

Working together
for members

Blue Shield
of California
and
Providence

Blue Shield of California and Providence have teamed up to work toward a better experience for our members. We're working together to create better coordination and communication among our members' health plan, doctors, and hospitals.

Together, we're helping to provide members with best-practice, clinical care that is more personalized and easier to access.

About Providence

At Providence, we are pursuing innovative ways to transform health care by keeping people healthy, and making our services more convenient, accessible and affordable for all. We are committed to high-quality, compassionate health care for everyone. We help people and communities benefit from the best health care model for the future - today.

As a comprehensive health care organization, we are serving more people, and advancing best practices. Providence is committed to touching millions of lives and enhancing the health of the American West to transform care for the next generation and beyond.
