTY line is 1-877-688-9891. You can find the Independent Medical Review/Complaint form and instructions online at the DMHC's website: <https://www.dmhc.ca.gov/>.

Appeals

An appeal is different from a complaint. An appeal is a request for us to review and change a decision we made about your service(s). If we sent you a Notice of Action (NOA) letter telling you that we are denying, delaying, changing or ending a service(s), and you do not agree with our decision, you can ask us for an appeal. Your PCP or other provider can also ask us for an appeal for you with your written permission.

You must ask for an appeal within 60 days from the date on the NOA you got from us. If we decided to reduce, suspend, or stop a service(s) you are getting now, you can continue getting that service(s) while you wait for your appeal to be decided. This is called Aid Paid Pending. To receive Aid Paid Pending, you must ask us for an appeal within 10 days from the date on the NOA or before the date we said your service(s) will stop, whichever is later. When you request an appeal under these circumstances, the service(s) will continue.

You can file an appeal by phone, in writing or online:

- **By phone:** Call Blue Shield Promise at 1-800-605-2556 (TTY 711) between Monday - Friday, 8 a.m. to 6 p.m. Give your name, health plan ID number and

Within 5 days of getting your appeal, we will send you a letter telling you we got it. Within 30 days, we will tell you our appeal decision and send you a Notice of Appeal Resolution (NAR) letter. If we do not provide you with our appeal decision within 30 days, you can request a State Hearing and an IMR with the DMHC. But if you ask for a State Hearing first, and the hearing has already happened, you cannot ask for an IMR. In this case, the State Hearing has final say.

If you or your doctor wants us to make a fast decision because the time it takes to decide your appeal would put your life, health or ability to function in danger, you can ask for an expedited (fast) review. To ask for an expedited review, call Blue Shield Promise Customer Care at 1-800-605-2556 (TTY 711). We will make a decision within 72 hours of receiving your appeal.

What to do if you do not agree with an appeal decision

If you requested an appeal and got a NAR letter telling you we did not change our decision, or you never got a NAR letter and it has been past 30 days, you can:

- Ask for a **State Hearing** from the California Department of Social Services (CDSS), and a judge will review your case.
- File an Independent Medical Review/Complaint form with the Department of Managed Health Care (DMHC) to have Blue Shield Promise's decision reviewed or ask for an **Independent Medical Review (IMR)** from the DMHC. During DMHC's IMR, an outside doctor who is not part of Blue Shield Promise will review your case. DMHC's toll-free telephone number is 1-888-466-2219 and the TTY line is 1-877-688-9891. You can find the Independent Medical Review/Complaint form and instructions online at the DMHC's website: <https://www.dmhc.ca.gov>.

You will not have to pay for a State Hearing or an IMR.

You are entitled to both a State Hearing and an IMR. But if you ask for a State Hearing first, and the hearing has already happened, you cannot ask for an IMR. In this case, the State Hearing has the final say.

The sections below have more information on how to ask for a State Hearing and an IMR.

Complaints and appeals related to Medi-Cal Rx pharmacy benefits are not handled by Blue Shield Promise. You can submit complaints and appeals about Medi-Cal Rx pharmacy benefits by calling 800-977-2273 (TTY 800-977-2273 and press 7 or 711). However, complaints and appeals related to pharmacy benefits not subject to Medi-Cal Rx may be eligible for an Independent Medical Review.

If you do not agree with a decision related to your Medi-Cal Rx pharmacy benefit, you may ask for a State Hearing. **Medi-Cal Rx pharmacy benefit decisions are not subject to the IMR process with the DMHC.**

Complaints and Independent Medical Reviews (IMR) with the Department of Managed Health Care

An IMR is when an outside doctor who is not related to your health plan reviews your case. If you want an IMR, you must first file an appeal with Blue Shield Promise. If you do not hear from your health plan within 30 calendar days, or if you are unhappy with your health plan's decision, then you may request an IMR. You must ask for an IMR within 6 months from the date on the notice telling you of the appeal decision, but you only have 120 days to request a State Hearing so if you want an IMR and a State

hearing file your complaint as soon as you can. Remember, if you ask for a State Hearing first, and the hearing has already happened, you cannot ask for an IMR. In this case, the State Hearing has the final say.

You may be able to get an IMR right away without filing an appeal first. This is in cases where your health concern is urgent, such as those involving a serious threat to your health.

If your complaint to DMHC does not qualify for an IMR, DMHC will still review your complaint to make sure Blue Shield Promise made the correct decision when you appealed its denial of services. Blue Shield Promise has to comply with DMHC's IMR and review decisions.

Here is how to ask for an IMR.

The California Department of Managed Health Care is responsible for regulating health care service plans. If you have a grievance against your health plan, you should first telephone your health plan at **Blue Shield Promise Customer Care at 1-800-605-2556 (TTY 711)** and use your health plan's grievance process before contacting the department. Utilizing this grievance procedure does not prohibit any potential legal rights or remedies that may be available to you. If you need help with a grievance involving an emergency, a grievance that has not been satisfactorily resolved by your health plan, or a grievance that has remained unresolved for more than 30 days, you may call the department for assistance. You may also be eligible for an Independent Medical Review (IMR). If you are eligible for IMR, the IMR process will provide an impartial review of medical decisions made by a health plan related to the medical necessity of a proposed service or treatment, coverage decisions for treatments that are experimental or investigational in nature and payment disputes for emergency or urgent medical services. The department also has a toll-free telephone number (**1-888-466-2219**) and a TDD line (**1-877-688-9891**) for the hearing and speech impaired. The department's internet website <https://www.dmhc.ca.gov/> has complaint forms, IMR application forms and instructions online.

Notice of privacy practices

A statement describing Blue Shield Promise policies and procedures for preserving the confidentiality of medical records is available and will be furnished to you upon request.

This notice describes how medical information about you may be used and disclosed and how you can get access to this information. **Please review it carefully.**

Our Privacy Commitment

At Blue Shield of California Promise Health Plan, we understand the importance of keeping your personal information private, and we take our obligation to do so very seriously.

In the normal course of doing business, we create records about you, your medical treatment, and the services we provide to you. The information in those records is called “protected health information” (PHI) and includes your individually identifiable personal information such as your name, address, telephone number, and Social Security number, as well as your health information, such as healthcare diagnosis or claim information.

We are required by federal and state law to provide you with this notice of our legal duties and privacy practices as they relate to your PHI. We are required to maintain the privacy of your PHI and to notify you in the event that you are affected by a breach of unsecured PHI. When we use or give out (“disclose”) your PHI, we are bound by the terms of this notice, which applies to all records that we create, obtain, and/or maintain that contain your PHI.

How We Protect Your Privacy

Call Blue Shield Promise Customer Care at 1-800-605-2556 (TTY 711). Blue Shield Promise is here Monday - Friday, 8 a.m. to 6 p.m. The call is toll free. Or call the California Relay Line at 711. Visit online at blueshieldca.com/promise/medi-cal.

We maintain physical, technical, and administrative safeguards to ensure the privacy of your PHI. To protect your privacy, only Blue Shield Promise workforce members who are authorized and trained are given access to our paper and electronic records and to non-public areas where this information is stored.

Workforce members are trained on topics including:

- Privacy and data protection policies and procedures, including how paper and electronic records are labeled, stored, filed, and accessed.
- Physical, technical, and administrative safeguards in place to maintain the privacy and security of your PHI.

Our corporate Privacy Office monitors how we follow our privacy policies and procedures and educates our organization on this important topic.

How We Use and Disclose Your PHI

You may ask us to restrict the way we use and disclose your PHI for treatment, payment, and healthcare operations, as explained in this notice. We are not required to agree to your restriction requests, but we will consider them carefully.

If we agree to a restriction request, we will abide by it until you request or agree to terminate the restriction. We may also inform you that we are terminating our agreement to a restriction. In that case, the termination will apply only to the

Right to receive confidential communications

You may ask to receive Blue Shield Promise communications containing PHI by alternative means or at alternate locations. As required by law, and

You may ask to inspect or to receive a copy of certain PHI that we maintain about you in a “designated record set.” This includes, for example, records of enrollment, payment, claims adjudication, and case or medical management record systems, and any information we used to make decisions about you. Your request must be in writing.

Whenever possible, and as required by law, we will provide you with a copy of your PHI in a form (paper or electronic) and format you request. If you request a copy of your PHI, we may charge you a reasonable, cost-based fee for preparing, copying, and/or mailing it to you. In certain limited circumstances permitted by law, we may deny you access to a portion of your records.

Notice about laws

Many laws apply to this Member Handbook. These laws may affect your rights and responsibilities even if the laws are not included or explained in this handbook. The main laws that apply to this handbook are state and federal laws about the Medi-Cal program. Other federal and state laws may apply too.

Notice about Medi-Cal as a payer of last resort, other health coverage and tort recovery

The Medi-Cal program complies with state and federal laws and regulations relating to the legal liability of third parties for health care services to members. Blue Shield Promise will take all reasonable measures to ensure that the Medi-Cal program is the

payer of last resort.

Medi-Cal members may have other health coverage (OHC), also referred to as private health insurance. As a condition of Medi-Cal eligibility, you must apply for and/or retain any available OHC when there is no cost to you.

Federal and state laws require Medi-Cal members to report OHC and any changes to an existing OHC. If you do not report OHC promptly, you may have to repay DHCS for any benefits paid erroneously. Submit your OHC online at https://www.dhcs.ca.gov/services/Pages/TPLRD_OCU_cont.aspx. If you do not have access to the internet, OHC can be reported to your health plan, or by calling 1-800-541-5555 (TTY 1-800-430-7077 or 711; inside California), or 1-916-636-1980 (outside California). DHCS has the right and responsibility to collect for covered Medi-Cal services for which Medi-Cal is not the first payer. For example, if you are injured in a car accident or at work, auto or workers' compensation insurance may have to pay first, or reimburse Medi-Cal.

If you are injured, and another party is liable for your injury, you or your legal representative must notify DHCS within 30 days of filing a legal action or a claim. Submit your notification online:

- Personal Injury Program at <http://dhcs.ca.gov/PI>
- Workers Compensation Recovery Program at <http://dhcs.ca.gov/WC>

To learn more, call 1-916-445-9891.

Notice about estate recovery

The Medi-Cal program must seek repayment from estates of certain deceased members for Medi-Cal benefits received on or after their 55th birthday.
